### A successful presidential search process

The Presidential Search Committee, composed of trustees, faculty, staff, student, and alumni, sought a candidate with a strong record of academic and administrative achievement who would be a passionate advocate for the values and ideals of the liberal arts, professional preparation, and the work of the faculty in teaching, scholarship, and service.

"Our committee was very impressed and excited about the quality of our finalists in the search," said committee chairman and Rollins trustee Allan Keen '70 '71MBA '10H. "Having the opportunity to bring Grant Cornwell to Rollins College as our president is an amazing accomplishment. We are so fortunate to have someone of his stature and reputation. Rollins will be well served for many years to come under Grant's leadership."
