APRIL REUNION PLANS COMPLETED

The world premiere of "A Sea Shell" written by Rollins Alumnus, Jess Gregg, '41, will be presented at the Annie Russell Theatre during the week of this year's Alumni Reunion. The entire theatre has been reserved for returning Alumni for the performance Friday night April 25 following the all Alumni Picnic on Lake Virginia.

The play, according to advanced announcements, will star Peggy Wood and is being produced by Griffith and Prince who produced the Broadway hits, "Pajama Game" and "West Side Story", and will go from Rollins to New York.

Three days full of interesting events await returning Alumni and the anniversary classes, those with numerals ending in 3 and 8, will be guests of honor of the College. Alumni of all classes are invited and urged to return to the Campus for the event.

Individual class reunions for the Anniversary Classes have been scheduled for Saturday night, April 26, immediately following the All Alumni Dinner at the Langford Hotel. Reservations for the dinner should be sent directly to the Hotel, addressed to Mrs. Clara Johnson. Reservations to the picnic and play should be sent to Alumni

Houses. Blanks for both will be found on page three of this issue of the Record.

Husbands and wives of Alumni are cordially invited to take part in the celebration of the granting of a charter to Rollins College by the State of Florida on April 28, 1885.

The reunion last year was a great success and indications point to an even better one this year.

The Reunion Committee urges all who can come back to the Campus to make their reservations as early as possible.
