(Distance)

Play hard to get.
Snatch his cap and run away,
Just out of reach.
Fingers grazing the tender edges
Of your heart.
Don't say yes
Until he begs.

Play hard to regret.
Dance with him, nose to nose,
Just within reach.
Hands holding the gentle pulse
Of your heart.
Don't say yes
Until he begs.

Play hard to forget.
Snatch his love and run away,
Out of reach.
Fingers clawing the tender edges
Of your heart.
Don't say yes
Until he begs.

Don't say yes.
