ADMISSION INFORMATION

ref. ppg. 3 & 4

Degree Candidates

Applicants for degree candidate status must have an official evaluation of advance standing credits prior to admission to degree candidacy. Prospective candidates must successfully complete six (6) semester hours in the School of General Studies before this evaluation will be made. The student must furnish official transcripts of all previous educational experience for evaluation; preferably at time of registration, but not later than the end of the first term. Grades, credits, and transcripts will be withheld until such documents are received. Subsequent registrations will not be permitted.

Non-Degree Students

Students registering for individual course credit must submit official document (as outlined in Bulletin, pg. 4) establishing credit eligibility. This evidence should be presented at the time of first registration, but not later than the end of the first term. Failure to comply will result in grades, credits, and transcripts being withheld, and subsequent registration will not be permitted.

A prospective student, not in good standing at previous school attended, is not automatically denied permission to register, but a letter of explanation must be submitted at time of registration.

Change of Status

A non-degree student who wishes to apply for degree candidacy must comply with the regulations outlined above for "Degree Candidates" prior to his first registration as a degree candidate.
