# THE Rollins ALUMNI RECORD

July 1954

## "Operation Songlift"

Above, 22 members of the Rollins Glee Club leaving on December 12 for Westover Air Force Base in Massachusetts to be flown by military transport to Bermuda and Iceland to entertain our servicemen stationed in these outposts during the Christmas holidays. Miss Sally Monsour, (inset), of the Conservatory Faculty, led them in singing numbers ranging from the Victor Herbert favorites to Bach. Within the next 2 weeks these talented troupers averaged 2 performances a day, inviting their audiences to join them in singing the familiar Christmas carols at the close of every program. Professor Wm. R. Shelton Jr., director of Public Relations for the College, and his wife doubled as chaperones and press representatives on this expedition to bring holiday cheer to thousands of American men away from home

## Alumni Reorganize To Gain Legal Status

Early in 1953 the Rollins Alumni Association will launch the most important advancement toward its objectives since it was founded in 1898. The initial action, soon to be accomplished according to Florida law, is the procurement of a charter to operate as a non-profit corporation in behalf of Rollins College. Rollins Alumni Incorporated can then legally own property, administer the financial affairs of the corporation, and generally increase its services and value to the College.

For the majority of its 55 years of existence, the Rollins Alumni Association has been underwritten and operated as a department of the College. This was necessary and appropriate in the infancy of the Association. But increasingly, in recent years, the membership has felt that the Association should assume the responsibilities and prerogatives of a legally independent entity.

At the last annual business meeting of the Rollins Alumni Association in February the perennial objections to incomplete financial reports, necessitated at that time of the year by the College's fiscal year not ending until June 30, were raised. Irving M. Felder '40 urged that Rollins Alumni incorporate to gain legal status and then establish independent financial accounts to coincide with the calendar year. The enthusiastic reception of this suggestion by the large number of Alumni present was virtually a mandate to act upon this plan.

The Rollins Alumni Executive Committee began by inquiring into the experience of incorporated alumni organizations at other colleges through the American Alumni Council. Charged with the responsibility in matters of policy for the Association between annual meetings, this Committee went on record last April 29 as endorsing incorporation.

Early this fall Alumni President Rebecca Coleman Wilson approached the Administrative Officers of Rollins College in the matter and reported their wholehearted agreement in the soundness of the plan. President Hugh F. McKean has since officially confirmed in writing the assurance that all future calls upon former Students to support the College will be properly channelled through the new Rollins Alumni corporation.

The Alumni Executive Committee then invited a panel of former Rollins Students, who are business and civic leaders in Orlando and Winter Park, to serve as a Development Committee. Each member of the nationally representative Rollins Alumni Council was asked to contribute their ideas on

## President McKean Commends Alumni Aims

We in the Administration are watching with particular interest the formation of plans to strengthen the Alumni organization. It is

*President McKean*

heartening to see signs of growing interest in the welfare of the College in any of the groups of which the College is composed. It is especially good to see such signs in the Alumni. Their support is essential if Rollins College is to maintain its position as a leader among the small independent American Colleges. We wish you all success in your plans.

I would like to add a personal word, speaking as an Alumnus. I am proud of the Alumni, of the way they have supported the College in the past and of their determination to work for the College in the future. I am also proud of the leadership we have in our organization, a leadership which deserves the active support of all

of us. This is an opportunity, let us make the most of it.

*Hugh F. McKean*

how best to enlist the concerted annual support of every potential member of this new Alumni corporation. As a result a definite plan has been evolved to stabilize and expand the annual financing of Rollins Alumni activities, services and publications within a minimum time and undertake other worthwhile projects for the College such as the restoration of intercollegiate football, scholarships for Alumni children and the establishment of a professorial chair.

A completely developed financial plan, basic to the success of Rollins Alumni Incorporated, is now in preparation and will be sent to everyone on the mailing list of THE ROLLINS ALUMNI RECORD.

Until an election can be held, the following members are serving as a temporary board of directors for Rollins Alumni Incorporated: Rebecca Coleman Wilson (Mrs. O. C.), president; Bernard A. Bralove, 1st vice president; J. Sands Showalter, 2nd vice president; Aurora McKay, secretary; Raymond O. Holton Jr., treasurer; Benjamin Aycrigg; Irving M. Felder; Joseph D. Johnson; Wm. G. MacGuire; Hugh F. McKean; Gwen Bartholomew Patterson (Mrs. Terry B.); Elfreda Winant Ramsey (Mrs. Russell W.); H. Gordon Robins; Anne C. Stone; Audrey Waterman Tyler (Mrs. Earl Q.); and Frank L. Williamson.

