Board of Trustees InitiativeLisa Tillman

An Initiative is being discussed by the A&S Faculty to be part of the Board of Trustees meetings. Lisa presented the initiative to see if Crummer Faculty would like to be a part of this process. A motion not to participate was passed with only two Faculty members in favor. It also was requested that if the initiative goes forward that it is to be communicated to the Board that Crummer is not participating by choice.

Other Business.....Craig McAllaster

The KEMBA outline is finished. Each course area is now working on term objectives and descriptions. The outcomes will be presented at the December faculty meeting. Faculty will be attending a blended learning conference in March in Chicago. Please contact Craig if you want to attend. The breakouts that were at the meeting that Halil and Bill Grimm attended will be available for review.

The Net Impact chapter is up and running here at Crummer. We were accepted as 1 of 64 schools to compete in the Walmart Venture Plan competition. The winning team will win a \$20,000 prize.

Oktoberfest raised \$6,000 for scholarships. This is double from last year.

Note: Grades are due to Robin by Monday December 21st at 9:00am. This deadline will keep Robin from working after we all have left for our Holiday Break.

Adjournment.....Craig McAllaster
