Legislation 1920.01

Constitutional Amendment: Implementation of Additional Organizational Senator Positions

Sponsor: Diana Lam

Date: October 9th, 2019

Whereas: Rollins College and the Rollins College Student Government Association should support all student led efforts to promote more inclusion and diversity within its Senate, specifically by updating and enhancing its Organizational Senator positions.

Whereas: The Rollins College Student Government Association currently has 10 Organizational Senator positions available per academic year, which includes: CLCE, Wellness, Accessibility, FSL, RLE, LGBTQ+ Advocacy, Student Media, International Affairs, Student Athlete Advisory, and CLP.

Whereas: The Rollins College Student Government Association should recognize the need of incorporating additional Organizational Senator positions that represent offices/departments that are currently not represented within Senate, which are key to the college's and students' day-to-day functions. This would also alleviate the rise in student interest in joining the Rollins College Student Government Association this year, and for future years to come.

Whereas: These additional positions will abide by the SGA Constitution, as well as follow the same election procedures, all expectations of Good Standing in SGA, and duties for their respective positions, just as any other SGA Senator.

Whereas: This legislation would change the number of Organizational Senator positions in the Constitution from ten to fifteen.

Be it Hereby Resolved, The Student Government Association of Rollins College will:

- (1) Introduce the SGA Organizational Senator position of the Institutional Advancement Senator, whom will report to the Office of Institutional Advancement.