*Airmen Second Class John M. Voight and Arthur Ferenzy, above, prepare for their Rollins evening classes at Patrick Air Force Base. Members of the Faculty travel a distance of 140 miles from Winter Park, twice a week, to teach these full college-credit courses.*

## Enrollment Above Par With AFB Students

Rollins College opened its 68th academic year with a normal complement of 567 regularly enrolled Students, augmented by 273 registrants in courses conducted by the Faculty at nearby Patrick, Pinecastle and Orlando Air Force bases.

This is the second year that Rollins College has cooperated with the American Air Force educational program, which now enables servicemen to continue their interrupted college studies while on active duty. When they arrive within six months of the requirements for a degree, airmen become eligible for orders to attend and graduate from the college of their choice. Full college credit is given for the courses Rollins is conducting winter and summer at the nearby air bases. And registration for these classes is open to civilian as well as military personnel at the bases.

On campus, thirty-three States and nine foreign countries are represented in the current Student Body. The number from Florida continues to lead, followed, in this order, by those from New York, Ohio, Pennsylvania, Indiana, New Jersey, Michigan, Missouri, Connecticut, the District of Columbia, Illinois, Massachusetts, Wisconsin, Tennessee, and South Carolina.

The 240 new Students this year outnumber those entering Rollins College the previous fall.

## Tar Hoopsters Hitting Target

by JIM JACKSON

Points, youth and optimism marked the first five games of the 1952-53 season for the Rollins College basketball team.

Coach Joe Justice's charges, with sophomores and freshmen grabbing all spots in the starting lineup, averaged 79.6 points per game while compiling a 3-2 record before the holidays.

Freshman Nick Vancho, a 5'8" hawk-eye from Bridgeport, Connecticut, was the big gun with 116 points and a 23.2 average that ranked him eighth in the nation.

Soph Bob McHardy, with a 19.2 average, wasn't far behind, as the Tars whaled Tampa 79-71, Florida Southern 75-72, and Sewanee 92-78. Losses were to Stetson 82-68 and a heartbreaker to FSU 90-84.

There was a "wait till next year" billing on the Tar squad, but not out of desperation. Rollins fans could well expect at least an even break in the 15 remaining games. The squad lacks height, with a 6-2 average, yet points by sophs Connie Mack Butler (65), Jim Bocook (28), and Bill Cost (26), by junior Don Weber (22), and by frosh Stewart Turley and Dick Gordon spell compound trouble for future opposition.

## College Adds More New Faculty

This fall Rollins welcomed fourteen new members of the College's teaching staff to the campus. Most of them arrived early to solve housing problems in Winter Park.

Dean Walker

President Hugh F. McKean announced the appointment of seven new members of the Faculty last spring. As reported in the last June issue of THE ROLLINS ALUMNI RECORD, Dr. Edwin R. Walker, new Dean of the College, headed the list. Additions to the Faculty, this fall, include: Robert Hufstader, director of the choral department at the Juilliard School of Music in New York, who has been commuting monthly by plane to direct the Knowles Memorial Chapel Choir and Bach Festival Chorus; Peter Gram Swing, assistant director to Mr. Hufstader at Rollins, instructor in Music; Dr. Irvin Stock, assistant professor of English; Donald Reynolds, instructor in Business Administration; Mrs. Mary Cushman Taylor, Art

instructor; Miss Dean Kelly, instructor in English; and Dr. J. S. Robinson, professor of Economics. Dr. Robinson, a noted Economist, joins the Rollins Faculty this winter term.

## Alumni Contribute \$32,037.12 In 1952

Total gifts from Rollins Alumni to the College amounted to \$32,037.12 within the fiscal year ending June 30, 1952.

These complete figures were not yet available in September when the regular fall Financial Report to The Rollins Alumni Association on the previous fiscal year went to press and was sent to the entire membership. Only the \$3,882.50 contributed through and recorded in the Rollins Alumni Office could be included in that report. "Keep this issue of THE ROLLINS ALUMNI RECORD for ready reference" was therefore printed across each copy. This earlier accounting should now be reviewed, in the light of these final figures.

Between July 1, 1951, and June 30, 1952, Rollins Alumni contributed to the College as follows:

Diamond Jubilee Fund .....	\$21,868.67
Purpose to be determined .....	5,700.00
* College Endowment Fund .....	3,686.50
General College Fund .....	400.00
* Alumni Fund .....	196.00
Hamilton Holt, Willard Wattles and Helen Bailey Memorial Funds .....	56.00
Casa Iberia .....	50.00
Plants for Mills Memorial Library .....	40.00
Junior Choir Robes .....	26.95
Jennie Bowers Endowment Fund .....	13.00

\* *Reported in September*

The Administration has joined in urging every former student to co-operate by making their contributions to the College through Rollins Alumni Inc. hereafter. The designated purpose of each gift will continue to be faithfully carried out, but clearing all gifts through the Alumni Office will expedite the crediting of Alumni contributions to Rollins College individually and collectively.

