EXECUTIVE COMMITTEE MEETING
April 2, 2015
Minutes
Approved

PRESENT
Carol Lauer, Thomas Ouellette, Craig McAllaster, Bob Smither, Don Davison, Fiona Harper, Yusheng Yao (for Derrick Paladino), Jill Jones.

CALL TO ORDER
Carol Lauer called the meeting to order at 12:33 PM

APPROVAL OF MINUTES FROM 3/12/15
EC unanimously approved the minutes from the 3/12/15.

REPORTS

AAC
Jill Jones
AAC approved modifications to the biology major. Jones brought up the issue of bursar holds which prevent students from registering for classes. 40% of her first-year students had bursar holds which they were not aware of until they went to preregister. Is it possible to implement a policy that students who owe less than $1,000 they are not prevented from registering for classes? There needs to be a better way of notifying students that they have a hold on their account. McAllaster will look into the issue to see how students are notified about holds and Lauer will add this issue to the next EC agenda.

SGA
Elise Albin
SGA voted to set aside money to send five students to the student governance leadership conference this summer. Lip Sync is scheduled for April 6th and 12 groups are scheduled to perform.

Lauer suggests SGA look into the student concern that the Wellness Center is not open on weekends. Albin said this has come up a lot this year and SGA has been working with them to find a way to extend their hours. There also needs to be a clear plan in place on how to transport students to nearby clinics for things not
covered by the Wellness Center, such as stitches. Albin will discuss the issue with Mamta.

**F&S**
Donald Davison
F&S met with McAllaster, Holbrook, and Lugo to discuss faculty salaries and requests time at the next EC meeting to share the preliminary report. A more comprehensive study will be conducted during fall term. F&S is working on a resolution that names a specific administrative office that should be responsible for conducting the salary study at regular intervals.

Martinez sent new language for the Faculty Handbook that addresses how instructor, lecturer, and artist-in-residence positions are not eligible for tenure. F&S will discuss and ask for input from Smither.

F&S is continuing its discussion of the faculty incentive plan for retirement.

**FACULTY PRESIDENT**
Carol Lauer
We are canceling the April 9th faculty meeting; Ouellette will send a notice to faculty; Mamta will give her annual report at the April 26th faculty meeting; and, Ouellette is meeting with senior faculty and trustees on April 24th.

**OLD BUSINESS**

**MEMBERSHIP OF THE COMMITTEE THAT WILL MEET WITH TRUSTEES**
Carol Lauer
The new president plans to put a system in place that allows a group of faculty to meet with trustees three times a year without the presence of administration. EC has been asked to recommend the make-up of the faculty group. Lauer moved that the group of faculty should be comprised of the Executive Council because they are most likely to have a broad institutional perspective. The motion passed and Lauer will share that information with Cornwell when he’s on campus the week of April 13th, and present it to the full faculty on April 26th.

**NEW BUSINESS**

**REVISIONS TO THE GRANT PROPOSAL FORM**
Fiona Harper *(See Attachment #1)*
PSC approved revisions to the grant proposal form that include a change in how they review proposals by having all personally identifying information removed before they are shared with the Committee. Yao believes the language regarding sabbaticals in Section I. Eligibility – D1 is confusing. Lauer recommends he send...
suggested language to PSC to replace/clarify this section. Davison, referring to the $20K rule, said that some hope this will encourage faculty to also apply for external funds. The motion was approved to send the revised grant proposal form (possibly with Yao’s clarifying language) to the faculty for vote.

**TRUSTEE CONCERNS ABOUT SPECIAL MEETINGS SECTION OF A&S BYLAWS**

Carol Lauer *(See Attachment #2)*

During the presidential search the search firm expressed concern about Rollins’ practice of allowing faculty to vote on the candidate. According to the search firm, other schools do not allow a faculty vote because it potentially limits the applicant pool. Our lawyers recommend removing the attached statement from the A&S bylaws because it conflicts with the all-college bylaws. Jones recommends this statement be added to the all-college bylaws. Davison stated that a vote by faculty for the president or provost has the force of moral legitimacy even if it doesn’t mean anything. He believes there will be a serious problem for Rollins if the Trustees want to bring a candidate to campus that is unable to win a vote by the faculty. Albin asked what the point of the faculty vote is if it’s non-binding, and said it shows that faculty do not trust their elected colleagues that serve on the search committee. Davison explained having a faculty vote is important because individuals on the search committee are privy to the full list of candidates and other information the rest of the faculty are not. A faculty vote does not mean they don’t trust the search committee. It is in the interest of the candidate to be able to survive a vote of confidence by the faculty. Lauer suggested this may be an issue for the faculty group that meets with the trustees to address.

