

## Continuations LII:

numen or lumin  
osity / only bones of  
moon shine worship  
not warship sailing  
across cartoon walls  
broken stones fallen

loam presides near  
war and light the same  
shines hard on  
chiseled once fine  
things now stark  
skeletal shards

dark the bones  
laid out into bleak  
black stone stranded  
as played out every i  
deals a game long lost  
upon towering walls

tall losses leak  
in brazen tales  
long past  
tabula rasa  
and still playing out  
in stark tones

crisscrossing band  
s width stony  
and strung out as  
blanks / march  
steps qua ideo  
logs on / off

---

saplings to come  
beside stark rungs  
outline space  
between logs  
seasoning arch  
atmosphere

or beyond / saps  
lose solace in space  
walking vacuum  
minded in to two  
wits slouched  
against wills walled off

yet with glisten in  
de facto doffed  
integrities laced  
solaria apt to  
blunder upon  
one will in chambers

scarred or scared red  
robed wills will  
slumber rather  
that posterity not  
shadow possibility  
against legalities denied

while implied and tainted  
by endowed though blundering  
lunks who bleed shades  
of water and whose minds  
rescind our wills  
left in denial to be probed

---

all while unveiling robotic  
managers black robed  
black surveillance black  
ops oops intentions  
lack integral command  
er what done done question

qua mediocrity despite the  
'ah' sound of a deity  
rendered in so many shades  
of absence looking down  
as if tension impurely veiled  
by questions showing lack

lustre lost on cloudtop  
perspective / or cliff  
in cloud a fogged fagged  
out faith less than zero  
sum game played out  
in the valley below

and so above remove  
the loud sub  
standard game or mime  
frenetics log  
stasis as too much  
like liftoff to hope

hawking man  
oeuvres / booked  
bought and bet  
weaned on warsong  
frenesi dance of

---

chance commit  
me(a)nt to rook  
patient after promise  
looking seamed  
semantic and  
like hawk bought stint

in full colour  
spread / out  
in formation from  
nation to station  
ary orbit above  
it all perched or parched

arched nation forms  
outline full of moment  
um as sentenced  
to actionable non  
sense the allure  
of confidence when feigned

fain to fail with  
out training any arm  
a meant mode made to  
explode expectations  
constructions faltered  
against and again gone down

plaudits seeming round  
reverse constricted modal  
hexes owning fault  
lines made to taste  
gain armed with hinges  
to pre-history

---

traversing judgement's  
threshold / caves in  
to sorcery's wished  
for annulment / shadows  
cast mutations thought  
stretched out to deserted day

paired with recollection's  
only fever: focused on  
shade's null set-  
to with mutation  
of observed stretch  
launching each pentangle

floating bridged potentials  
collapsed memes genetic  
ally coded for angst against  
far flung augured black ground  
enemy or animé territory  
theorized on screen fading

with tincture sure to  
pave the sur-  
face outermost with code's  
ridges anemic seeming  
seamed the ore of  
eyes re-ending gangs in round

rolled over then broken  
back wheel a turning  
obelisk operatives möbius  
tripping cant get off  
bloodlet litter left  
stormsanded away

---

as if operatives and rakes  
get wind of sand's own  
stamina back of let  
blood someone else's  
naturally turning away  
from at least one way

out / to utter outer  
errored inscriptions  
pedastaled where a sculptor  
read beyond details as gates  
and mighty buildings fell  
upon sandy foundation

and psyches once plural  
began regressing to the mean  
spirited fallen culpability  
chiseled into other  
wise strong surfaces  
found error free
