An act to provide hand sanitizer dispensers in the lobbies or by the elevators in on-campus dorms

Whereas hand sanitizer dispensers are supplied in the Cornell Campus Center, Dave's Boathouse, and other highly trafficked areas, but are not supplied in every on-campus dorm, where students constantly touch door handles and elevator buttons.

Whereas during the week of January 28th, 138 Rollins students were in isolation/quarantine, and the Omicron surge has brought the total positivity rate at Rollins for COVID-19 up to 14.8 percent(The Sandspur).

Whereas if water and soap are not readily available, the CDC recommends "using an alcohol-based hand sanitizer" to help prevent the spread of COVID-19.

Be it hereby resolved, the Student Government Association of Rollins College will

- 1) Urge the school to permanently station hand sanitizer dispensers in the lobbies(or outside the elevators) of on-campus dorms.
