

# OGLING

Pair of goggles      on a limp shirt      circum-  
    stance  
    of site   gone under      circa 2008  
 your stance: agog  
    for site of some      thing  
    under      way      without me  
 You, my circum      chance of  
 a      life      time      unseen      pair  
    past      gone  
    goggling  
 what was      under  
    way      what  
 s'way      back      in time      now  
    dogged      summer      screen  
 or      block      you      hid  
 what      happened  
    after      that simply      bogged  
    and      down  
    me