## Rollins Inaugurates Own FM Radio Station

On December 10, daily broadcasts from the Rollins campus were initiated over WPRK, the College's new non-commercial 10-watt frequency modulation radio station. Operating on an assigned frequency of 81.1 megacycles, educational programs are now being broadcast from 7 P. M. until 10:45 P. M. regularly.

A congratulatory address by President-Elect Dwight D. Eisenhower, especially recorded for the occasion, highlighted the dedication ceremonies. In anticipation, 100 representatives of the College, Winter Park and Orlando civic clubs, press and radio were invited to a dinner immediately preceding the first broadcast, which originated in the Rollins Student Center.

Station Manager Phil Gaines officiated, introducing special guests to listeners within the 10-mile radius of the broadcasts. Rev. Theodore S. Darrah, dean of Knowles Memorial Chapel, gave the invocation followed with selections by the Chapel Choir.

President Hugh F. McKean expressed the College's appreciation to the Davella Mills Foundation for the monumental gift of Mills Memorial Library with the station studios on the first level. He then thanked the anonymous donor of the funds to establish an educational, non-commercial radio station for this area. Rollins, President McKean declared, would work through WPRK to raise spiritual and intellectual levels in the community.

## Cincinnati Alumni Form New Rollins Club

by KEN FENDERSON '50

Cincinnati, Ohio, is now the home of another active Rollins Alumni group.

On Friday, August 22, 1952, twenty-two people met for dinner at Cincinnati's Hotel Alms to renew old acquaintances and memories. The group, representing past, present, and future students, wound up the evening by electing Ann Lewis Turley '51, chairman, and Frances (Maring, '49) Gilmore and Barbara (Upham x53) Bennett, assistant chairmen. Though the meeting was originally intended as an informal get-together, conversation resulted in plans to assist in the recruiting of new students and to cooperate in the efforts of Rollins' newly organized Public Relations Department.

Present at the meeting were Dick '39 and Dot Camp, Mickey '42 and Frankie (Taylor x44) Harmon, Jim and Frances (Maring '49) Gilmore, Bob and Jane (Warren '45) Wade, Weyman x52 and Barbara (Upham x53) Bennett, Ann Lewis Turley '51, Ken Fenderson '50, Betsy Fletcher '52, Joyce Jungclas '48, Jeanne Pogue '48, Cathryn Hosea x53, Marilyn Hoffman '49, Marian Eberson x52, Joan Rollman Musekamp x52, Joyce Miller, Dan Pinger and Bill Attee.

The meeting was expressive of the Rollins spirit in every way. For example, when each person arrived, he was presented with a name tag framed in a tiny tennis racket. Even the center piece on the dinner table was remindful of the Rollins Tars. This was made from a sailor cap holding a beautiful bouquet of yellow flowers tied neatly with an unmistakably blue ribbon.

Standing, in the same order: Dick and Dot Camp, Mickey Harmon, Marilyn Hoffman, Joan Musekamp, Fran Gilmore, Cathryn Hosea, Frankie Harmon, Weyman and Barbara Bennett, Jeanne Pogue, Joyce Jungclas and Bill Attee.*

## Jim Jackson Joins Public Relations Staff

Just before the fall term ended, James W. Jackson Jr. was introduced at an all-College assembly as assistant director of Public Relations for Rollins.

*Jim Jackson, new assistant  
Public Relations director*

Recently released from active duty as assistant chief of education branch with Headquarters, Military Air Transport Service in Washington, D. C., Jackson holds the rank of captain in the Air Force Reserve. He served as a pilot during World War II.

Prior to his more recent tour of duty with the Air Force, the new publicitor was director of Public Relations for the College of William and Mary. He was formerly sports editor of the Columbia, S. C., RECORD and sports director for radio station WKIK.

A native of Tallahassee, Jackson attended schools in Columbia and was graduated from Davidson College in 1947. He is a member of Omicron Delta Kappa and the honorary literary fraternity, Sigma Upsilon; and served as president of Kappa Alpha, social fraternity, and the Y.M.C.A. at Davidson.

Mrs. Jackson is the former Blanche Gibbs of Orlando and they have two children, Lynne 2, and Jimmy 1.

