FOUNDERS' WEEK

Due to the sadness which followed the passing of Mrs. Holt and Mrs. Grover two days before the opening of Founders' Week, all events of a social nature were cancelled.

Events of the week began on February 21 with the 16th annual Bachelier Essay Contest. This year's winners were: Nancy White, New Smyrna High School, "The Old Fort at New Smyrna"; and Herbert Hopkins, Andrew Jackson High School, Jacksonville, "St. Johns Bluff—its Past and the Present". That evening a student production, "Children of the Moon" was presented.

Frank Abbott, '29, Chairman of the 1936 Alumni Reunion, presided at the annual alumni luncheon in the Commons on February 22. The reports of Katharine Lewis as Secretary and Frederic H. Ward as Treasurer were accepted, and Severin Bourne, '32, appealed for a keener interest in the *Alumni Record*. Robert A. Robertson, '34, as a member of the Alumni Council and Paula Dommerich Siedenburgh, D. A. Cheney and Fritz J. Frank as alumni Trustees, explained the Progress Fund. More than 120 alumni were present, and the seniors were guests of honor. In part, Miss Lewis said in her report:

"... During the Semicentennial year the Alumni Fund has been most ably directed by Miss Clara Louise Guild, the first graduate of Rollins. Alumni responded to Miss Guild's appeals to bring the Fund up to the largest total in several years. Our two largest gifts, one for \$5,000 and one for \$1,400, have gone directly to assist Dr. Holt in his plan for Rollins and for scholarship aid to worthy students. . ."

The Founders' Week Sermon was preached by Dr. Karl Reiland, Rector of St. George's Episcopal Church in New York. Many alumni said it was the best sermon ever delivered in Knowles Chapel.

No less a personage than Bishop Lawrence of Massachusetts gave the invocation at the Convocation on Founders' Day, February 24. Preceded by his St. Lawrence University classmate, Irving Bachelier, Owen D. Young spoke on "Radio Responsibility." Many

alumni throughout the country heard this able address over the N. B. C. national hookup. President Holt conferred degrees on Mr. Young, Dr. Reiland and Professor John Martin of Rollins. Hon. N. P. Yowell of Orlando received the Sullivan Medallion.

ROLLINS ALUMNI COUNCIL HONORS MT. HOLYOKE

On Saturday evening, January 11, the Rollins Alumni Council gave a small informal banquet in the College Commons, honoring Miss Mary C. Higley, Alumnae Secretary of Mt. Holyoke, and vice-president of the American Alumni Council. Miss Katharine Lewis, Alumni Secretary of Rollins, presided as toastmaster. Miss Higley gave an interesting and informative talk on alumnae work at Mt. Holyoke, and discussed the Alumni college and council. Miss Clara Louise Guild, '90, Chairman of the Rollins Alumni Fund, spoke briefly of the contributions that were received during the past year.

Many local alumni attended the banquet as guests of the Council, and familiarized themselves through Miss Higley's address with the standard alumni activities of the country.

ANDY GUMP A ROLLINS ALUMNUS

Not many alumni know that Sidney Smith, the famous cartoonist, was a student in Rollins in the years 1889-90, having registered from Rockford, Illinois. That part of his career was not revealed to the public when an automobile accident cost his life. According to Robert Sedgwick, former President of the Rollins Club of Chicago, Smith, who as everyone knows was the creator of "Old Doc Yak", "The Gumps" and other cartoon characters, maintained a wonderful summer estate at Lake Geneva, with a statue of Andy Gump in one corner of the garden; a farm near Janesville, Wisconsin, and spent considerable time in Palm Beach.

According to a report of the Treasury Department, Smith received one of the highest incomes of any person in the United States during 1934.

PRESIDENT ROOSEVELT A ROLLINS ALUMNUS

Mrs. Roosevelt Receives Sullivan Award

Reversing the time-honored custom of conferring a degree in recognition of achievement, President Holt awarded the degree of *Doctor of Literature* on President Roosevelt "as a pledge of our faith in the laws yet to be drafted, in state papers yet to be written, as a pledge of our faith in your statesmanship to be" at a special convocation held in Knowles Chapel March 23, in which the heads of Florida's other colleges participated in honoring the chief executive and Mrs. Roosevelt.

