Legislation Number (2021.XX)

Scuba Support Act

SPONSORS: Jack Kelly, Kayla Poholek, Evan Link, Sydney Boswell

DATE: October, 20, 2021

Whereas: The Rollins College Scuba course has taught over 2000 students to dive since 1994, allowing them to get PADI certified and gain lifelong skills.

Whereas: The Scuba course was allowed access to the Alford Pool prior to the waiving of the required PE Activity Courses due to COVID-19.

Whereas: Now as a club sport, Scuba has been restricted from using the Alford Pool and will be forced to find an off-campus facility for diving practice, which will reduce the number of students who can participate while also increasing the costs of the program.

Be it Hereby Resolved, The Student Government Association of Rollins College will:

- (1) Compel the Rollins Scuba Instructor, Rollins Swim Coach, and any other relevant members of the Rollins College administration to engage in a discussion regarding access to the Alford Pool for the Scuba club sport team.
 - a. This discussion will also have the legislation authors present as representatives of the SGA.
 - b. During this discussion, all parties will work to look at the current booked times for the Alford Pool as well as the needs of both the Rollins Swim team as well as the Rollins Scuba club team.
- (2) Formally support the Scuba team in getting access to the Alford Pool, insofar as it does not substantially restrict the ability for the Rollins Swim team to successfully practice in accordance with NCAA standards.
