THE ROLLINS ALUMNI RECORD

VOL. XXIX, No. 4

MARCH, 1952

Member of the American Alumni Council

The Rollins Alumni Record, March, 1952. Published Quarterly by Rollins College in October, January, April and July. Office of publication: Alumni House, Winter Park, Florida. Entered as second-class matter June 28, 1938, at the post office at Winter Park, Florida, under the Act of August 24, 1912.

1952 Founders' Week meeting of the Rollins Board of Trustees.

In the left foreground, with hand extended, is Chairman of the Board Winthrop Bancroft. Continuing, clockwise, are: Thomas Phillips Johnson; Robert W. Stephens; L. Corrin Strong; Arthur Schultz; Louis W. Ingram; Acting President Hugh F. McKean; Rebecca Coleman Wilson; Mrs. Frances Knowles Warren; and Halsted W. Caldwell. Other Trustees of the College present were: Jeannette Genius McKean, Miller Walton, H. George Carrison, and Howard W. Showalter Jr.

Trustees Settle \$100,000 Suit for \$50,000 Pay Sum of \$1 to Dispose of \$500,000 Suit

On March 7, 1952, a \$100,000 libel suit was filed against Rollins College for Paul A. Wagner, deposed president, by Mr. Funie Steed, then his attorney.

On March 17 editor of THE ROLLINS SANDSPUR, Betsy Fletcher, brought out an Extra edition announcing an out-of-court settlement for exactly half the amount sought. Mr. Steed and College Attorney George Johnson drew up, and their respective clients signed as part of the legal agreement, this final joint statement:

"The controversy which has heretofore existed between Dr. Wagner and Rollins College has been brought to an amicable end.

"It has been agreed by the parties that they will announce this compromise of their differences to the public in a joint statement and that neither of the parties will otherwise attempt to publicize or issue statements to the press with respect to the matters heretofore in controversy.

"This is thought by the contending parties to be to the best interest of Rollins College, in which everyone concerned maintains a sincere interest.

"The parties themselves have not of course arrived at any common point of view with respect to their differences. They have arrived at a point where they believe that a satisfactory adjustment can be made so that the controversy and litigation which is incident to it can be terminated.

Alumni Elect Leaders and Enjoy Reunion

Dr. Nelson Marshall, newly-elected Alumni Trustee and master of ceremonies at 1952 Alumni Luncheon

Rebecca Coleman Wilson '34 was elected president of the Rollins Alumni Association on Alumni Day during the 1952 Founders' Week celebration. Other officers chosen to serve are: Vice President Bernard A. Bralove '34 of Wash., D. C.; Treasurer Raymond O. Holton Jr. '48 and Executive Secretary Aurora McKay '30. The complete new Council, elected by mail ballot, appears on page 2 of this issue.

Dr. Nelson Marshall, nominated by popular vote to be the third Alumni representative on the College Board of Trustees, was elected by the Board and will serve the next 3-year term as a Rollins Trustee. H. George Carrison, and Howard W. Showalter Jr. are the others, who now form the trio elected to represent the Alumni on the Board.

Several hundred Rollins Alumni returned to campus for the Alumni Day activities this year. The pictures on the next page were taken at two of the highlights of the day.

Annual Conference Brings Economists to Campus

"The Economics of a Free Society" was the topic of the 17th Economic Conference at Rollins College February 7-8-9 in the Annie Russell Theatre. This annual event brings noted economists, business and labor leaders to the campus.

Participants this year included: Stacy May, assistant director for social sciences of the Rockefeller Foundation; Dr. Joseph H. Taggart, economist, now with the defense Production Administration; Clinton Golden, lecturer on labor problems, Harvard University; John M. Fox, president, Minute Maid Corporation; Stanley L. Phraner, economist with National Association of Manufacturers; Dr. William J. Hale, research director, Dow Chemical Company; Wesley F. Rennie, executive director, Committee for Economic Development; Clark L. Simpson, deputy controller, Mutual Security Agency; and Dr. Frank Surface, who has taught at leading U. S. universities and also served as director of sales research for Standard Oil of New Jersey.

Dr. William Melcher, director, again presided at the first of the 6 sessions which are open to the public by membership card or nominal single admission tickets.

Every branch of the Rollins Family was well represented when Alumni gathered from Chicago to New York and Miami at the University Club of Winter Park this year for the Annual Alumni Day luncheon. This sectional view was taken from across the table where the Trustees and speakers sat.

First to arrive at Dr. Hank Mowbray's annual Gay 90s Tea on Alumni Day during Founders' Week, seated left to right above, were: Mrs. John Neville, Mrs. B. M. Robinson (Marian Curtis), and Miss Hattie Hudson; and standing, in the same order, are Mrs. A. B. Whitman (Maud Neff), Miss Minnie Moremen, Mrs. Belle Abbott Roxby, Dr. Mowbray, Miss Stella Waterhouse, and Mrs. C. M. Mallett (Blanche Wilmott). Mrs. Phil Edwards graciously assisted Dr. Mowbray in extending the hospitality of his home this year.