The Rollins citation, which has stimulated wide-spread comment throughout the country, reads as follows:

"Franklin Delano Roosevelt, my President and my friend, it is not because you have put social values above material profit, it is not because you have understood the human and spiritual problems of the millions of unknown men and women whose voices seem never to be heard, it is not because you have risked the daring and ingenuity of the New Deal, it is not for these qualities alone that Rollins College would honor you today, even though they be worthy of any honor in the gift of any college. It is because of our faith in what you are yet to do that Rollins would now pay you its tribute. Mr. President, there are two burning issues transcending all others now before the American people—one is domestic—one is foreign.

"First, no free and self-governing people can long remain content with an industrial order wherein millions of its citizens are out of employment, while farms, mines and factories are amply able to guarantee to every living soul sufficient food, clothing and shelter to satisfy all fundamental needs. Surely, we have the brains and the will power to work out an equitable system of production and distribution which will lead our people to a planned and disciplined plenty.

"Second, no free and peace-loving people can long remain content in supine aloofness while wars and rumors of wars are swiftly pushing the human race to the brink of another world catastrophe.

"If statesmanship, like charity, begins at home, certainly it does not end there. Mr. President, the man who holds the office now occupied by you has attained the most exalted political position on earth. You are the constituted spokesman of our country in the international realm. The most vital thing worth working for in the international realm is the political organization of the world. The outcome of political organization is law. The outcome of law is justice. And the outcome of justice is eternal peace.

"Mr. President, if under your leadership our people can play the good neighbor to all mankind, as you have so often pledged we would do, will not that spirit lead them into union on a world scale as the spirit of Washington led our sovereign states into union on a national scale? It is only through union that what Thomas Jefferson called 'the greatest scourge of mankind' can be abolished."

The Sullivan award, which is conferred solely for the attainment of those finer elements of character—sincerity, helpfulness, purity of motive, exalted ideas and ideals of service to humanity and the steadfast pursuit of the noblest purposes of life, was presented to Mrs. Roosevelt.

THE PROGRESS FUND FOR ROLLINS

To Raise \$300,000 in Three Years

Paula Dommerich Siedenburgh, x98, Donald A. Cheney, x11, and Fritz J. Frank, '96, the three alumni trustees who spoke at the Alumni Day Luncheon of Founders' Week, and Robert A. Robertson, '34, who spoke for the Alumni Council, unfolded the story of the past ten heroic years in the life of Rollins and urged alumni to enter enthusiastically into the plans, recently announced by the Board of Trustees, to raise \$100,000 this year, \$100,000 in 1937 and \$100,000 in 1938 as a Progress Fund. As the *Record* goes to press, already \$51,929.00 of this \$300,000 has been raised, \$18,399.67 of which has been paid in cash in amounts varying from \$5 to \$1500.

Class secretaries who heretofore have assumed the entire responsibility of securing annual gifts from classmates through the Alumni Fund will gratefully welcome the additional aid which the publicity of the Progress Fund has given and will give to the needs of Rollins.

Mrs. Siedenburgh in her able address stressed the fact that Rollins "must be kept growing, it cannot be allowed to stagnate and this can only be done by stimulating a keen interest in every alumnus, old and young." As the daughter of a trustee, as a student and now as a trustee, she has observed the growth of Rollins for over 45 years. She gave \$5,000 through the 1935 Alumni Fund, the largest alumni donation—to help Dr. Holt balance the budget.

Virtually all of the \$51,929.00 raised so far has come from Orange County. Under the leadership of Dr. Karl Lehmann, honorary alumnus of the Class of '27, the admirably effective organization of the Orange County Development Fund of ten years ago, which he managed, has brought about the participation of 138 alumni and other close friends of Rollins who since early in March have been securing gifts which, through the Progress Fund, will

1. Balance the budget, since there is not yet a sufficiently large endowment fund whose income will do this.
2. Replace, partially, the equipment of the dormitories and classrooms which cannot much longer await renewal.
3. Complete the furnishing and landscaping of the five student residences now under construction.
4. Provide additional scholarships for exceptional students of limited means.
5. Improve the quality of teaching and supply desirable courses not now available.

"Everybody must give, even though it be a tiny amount," urged Mrs. Siedenburgh. "Small amounts sometimes mean as much to one individual as \$25,000 to another. Perhaps another year, when times are better, small donations can be doubled or even tripled but at any rate let us all contribute what we can."

