Subject: Minutes of the Meeting of the College Faculty

The College Faculty met on Thursday, March 13, 1986 in the Crummer Auditorium. The meeting was called to order at 3:37 p.m. by Professor Newman. The reading of the minutes of the previous faculty meeting were suspended and they were approved as distributed.

I. Administrative Reports

Dean Watkins thanked the faculty for the support provided to students bereaved by the loss of student Nancy Parker. She also informed the faculty that the editor of the Sandspur has been expelled because of financial irregularities associated with his editorship.

Associate Dean Pat Lancaster reported that Winter term course proposal forms would soon be distributed to department secretaries.

Professor Newman reported that CAB has determined that the Search Committee for a Dean of the Faculty can pursue alternative plans, in conjunction with the Steering Committee, if it does not appear that the search can produce a candidate this year. Professor Lairson asked why the Search Committee has not convened. Prof. Newman replied that a meeting would be called soon.

II. Old Business

1. Steve Neilson explained the 1988-89 calendar. A motion was made and seconded to adopt the 1988-89 academic calendar. The calendar was adopted by the Faculty.

2. Steve Neilson proposed the following resolution:

In the Division of Continuing Education the major in Communication Arts and the minors in Speech and in the Theatre be deleted in their entirety and be replaced with a major in Organizational Communications, with the three specializations attached.

The motion was carried without dissent.

3. Steve Neilson moved the following resolution:

The minor in Speech be replaced with a Minor in Organizational Communications and that course designations be changed from SP to CM.

The motion carried unanimously.

4. Steve Neilson proposed the following resolution:

The name of the Department of Theater, Dance, and Speech be changed to the Department of Theater, Dance and Communication.

The motion carried unanimously.

5. Steve Neilson proposed the following resolution:

In the Division of Continuing Education, the General Education Requirement "Scientific Perspective (P)" be modified by deleting the line: "Courses meeting this requirement are courses in Science, the philosophy of Science, or the history of Science." and replacing it with the following: "Courses meeting this requirement offer instruction in the scientific method and must include laboratory experience."

After some discussion, the motion passed unanimously.

Professor Newman suggested that colleagues might want to stay after the meeting to talk with the five members of the Search Committee present. He also promised to inquire about problems in getting announcements of faculty meetings distributed.

There being no further business, the meeting adjourned at 4:25 p.m. The minutes of this meeting were transcribed from notes taken by Rick Foglesong. Prof. Foglesong's efforts are much appreciated.

Subject: Cancellation of scheduled faculty meeting

The faculty meeting originally scheduled for March 27, 1986 has been cancelled. A faculty meeting has already been held in March and there is not enough business to warrant an additional meeting this month. The Steering Committee has reviewed the recent CAB resolution on alternatives if the Dean of the Faculty search is fruitless in this academic year and has considered several options.