*(Continued from Page 9)*

General Eisenhower began his stimulating message by remarking: "Before I became a college president, myself, I was familiar with Rollins College. It is not only the oldest institution of higher learning in Florida but, also, in the decade of its founding in 1885, Rollins College spread its influence beyond the boundaries of its native state." Hamilton Holt, he continued, made an educational institution a strong guardian of liberty and kept democracy on the move toward still higher plateaus. "This new FM station at Rollins College," he said in concluding, "can help to speed and advance the great ideas which keep men and women free. Whether the ideas come from the great music or other literature of the past, or from the debates and reflections of today, the people of our country who are listening in will be richer."

Ben Aycrigg '49, program director for WPRK, is interspersing live sportscasts, plays, forums and music with outstanding international programs supplied by the National Association of Educational Broadcasters. Training of student personnel started with the fall term and they are now handling regular assignments in operating the station. Townspeople, as well as the College, are participating in the programs.

George Cartwright Jr., chief engineer, erected the station tower on top of the Annie Russell Theatre and installed radio equipment for WPRK.

## Veteran Rollins Trustee H. W. Caldwell Dies

Halsted Woodrow Caldwell, member of the Rollins College Board of Trustees since 1924, succumbed at his residence in Winter Park on September 17, 1952, following a long illness. Elected secretary to the Board in 1946, he served continuously in that office until his recent death.

*Halsted Woodrow Caldwell*

Mr. Caldwell was prominent in civic, business, and religious, as well as educational circles in Central Florida, having resided in Winter Park for more than half of his 68 years. A former alderman and president of the Winter Park Chamber of Commerce, of which he was later executive secretary for many years, Mr. Caldwell was first identified in the community as an early real estate developer and in the banking business. He was active in the affairs of All Saints' Episcopal Church in Winter Park and in the Episcopal Diocese of South Florida.

Rollins College conferred the honorary doctor of humanities degree upon Mr. Caldwell in 1945. A native of Ohio, he received his degree in mining engineering in 1908 at Lehigh University, where he was a member of Psi

Upsilon fraternity. Upon graduating from that institution he pursued his career in Mexico, later returning to the United States to work in the iron and steel industries. Mr. Caldwell retired as a mining engineer in 1915 to accompany his father, whose health was failing, to Florida and eventually made his home here.

He is survived by his wife, Mrs. Margaret Sloan Caldwell; a daughter and son, Mrs. Hope Strong Jr. and H. W. Caldwell Jr., both of whom graduated from Rollins College in 1943; and three grandchildren.

*(Continued from Page 10)*

Over the table, conversation was nostalgically filled with questions and exchanges of information about Rollins, past and present. In this respect, the group was well represented. On hand was Dan Pinger, student and present editor of *The Sandspur*, and Dick Camp, who was editor back in 1938. Other 'Spur editors present were Ken Fenderson and Betsy Fletcher.

How this meeting was planned is possibly a hint on how other Rollins Alumni Clubs can be formed.

It's simple. In this case, Ann Lewis Turley merely wrote to Aurora McKay, Alumni Secretary, and asked for a list of Rollins Alumni living in this area. Then she got together with Fran Gilmore and Ken Fenderson, decided on a date and place to hold the meeting. After this, it was a matter of a few telephone calls and a little pre-planning to insure a reasonable amount of organization at the meeting.

## In Memoriam

Captain Ernie A. Walker, flying as co-pilot of a 58th Reconnaissance Squadron C-47, was lost with the four other members of the crew when their plane vanished over the interior of Alaska the second week in January, 1952. Hope for their survival continued, despite the unsuccessful search for the missing airmen during the winter months, until July 8 when an Air Rescue plane sighted their wreckage approximately 150 miles north of Fairbanks. Ernie first enrolled at Rollins College in 1941 but enlisted in the Army Air Force in April of 1943. He returned in January, 1946, after serving overseas as a B-29 pilot with the 314th Bomb Wing of the 20th Air Force in Guam during World War II. In 1948 he earned the B.M. degree at Rollins, then took his B.A. degree here the following year. Student conductor of the Knowles Memorial Chapel Choir these three years, he was much in demand as a tenor soloist, sang with the Men's Octet and Bach Choir. As an undergraduate he was also active in intramural sports, a member of the Student Council, the German and French clubs, and Lambda Chi Alpha Fraternity. On December 15, 1950, Ernie and Virginia Estes were married in Knowles Memorial Chapel shortly before his reassignment to active duty with the U. S. Air Force; and she rejoined him at Eielson Air Force Base in Alaska upon completing requirements for her B.A. degree from Rollins College that June. They were scheduled to return to the States, after his two years service there, when the fatal plane crash occurred. Virginia and Ernie's parents, Mr. and Mrs. E. F. Walker of Durham, North Carolina, survive him.