Each gift is an expression of the achievements of President Holt's administration of ten years.

Each gift is a vote of confidence in what President Holt will do for Rollins in the next ten years.

The President arrived by special train in Winter Park at 9:15 A. M. After the Convocation the newly-made alumnus of Rollins and his party motored from the Chapel down Holt Avenue through Orlando to Titusville from which the trip south was made by train.

THE LATE ANNIE RUSSELL AND ROLLINS

By DOROTHY LOCKHART SMITH

(The photo of Miss Russell on the front cover of the Record, as Mrs. Malaprop in "The Rivals", was used through the courtesy of Eleanor H. Thornton, Northport, Long Island.)

Annie Russell, adored actress of the English speaking theatre and beloved by all who knew her, is no longer with us in person, but the beautiful spirit of such a gentle and great woman and artist can never go entirely from the place to which she meant so much.

Miss Russell came to Winter Park after having retired from the stage. Her life here was to be a quiet one. Instead she became a part of Rollins College because of her deep interest in the students of Dramatic Art. She wished to help them and to pass to them the richness of her long experience in the theatre. Miss Russell was helped in doing this by her dear friend, Mrs. Edward Bok, who built the Annie Russell Theatre and presented it to Rollins College in honor of Miss Russell. By this gift Miss Russell was able to present her work in a beautiful setting and to offer to the residents of Winter Park a season of rich entertainment.

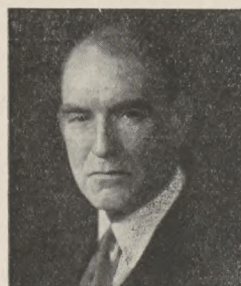

In coming to Winter Park, Miss Russell's retirement from the theatre ceased. After the completion of the Annie Russell Theatre in March, 1932, there was a performance of Robert Browning's "In a Balcony". This play was selected to dedicate the theatre. Miss Russell directed it and played the rôle of the Queen. Rollo Peters and Mary Hone supported her in a superb production. This performance ushered the first appearance of Miss Russell on the stage in fourteen years. Following this production Miss Russell produced and directed a students' performance of "Romeo and Juliet" which was one of the outstanding events of the Dramatic Art Department.

After opening the doors of her theatre and giving a sample of her professional work, and work with the students, Miss Russell continued her activity during the summer in Maine and planned her first full season in the Annie Russell Theatre.

The following winter Miss Russell launched the Professional Artists' series which was the work of a pioneer. She offered a series of fine attractions appealing to the lovers of the arts. During the season of 1932-33 Miss Russell chose to revive and appear in "The Thirteenth Chair", the vehicle in which she had made her last appearance on the professional stage. Her supporting company for this production was the newly formed Annie Russell Company, which was selected from members of Rollins College and Winter Park residents.

The season of 1933-34, the Professional Artists' Series, was opened with a production of "Hedda Gabler" presented by the Annie Russell Company. Miss Russell directed and supervised the entire production. Among the artists who appeared this season were Josef Hofmann, The Curtis String Quartet and Lea Luboshutz. During this season Miss Russell met a group of selected students of the Dramatic Art Department in the Green Room of the theatre each week and lectured on the History of the American Theatre. Miss Russell was always ready to assist with student productions in any way.

Last season Miss Russell produced "The Rivals" and appeared in it as Mrs. Malaprop, supported by her

*President Holt's
Message*

In recent years, my messages to the Rollins Alumni have told you of new members of the faculty, buildings, the higher quality of the student body, increased enrollment, the successful and heartening observance of varied events, campaigns, endowments and special gifts to the College.

In this year's message, I make no mention of material things.

Somewhere along the road, there usually comes to each of us a time when all things material fade into insignificance. At such a time I have found that human sympathy and the loving words of friends mean much. Perhaps they are the only earthly consolation.

From far and wide have come to me and mine letters and messages that I shall treasure always, and I want the ever loyal members of the family of the College we all so love—especially my academic sons and daughters of the past decade—to believe that their words have helped me more than they can ever know.

Should sorrow ever be yours, the finest thing I wish for you is to know the healing of such sympathy as you have given me.

My gratitude and my affection goes out to you, each and every one.

