## **Post-Thanksgiving SGA Giveback**

James Payne

November 15, 2017

**Whereas:** Following the Thanksgiving holiday students are in a state of overwork and anxiety due to the upcoming deadlines and exams at the end of the semester

**Whereas:** It is the duty of the Rollins College SGA to support and engage with the student body as to improve the student campus experience

**Whereas:** Rollins SGA is in need of a way of conveying to the student population that it is both altruistic and responsive to the needs of the student body

**Be it hereby resolved, the Student Government Association of Rollins College will:**

1. Allocate funds of \$169.9 to purchase a total of 10 gallons of Sodexo provided hot chocolate to be located in the Olin Library lobby.
2. We will provide five gallons total, per night, for two tentative days in November, in addition to information about the Rollins SGA and other materials relating to self care during a stressful time of year. This will take place starting at the hour conducive to mutual success of all parties.
3. Create timeslots for members of the Rollins SGA to engage with students at the table and seek to get their views and ideas about issues SGA should work or focus on
