**SPONSOR(S): Manny Rodriguez, Gabriela Zacarias, Max Castrillon**

**Whereas:** Rollins College graduates are not represented in student government and have minimal avenues for student involvement. The opportunity for inclusionary legislation presents itself. Rollins Student Government Association has a chance to accurately represent our entire student body.

**Whereas:** Moving forward, Rollins College desires to uphold diversity and inclusion, in relation to student representation. In doing so, we recommend Crummer Graduate students become a represented class among the Student Body & SGA.

**Whereas:** Rollins SGA will collaborate with the Crummer Graduate School of Business Senator to receive insight on ideas, perspectives, and opinions on matters relating to SGA and the student body.

**Be it Hereby Resolved, The Student Government Association of Rollins College will:**

- (1)** Like other class senators the Student Government Association shall allow a Senate position for a Graduate Student to represent the Crummer School of Business and their students.
- (2)** A Graduate Class Senator will share all responsibilities of his/her senator counterparts including attending and participating during weekly meetings, voting on legislations, and joining a committee.
- (3)** The Graduate Class Senator will adhere to the additional bylaws like all other Class senators and Committee representatives.