Annie Russell Company. There have been many charming productions of this delightful comedy but none that surpassed Miss Russell's last production. This season was a very rich one. The Professional Artists' series was opened by a new play "One Day of Spring" by Mary Kennedy. It was followed by a performance given by Dorothy Sands. Lea Luboshutz and Josef Hofmann appeared and the series was brought to a close by a recital given by Jeanette Vreeland.

This winter Miss Russell still carried on her glorious plans for a richer Rollins College and Winter Park, although she didn't stay with us after the opening of her theatre. Last summer a full and rich program was planned in detail by Miss Russell for this season. The Professional Artists' Series opened with a performance of "Emperor Jones" on January 15. Miss Russell died at 9:30 A. M. on January 16. She remained with us until her season's work had begun. One of Miss Russell's great regrets was that she could not carry out the plans she had made for the students this year. Her plans were to give them more of her time than she had during the past few years.

Miss Russell believed that effective simplicity was the most important point to be striven for in acting. This was her way of life as well. In her programs, she planned for the best; and after she passed away she left us as her parting gifts such artists as Martha

ROLLINS WRITERS

Personal Letter

Feeling more as one who should be informed, rather than as gossip monger for the Rollins literati, your columnist becomes more and more diffident every time the *Record* goes to press over the scantiness of the material offered in this column.

Being unwilling, nevertheless, to allow the creative efforts of the Rollins group to go unsung, it becomes necessary again to remind *Record* readers of a bargain struck last spring and strangely ignored since.

Remember how you all promised to deluge the *Record* with tid-bits for the column? With news of friends, alumni, supporters of Rollins active in the writing field? Sincerely, your contribution *will* be appreciated, will enable us to crowd each issue with items to which you'll want to refer. No need to wait for *Record* time. Just send in your notices whenever or from wherever you find them, addressed to the Alumni Office. And, yours very, very truly. . . R. B.

Writings

Foremost among items listed for consideration this month is a small but compact book prepared by Alfred J. Hanna, '17, reviewing the history of the founding of Rollins, which was published last December.

In an interesting and graceful preface, Professor Hanna announces "the purpose of this publication is to preserve, in permanent and unified form, original source material relating to the founding of Rollins." Many items, hitherto unpublished and unrecorded, have been assembled, giving the reader a sense of tradition and rich background seldom realized in connection with Rollins. A copy should rest beside the diploma of every Rollins graduate.

We're a little late getting to this one, but Rex Beach's *Jungle Gold* which appeared last September bearing the stamp of Farrar and Rinehart, rates high on our list of recommended readings.

Setting: the Central American tropical wilderness. Plot: revolving around the development of the American banana industry. Chief character: Stephen Pentecost, "Impulsive, boyish, ruthless in carrying out his desires." And New York Times summary: "a diverting story of more than usual interest."—Better add this to your Adventure collection.

Another recent novel, as yet unmentioned in this column, is *The Oxen of the Sun*, a last summer's contribution by Irving Bacheller. Publishers: Frederick A. Stokes Company. In this latest commentary upon a passing America, the grand gentleman of "Gate o' the Isles" reviews the basis, growth, weakness and strengthening dreams of American democracy. A touching love story lends the work both pathos and charm. . . As footnote to this item, watch the reviews for yet another novel—of you and your friends in New York and Florida, promised for the current month.

Gossip

Under the general heading of gossip, you may file these items for convenient reference.

Buck Moon, '35, appears in the January issue of *Review of Reviews* with an article "When Snow Flies in Canada". He also writes a weekly column, "Between

the Covers", for the *Town Topics*, New York's Journal of Society.

Gilbert Maxwell, '37, is a present member of the Viking Press reading staff.

Winthrop Brubaker, '35, is assistant manager of a new magazine that should make publishing history. Get your own copy of *Sports Illustrated* and see for yourself.

Sally Limerick, '35, is "researching" for the McCall Company (but our class secretary beat us to that one.)

Clementine (Peanuts) Hall, '30, since January, 1936, has been personal secretary to Dr. Henry Goddard Leach, editor of Rollins' favorite magazine, *The Forum*.

"A Page for Poets" in the February issue of *The Forum*, under Dr. Leach's editorship, carried a very fine poem, "Darky Boy Fishing in Heaven," by Alice Howey Booth, freshman at Rollins.