Mrs. Beatrice Bollinger Brooker passed away in Asheville, North Carolina, early this past summer. While attending Rollins College 1937-38 and again in 1950-51, she was on the Honor Roll and won two Allied Arts prizes. A native of Pittsburgh, Pennsylvania, Beatrice had also studied at the Art Institute there and later took Public School Art at the University of Florida in Gainesville.

Miss Susan T. Gladwin, member of the Rollins Faculty from 1916 until 1927, died on June 22, 1952. She attended the former Rollins Academy 1892-96 and Rollins College 1896-99, receiving the B.A. degree. After another year of postgraduate study at Rollins she taught in Florida schools for a year. Then, in 1901, she went to the Philippines to teach English for the next three years. For twelve years following her return to the United States, Miss Gladwin taught in the public schools of Florida, continuing her own studies during the summers at the University of Michigan, New York University and Columbia University. At Rollins she taught Natural Science, History and Spanish. When she retired she made her home in Hawthorne, Florida, where she continued to live and occasionally revisit the campus until May when she moved to Fort Pierce. For many years Miss Gladwin served as secretary for the Class of 1899, and she was a Life Member of the Rollins Alumni Association.

Dr. Joseph D. Ibbotson, upon whom Rollins College conferred the Litt.D. degree in 1944, passed away in Utica, New York, on June 30, 1952. He came to Rollins College in 1942 as Librarian, the position he held at Hamilton College for 25 years prior to his retirement there in 1936. Consulting Librarian at Rollins 1944-46, he was made Librarian Emeritus the following year. Dr. Ibbotson held the B.A., M.A., and Litt.D. degrees from Hamilton College, where he was a member of Chi Psi and Phi Beta Kappa, and was also a graduate of Union Theological Seminary. He spent a year in postgraduate study in Europe at the universities of Berlin and Halle and was an ordained Presbyterian minister. One of his early scholarly works was a translation of the Book of Amos in metres of the original. In 1922 he edited a "Documentary History of Hamilton College," and was a frequent contributor to BIBLICAL WORLD, NEW YORK HISTORY, and other magazines.

Milton J. Warner, honorary Trustee of Rollins College since 1936, died on July 9, 1952, at his home, Pine Orchard, in Branford, Connecticut. A former classmate of the late Dr. Hamilton Holt and Trustee of Yale University, Mr. Warner was a retired business executive and served for many years on the Board of Trustees of Rollins College. He spent his winters at Mountain Lake, Florida, took an active interest in Rollins College, and was frequently listed among the sponsors of the Bach Festival. He is survived by his wife.

Katherine E. Doyle, a resident of Winter Park for 40 years, died in a local hospital on August 1, 1952. Katherine attended the former Rollins Academy 1914-17, and took the business course at Rollins College for the next two years. For many years she was secretary and bookkeeper for the late Dr. B. A. Burks. She is survived by her sister, Mrs. John Harper, the former Eva L. Doyle who attended Rollins 1908-09, a niece and a nephew.

George W. Phillips, who attended the former Rollins Academy 1900-04, passed away on September 27, 1952. Well known as a rancher and cattleman in East Orange County, he made his home in Christmas, Florida. George is remembered for his athletic and musical abilities at Rollins. He leaves a wife, two sons and a daughter. He is also survived by a sister and his brothers, Thomas and Oliver, both of whom were contemporary students with George at Rollins.

Mrs. Hugh W. Gilchrist passed away at the age of 91 on November 17, 1952. The former Miss Madge Garritt, second music teacher at Rollins College, she joined the Faculty in 1887. In 1890, she resigned to marry but retained a lifelong interest in the progress of the College and often wrote to express her pleasure at seeing the names of her former associates and pupils in THE ROLLINS ALUMNI RECORD. Since 1937, when her husband died, Mrs. Gilchrist had made her home with their daughter, Mrs. Ira S. Allison of Corvallis, Oregon.

Carl A. Prange, who attended the former Rollins Academy 1913-16, died of a heart attack on November 22, 1952. An Orlando businessman and sportsman, Carl had been duck hunting near Titusville when his boat floundered. Before searchers could locate him, he suffered exposure in severe weather for more than 24 hours and was rushed to the Orange Memorial Hospital, but did not recover. Besides his wife, he is survived by three sons, Charles D., Frederick John, and Carl G. Prange, a daughter, Mrs. Ann Lois Randolph, and four grandchildren.
