Legislation 1819. 10
Wakeboarding Club Boat Use

SPONSOR: Joey Huttman

DATE: November 28, 2018

Whereas: The wakeboarding club does not currently have access to a boat, which is required for their sport

Whereas: Rollins College should support the Wakeboarding Club by providing necessary equipment, so they can do their sport

Whereas: Rollins College should also support the Wakeboarding Club by providing a faculty member as a sponsor for the club, so they are able to take a boat out on the lake. In addition, a faculty member will act as a point of contact for the needs of the club, and will also be able to organize future events

Be it Hereby Resolved, The Student Government Association of Rollins College will:

1. Look into the costs which are associated with using an available boat and the gas which is needed to use the boat, and consult with Fox Funds if this is possible
2. Provide one of the available boats to the Wakeboarding Club, if costs prohibit it
3. Provide a faculty member as a sponsor for the Wakeboarding Club so the members can go out on the lake, and have a point of contact for future needs