**ADJOURNMENT**

Carol Lauer

Lauer adjourned the meeting at 1:50 PM.
GRANT PROPOSAL APPLICATION GUIDELINES FOR ROLLINS FACULTY
Critchfield and Ashforth Research, Individual Development, Course Development, and Cornell Research Grants

GENERAL INFORMATION
Critchfield and Ashforth Research, Individual Development, Course Development, and Cornell Research Grants are awarded on a competitive basis. The Professional Standards Committee will review only those proposals received by the published application deadlines. The committee will advise the Dean of Faculty to distribute funds in a manner that permits the support of as many projects as possible. Funds are limited and rationed (see below). It is anticipated that the results of research funded by these grants will lead to a publication (professional journal or book), a performance (music or theater), an exhibit (art), or the presentation of a paper at a national or regional professional meeting. Collaboration with students is permitted. Grants involving students will be given equal weighting with those involving only the faculty member.

Jack B. Critchfield Research Grants
These grants are awarded exclusively for research projects, domestic and international.

Ashforth Research Grants
These grants are awarded exclusively for study in the British Isles, with priority given to study in Great Britain. Ashforth Grants for study on the island of Ireland are prohibited.

Individual Development and Course Development Grants
These grants are awarded for workshops, symposia, seminars, structured study projects, conferences, and the development of material for new courses. These grants help a faculty member acquire new knowledge or develop a specific course.

Cornell Research Grants
These grants are awarded for research projects and associated international travel outside of Great Britain.

OVERVIEW OF THE APPLICATION PROCESS
I. Review of Grant Proposals
Please remember that while your proposal will be reviewed in a spirit of collegiality, there is no discipline specific review. The Professional Standards Committee is composed of members of the general faculty. Your objectives must be well conceived, clearly stated, and written in a language that can be understood by a general audience.
A statement endorsing the proposed project from the department chair, director, or appropriate dean should accompany proposals that affect departmental activities. This statement is required for all proposals where the proposed outcome may impact departmental curriculum or require departmental resources (budget, supplies, space, or personnel.) Faculty members are expected to seek the assistance of the Director of Grants and Contracts to identify external funding for recurring research projects before re-applying for internal grants.

II. Deadlines
Faculty members planning sabbatical during the academic year following that of the application deadline are invited to submit grant proposals early to assist in sabbatical activity planning. The application deadline for early proposals is the last Friday of September.

The deadline for faculty members not using the grant for a sabbatical period is the third Friday of January.

III. Submission of FSAR, Mid-Year Progress Report and/or Final Report
The Dean will only consider Grant applications from faculty members who have filed their most recent “FSAR” with the Dean of Faculty’s Office by the deadline established.

Following the receipt of a Grant Award, recipients are required to file a report on his or her accomplishments with the Dean of the Faculty. The Grant Award Report form is available on the Dean of Faculty webpage. (Mid-year Report is due on the first day of Spring semester; Final Report is due by August 15 of the year following receipt of the grant). Grant reports must be filed by these deadlines even if the project has not been completed and should reflect progress to date. A specific accounting of expenditures will be part of this report. Your application and report are considered to be matters of public record. If you do not wish either to be made public, explain why in the application.

Future funding for your research is contingent upon completion and transmission of a Final Report to the Dean of the Faculty using the form provided on this webpage, unless the research is in progress in which case the Mid-Year Progress Report must be included.

APPLICATION GUIDELINES
I. Eligibility
Full-time tenured-track faculty and faculty with multiyear contracts are eligible for Critchfield and Ashforth Research, Individual Development, Course Development, and Cornell Research Grants.
Funding is awarded for research or development undertaken during the fiscal year (June 1st - May 31st) following the grant award decision.

Research Proposals will be judged on the completeness of the application, the quality of the project, the perceived value of the work, the likelihood that the applicant can and will complete the research, and the faculty member’s record of scholarship.