Birthdays

Dr. Leach, Hon. LL.D. (1927), long-standing friend of Dr. Holt and of Rollins College, announces the publication, in March of this year, of the Golden Anniversary number of *The Forum*. In a personal testimonial, Dr. Holt has paid the magazine and its editor this tribute: "Never was a magazine so vital as *The Forum* is today under your leadership. Character and personality are, after all, about the only important things in life, and these you have given to *The Forum*."

* * * *

The tenth issue of the Rollins *Animated Magazine*, scheduled for February 23 during Founders' Week, was cancelled because of the death of Mrs. Holt and Mrs. Grover.

The Founding of Rollins College

By A. J. Hanna, '17

It describes Florida as an educational frontier a half-century ago, it traces the Pilgrim movement to found Rollins, it tells the story of the locating of Rollins in Winter Park and it re-creates the significant events surrounding the opening of Florida's oldest institution of higher education on November 4, 1885.

"A copy should rest beside the diploma of every Rollins graduate"—Bob Black.

"It is a stirring story of pioneer adventure in higher education, on one of America's last frontiers"—Edwin O. Grover.

"This book . . . offers a faithful portrayal of 50 years of work, energy, planning, aspiration and inspiration, that have gone into the building of Rollins. . ."—St. Augustine Record.

"It is a worthy interpretation of the consecrated beginning and of the consecrated history"—C. F. Thwing, President Emeritus of Western Reserve University.

NEWS OF ROLLINS CLUBS

ATLANTA

The Founders' Day meeting of the Rollins Club of Atlanta was held at the home of the President, O. S. Bandy, '29, 890 Glen Arden Way, Sunday afternoon, March 1.

Mr. Bandy, Miss Barbara Donaldson, the secretary, and Bill Reid, the only alumni present, discussed plans for a larger meeting. They hope to arrest the attention of other Rollins alumni in the Atlanta area.

BOSTON

The Rollins Club of Boston held its Founders' Day meeting on March 1, with Frank "Rip" Parsons presiding. A very large attendance was reported, and the meeting a "huge" success. New officers for the coming year were elected as follows: Ruth McWain, x36 president; Ralston Pickering, x34 vice-president; and Polly Dudley, x33 secretary.

The Club is sponsoring a dinner dance on March 28th.

CHICAGO

The Chicago Club "clustered" at the home of Evaline McNeil, 4556 Woodlawn Ave., on Founders' Day, February 24th, in "spite of all Chicago's climate could do," wired Burleigh Drummond. At this meeting enthusiastic plans were made for another meeting to be held on March 13th, when new officers will be elected, and "gigantic plans formulated for the year." The present officers of the club are: Mrs. Jack Griffin, '32 President; Harry D. Orr, Jr., '32 Vice-President; and Evaline McNeil, '36 Secretary-Treasurer.

NEW YORK

The Rollins Club of New York held its Founders' Day dinner-meeting at the Hotel Great Northern, 118 West 57th St., New York City, on February 21st, at 7:30 o'clock, under the chairmanship of Ted Williams.

After the meeting, Ted wired: "As Chairman of the Dinner Committee and in behalf of Theodore Walton, President, I should like to take this opportunity to inform you that New York Club had most successful dinner in history with 112 persons present. We consider this as a great tribute to the College."

Bob Stephens wrote: "The spirit at our dinner was, of course, dampened and the alumni join with the college in mourning the sudden loss to Dr. Holt, to Dr. Grover and to Rollins. . . Some had advocated the cancelling of our meeting, but that could not very well be done, as contracts had been signed and all arrangements completed. We had a fine private dining room and lounge, and were well served, and dancing was available in the near-by grill room."

WASHINGTON, D. C.

The Rollins Club of Washington held its Founders' Day dinner-meeting on Tuesday, March 3rd, at the Iron Gate Inn. Those present were: Constance Etz, '35, Ivy Lewton Fletcher, x94, Dr. Frederick L. Lewton, '91, Dr. Marion B. Matlack, '18, Luther McDowell, '32, Tony Merrill, x37, Mr. and Mrs. Jerry Schutz, '33 and '31, Lottie M. Turner, '32, and A. Clinton Cook, guest.

