Legislation 1819.20
Senator Standards
SPONSOR: Hali Reedy, Sydney Brown
DATE: April 10th, 2019

Whereas: SGA senators currently, are required to complete two constituent outreaches as well as one legislation per semester in order to remain in good standing with Rollins SGA.

Whereas: Starting in Fall 2019, Rollins College SGA should amend these requirements in order to represent the Rollins SGA better on and off campus, as well as help the executive board with said events in a more productive manner.

Whereas: Starting in Fall 2019 SGA senators, should be required to complete 5 hours of logged SGA service for events sponsored by SGA, in addition to their one piece of legislation each semester.

Whereas: SGA members will additionally be required to represent the organization by attending one non-SGA event, in order to become better engaged both on and off campus while fostering greater networking opportunities with diverse groups and organizations (SGA Advisors and/or President must approve these events; Examples given: off-campus conferences, Fox Fund-funded events, events held by other student organization or campus offices, etc.)

Whereas: These hours will be logged in both a physical logbook and also in Excel (overseen by Chief Justice) in order to hold senators accountable, while still relying on the Honor Code. These hours will be formally logged and used as a reference when analyzing the semesterly standings of members in Rollins SGA. In addition, the logbook will contain specific tasks that inform senators what needs to be completed during the event and will have areas for senators to sign in, sign out, write how many hours they completed, etc.

Whereas: This new system will allow senators to come and go as they please while attending these events on and off campus, while fostering more learning and networking opportunities aligning with the 2019-2020 President and Vice President's platform

Be it Hereby Resolved, The Student Government Association of Rollins College will:

- (1) Amend the current SGA constitution for senator requirements and good standing from two constituent outreaches per semester and one legislation to:
 - (1) 5 hours of service for SGA events
 - (2) Attending and facilitating one on or off campus non-SGA event, with approval from SGA Advisors and/or President

- (3) Completing one legislation per semester, in order to allow greater SGA participation and representation.