The committee will not fund proposals that have the following characteristics: Would lead to total faculty grant awards in excess of $20,000 during a six-year period, (see section 3 of grant application) except if this would exclude a faculty member from funding during the sabbatical year. Requests will always be considered for the sabbatical year. However, faculty returning from sabbatical will be considered in light of the $20,000 over six-year limitation. Post-tenure faculty, that have reached the funding limit are required to wait until they drop below the $20,000 limit.

Lack clearly stated goals and methodology.
Lack a clear, detailed budget and rationale for all requested funds.
Lack website documentation for airfares, car rental, and other costs.
Proposal that contain typos, inaccurate information and are poorly written.

The committee will not review proposals:
Submitted after the application deadline.
With missing information, e.g., no vita, no budget.
Without IRB or IACUC approval.
From faculty members who have not submitted a Final Report for previous grant awards or Mid-Year Progress Report for projects in progress.
From faculty members who have not submitted the “FSAR” for the previous year by the deadline established by the Dean.
Projects, which do not fall within the upcoming budget year, June 1st - May 31st. Exceptions with justification will be considered for projects, which begin after the completion of the spring semester, but please note expenses cannot be reimbursed until after June 1st.
Proposals, which are eligible for Rollins Internationalization Grants.

All proposals deemed acceptable by the committee will be at least partially funded. If there is insufficient money to support fully all acceptable proposals, it will not necessarily be the case that each applicant will receive an equal percentage of the funds requested. Some proposals, for example, may receive 100 percent of what is requested, some at 75 percent and some at 50 percent. In order to successfully allocate partial funding, the committee must have a complete picture of the total expected budget. Please give a detailed accounting of allowed expenditures, even if this projected total exceeds the funding maximum. If full funding of all acceptable proposals is financially impossible,
those meeting the following criteria will likely receive a higher percentage of requested funds.
Proposals submitted by untenured, tenure-track faculty.
Proposals submitted by faculty who will be on leave during the period of the grant.
Proposals by faculty members who have not received more than one Critchfield, Ashforth, Individual, Course, or Cornell Research Grant within the past three years.
Proposals for new projects not previously funded.
Proposals for which the applicant also is seeking external grants or funding.
Proposals that require full or a high level of funding.
Proposals with exceptional merit.
Proposals that demonstrate successful outcomes from previous funding.

II. PERMITTED EXPENDITURES
Expenditures must be justified in terms of their relationship to the project. The budget parameters for current college rates for travel and the current minimum wage are available from the Finance Department. Applicants should consult the U.S. Department of State webpage for international per diem rates.
Grants may be funded for a maximum of $5000, if the budget and number of proposals permits. The average award, however, has been approximately $2000. An individual may submit more than one proposal, but the total grant dollars awarded to a single faculty member will not exceed $5000 in a funding cycle. Permitted expenditures include:
Funding for equipment or permanent items not available through operating funds. The equipment or items will revert to the College when the project is completed.
Travel (automobile travel will be funded at the current indexed rate per mile). Costs associated with publication process.
Further traditional research activities, including per diem for a maximum of 30 days, if funds are available. Per diem covers costs of housing and meals. For international travel check the State Department website for the correct per diem. Submit all travel-related receipts.

III. EXCLUDED EXPENDITURES
Faculty stipends
Funding for conferences and meetings that are normally eligible for faculty travel grants.
Per Diem expenses for longer than 30 days.
Funding for which Internationalization Committee grants are available.
Support for travel or research expenses that are not clearly justified.
IV. RECOMMENDED REVIEW PROCESS BY PSC
PSC will work with the Dean’s office to remove all identifying information on each proposal to ensure a blind peer review process. Once this has been completed, PSC will review the proposals based on the criteria outlined in the grant application form and will provide the Dean’s office with recommendations for funding.

Bylaws of Rollins College

ARTICLE I
A. TRUSTEES
Section 1. Number. The Board of Trustees shall consist of not less than nineteen (19) and not more than thirty-five (35) members, which shall always include the President of the College. The Board shall determine, from time to time, the number to actually serve, by an affirmative vote of three-quarters (3/4) of the members present.
Section 2. Alumni Nominations. A graduate of Rollins College may be nominated each year by the Alumni Association for election as a trustee for a term of three (3) years. If such nominee is satisfactory to the Board, the nominee shall be elected a trustee; but the Board may call upon the Alumni Association for additional nominations until a nomination satisfactory to the Board is made. From time to time, at the sole discretion of the board, an Alumni Trustee may be invited to stand for election to the board at the conclusion of his or her term, according to the terms defined in Article I. A. Section 4. (d).

