Approval of MinutesCraig McAllaster

Teaching Evaluations.....Clay Singleton
New class evaluations will be tested in the next few weeks. A class profile was given to all professors to complete and return to Lynda. After the test period we will have a discussion to see if this process is of value to us.

Summer Research Grants.....Craig McAllaster
Please turn in your request for Summer Research grants to Pam for review

Institutional Review Board.....Craig McAllaster
We need a volunteer to be a member of the Institutional Review Board. We will make a final decision at the next Faculty Meeting.

New Courses.....Tom Kruczek, Steve Gauthier, and Susan Bach
A new track course in Leadership and Entrepreneurship was proposed. It was determined that the details need to be better defined and then a trial cycle of the track course can be tested in 09. This would help the PMBA's shorten their final term by one class.

One Year Program.....Mark Johnston
After in depth research the committee has recommended not to do the one year program at this time.

Doctorate Program.....Mike Bowers
The research committee determined that the Doctorate Program would be viable here at Crummer. Through much discussion the Faculty had many concerns. It was voted by all but one member of the Faculty to send this proposal back to a newly formed committee for further research and discussion in the future.

Other Business.....Craig McAllaster

- The Graduate housing is coming along and is scheduled to be complete at the end of July.
- We received a Challenge Grant from the Edyth Bush Foundation for 1 million dollars. At this time we have received 10% in contributions towards the challenge.
- Budgets are in balance at this time, but expect budgets to be tight in the upcoming year.

Kudos:

- Bob Prescott was elected to the Board of Directors for the Human Resources Planning Society (HRPS) for a four year term.
- Bob also is the Technical Editor for the Book – Professional in Human Resources (PHR) Certification Examination Guide. Pearson Education, 2007.