Lottie Turner, the president, writes: "We really had an awfully nice time altho there were not many present.

Constance had some Sandspurs, Flamingoes, Tomokans, and I had some of the announcements, *History of Rollins*, etc., which we displayed. . . Then Constance entertained us with her movie films, which brought back very pleasant memories.

"As a feature of the meeting, Matlock told us how the 'Beanery' got its name; and Tony told us a story about Mr. Hanna, and how E. Markham became a Theta Kappa Nu!"

ST. PETERSBURG

President Hamilton Holt met with the members of the Rollins Club of St. Petersburg on the evening of December 27 at the Suwannee Hotel, to discuss plans for sponsoring a lecture, which was given by Miss Anny Rutz, '39, at the Congregational Church on December 30. President Holt gave a review of recent developments at Rollins. Following his talk, the Misses Anny and Mia Rutz, '38 and '39, of Vienna, Austria, all exchange students, spoke briefly and very interestingly of their impressions of Rollins, and America.

The Club's president, Mrs. J. D. Stoner, x27, presided.

ANNIE RUSSELL

(Continued from Page 3)

Graham, Rose Bampton, Efren Zimbalist and Sydney Thompson. Miss Russell's last Professional Artists' Series closed with two performances of "Candle-Light", presented by her own Annie Russell Comany on March 13-14. This play was selected and cast by her. The torch is not out, it must remain lighted and held high.

SINCLAIR LEWIS ON CAMPUS

Sinclair Lewis, the author, spent a few days on the Rollins campus in February, and delivered a talk, "Discipline and Freedom," in the Annie Russell Theatre. He praised Rollins even more than he did in his Nobel Prize Address. But he cautioned students not to extend liberty into license.

In Memoriam

Never before in its history has Rollins suffered such a succession of irreparable losses as those of the past few weeks. So dazed was the entire college community over the death of Miss Russell and of Mrs. Holt that no one can realize even yet the universality of the losses.

On the day of Mrs. Holt's funeral, Mrs. Grover died as the result of injuries received in an automobile accident.

Earlier in the month Katharine Lewis had lost her father and Dr. Beard his brother. The deepest sympathy of all alumni is extended to the bereaved families.

Rollins alumni who died during the past year, and whose memory was honored at the annual memorial vespers on Alumni Day of Founders' Week were:

Jane Addams (September 6, 1860-May 21, 1935); Margery Linn Anderson (April 2, 1916-October 14, 1935); Jane Bellows (July 10, 1883-May 13, 1935); Edward S. SENIOR LOAN FUND REPORT

By E. T. BROWN, Treasurer

The Senior Loan Fund, which was started through the efforts of Mr. Frank Abbott of the Class of '29, has grown until on June 30, 1935, the assets in the fund were as follows:

<i>Student Loans Outstanding</i>	<i>\$1,264.00</i>
<i>Cash on hand</i>	<i>3.53</i>
<i>Total</i>	<i>\$1,267.53</i>

All classes, from '29 to '34, have contributed to the fund. Some of the classes made a 100% contribution.

The Class of '35 voted to make their contribution to the College by purchasing distinctive caps and gowns for the use of the Seniors, which were then given to the College. They raised \$461.25 for this purpose, but stated in making the gift this was an emergency need and that they hoped the succeeding classes would continue their support of the Senior Loan Fund. The Class of '36 has voted to make their contribution to the Senior Loan Fund, but their campaign of solicitation of gifts among the members has not yet ended. The committee in charge is hoping to beat the record of the Class of '34, which raised \$298.18, the largest contribution to the Senior Loan Fund since it was founded.

Loans from the Senior Loan Fund are limited to Seniors, and the fund is managed by a Committee of the Senior Class, with the Treasurer, Assistant Treasurer and Alumni Secretary of the College serving as *ex officio* members. No interest is charged, and the loans are payable in from one to three years after graduation. Loans are limited to five percent of the assets of the Fund which allows a maximum loan of about \$65 to any one student at present. As the Fund increases in size larger loans can be made. It is hoped that the Fund will eventually be large enough to care for all of the worthy students in the Senior Class who need financial aid.

I finished my work in a Boston bank awhile ago. Last winter I was mining in southwest Oregon where it never gets very cold. The Florida climate and Rollins College seem pretty good as I remember."