Section 3. Election. The Board of Trustees shall elect their own successors and fill any vacancies. Voting in such cases shall be by written ballot at a regular or special meeting. An affirmative vote of three-quarters (¾) of the trustees present at such meeting shall be necessary for election.

Section 4. Term of Office.
   a. The President shall serve so long as he or she holds the office of President.
   b. A Trustee elected to fill a vacancy where an unexpired term exists shall serve for the balance of such unexpired term.
   c. A Trustee elected by virtue of his or her status as a parent of a Rollins College student shall serve for a term of one (1) year.
   d. All other Trustees shall serve for three (3) years or until their successors shall be duly elected and qualified.
   e. Each Trustee's term of office shall commence upon the adjournment of the meeting at which the election takes place and shall end upon the adjournment of the meeting at which the completion of the Trustee's term takes place.

Section 5. Removal of Trustees. Any trustee may be removed by a majority vote of the entire Board of Trustees, voting by written ballot, at a regular or special meeting.

Section 6. Meetings.
   a. There shall be three (3) regular meetings of the Board of Trustees each year to be held at the College. The Winter Meeting shall be held on the Friday nearest Washington’s Birthday (February 22). The Annual Meeting shall be held on the Friday preceding the College Commencement. stating the time, place, and purpose or purposes of the meeting. Special meetings shall only be called: (a) by written request of the President, (b) by written request of the Chairman of the Board, (c) by written request of the Executive Committee, or (d) by written request of any five (5) trustees. Every such request shall be addressed and delivered to the Secretary, and shall state the time, place, and purpose or purposes of the requested meeting.

c. Emergency meetings of the Board may be called and held at any time within or outside the State of Florida upon a written determination by the Chairman of the Board that an emergency meeting is necessary, which determination may be requested in writing by the President or the Executive Committee. Every such request shall be addressed and delivered to the Secretary, and shall state the nature of the emergency, and the time, place, and purpose or purposes of the requested meeting. The Chairman of the Board may schedule an emergency meeting on as much notice as he or she deems practical under the circumstances, and shall declare the nature of the emergency at the time the meeting is scheduled. For purposes of this subsection, “emergency” shall include only such issues as require discussion and Board action in fewer than twenty (20) days so that a special meeting cannot be noticed in time to address said issues. Notice of an emergency meeting to each Trustee shall be provided by the Secretary by electronic mail at an electronic mail address provided by the Trustee for purposes of receiving notices, by facsimile, or by text message to the Trustee.

d. Any meeting may be adjourned to any place within or outside the State of Florida.

The College attorney shall, at the expense of the College, conduct the defense of any legal, equitable, or other action, suit, or proceeding brought against a trustee, either individually or as trustee, because or as a result of any action taken by the Board of Trustees, unless the action, suit, or proceeding be brought by the College. All costs and expenses of the trustee in connection with any such action, suit, or proceeding not brought by the College, including but not limited to expenses in the course of attending trials, conferences, depositions, hearings, and meetings, shall be paid by the College, and in the event of judgment being rendered against the trustee, the College shall indemnify and save him harmless. When any legal, equitable, or other action, suit, or
proceeding brought by the College against a trustee, either individually or as trustee, shall result in a judgment, decree, or decision against the College or in favor of the trustee, the College shall be liable to and shall reimburse the trustee for all costs, attorney’s fees, and other expenses in connection with the defense of such action, suit, or proceeding, including but not limited to expenses in the course of attending trials, conferences, depositions, hearings, and meetings.

Section 10. Trustees’ Expenses. The trustees shall be reimbursed by the College for traveling expenses incurred by them in attending meetings of the Board of Trustees and of the Executive Committee.

Section 11. Absences from Meetings. Failure of a trustee to attend two successive regular meetings of the Board, without giving satisfactory reasons to the Board of Trustees for the successive absences, shall be considered as neglect on his part to perform his duties as trustee, and his office shall be deemed vacant, unless he is reinstated at the meeting at which the second absence occurs by a majority vote of the Board of those present.