The above recipients of honorary degrees with Acting President Hugh F. McKean in the Chapel Garden, immediately following the 1952 Founders' Day Convocation, are, left to right: Francis Henry Taylor, director of the Metropolitan Museum of Art; Kamil Abdul Rahim, Egyptian ambassador to the United States; Mary Pickford, all-time favorite cinemactress; José Figueres, former president of Costa Rica; President McKean of Rollins College; and Federal Civil Defense Administrator Millard F. Caldwell. U. S. Senator James H. Duff, upon whom Rollins also conferred an honorary degree this year, had to board a plane back to Washington before the conclusion of all of the formal ceremony.

Rollins College Celebrates 67th Year

With all traditional academic circumstance, Rollins College observed Founders' Week, February 18 to 25 in 1952.

Climaxing the week-long celebration this year were: getting out the Animated Magazine in spite of an unseasonal downpour, with the cooperation of the more than a dozen distinguished contributors and an estimated 3,000 subscribers; and an impressive Founders' Day Convocation the following morning, February 25. Rollins College conferred honorary degrees, for distinction in their fields, upon 6 eminent persons, 5 of whom are shown above with President McKean, the Algernon Sydney Sullivan Medallion upon Mrs. John Neville and finally, the Rollins Decoration of Honor *in absentia* upon Mr. Will M. Traer. The Animated Magazine was dedicated to the late Dr. Hamilton Holt this year.

CBS Broadcasts Rollins Bach Choir Coast-to-Coast

The Columbia Broadcasting System carried selections from the Bach Festival in Knowles Memorial Chapel to music lovers across the continent from 11:15 P.M. to 12:00 midnight (EST) on Thursday, March 6. This year marks the 17th annual Bach Festival at Rollins and the third successive time that a national radio network has broadcast excerpts from these moving performances as a sustaining program. Under the baton of Professor Harvey L. Woodruff, the 100-voice Choir sang Cantata No. 180, the Magnificat, and the Passion According to St. Matthew on March 6, 7 and 8. Jane Hood '50 was the 1952 organist. The Rollins Conservatory of Music is interested in hearing about the reception in other places from those who tuned in on the broadcast. Ever popular in Winter Park, the whole performance was enthusiastically received locally.

TRUSTEES SETTLE SUITS AMICABLY

(Continued from page 3)

"There are still honest differences of opinion with respect to the matters in dispute. In view of the many unfortunate implications and inferences which were drawn from the actions of the two parties, it was almost inevitable that strong feelings would be aroused and strong opinions held on both sides.

"It is, however, the opinion of everyone that both sides were honestly endeavoring to work for what they considered to be the best interests of the institution.

"The college has paid to Dr. Wagner \$50,000 in settlement of his suit against Rollins College. This settlement is made by the college and concurred in by Dr. Wagner in the honest belief that thereby the best interests of Rollins College will be served.

It is also intended thereby to indicate that both sides have made considerable concessions from what they maintain to be their rights in the matter, but in the spirit of compromise and with a view toward a common objective of the general good of the community and of the institution, these concessions are made with wholeheartedness and accord."

On March 17, immediately after signing the above document, Wagner released a 4-page statement of his views in the matter to newspapers in Florida, Chicago and New York City.

The press promptly contacted Hugh F. McKean, acting president of Rollins College since last May 13, for comment. But President McKean reaffirmed: "At 1:45 today Rollins College and the dismissed president released a statement, signed by both of them, in which it was declared that the controversy which had heretofore existed between them had been brought to an amicable end. The statement also included the following: 'Neither of the parties will otherwise attempt to publicize or issue statements to the press with respect to the matters heretofore in controversy.' For my part I will keep the agreement."

On March 18 Wagner left Winter Park to return to Chicago, where his appointment was announced next day, as executive director of the Film Council of America.

On March 19 it was also announced that Wagner had dropped his \$500,000 suit, filed last spring against the 11 Rollins Trustees who had voted for his removal from office. The total cash consideration paid by the Trustees in this case was \$1. Being dismissed "with prejudice," further litigation on the same grounds is prohibited under law.

Part of the colorful dedication ceremony in front of the new \$525,000 Mills Memorial Library, which was held December 1, 1951. This valuable addition to the campus is in the center of the inner curve of The Horseshoe. Dr. Robert M. Lester, secretary of the Carnegie Corporation, delivered the main address in Knowles Memorial Chapel, preceding the above service, in which Dr. Paul H. Hudson, as president and spokesman of the Davella Mills Foundation, formally presented the completed structure to Chairman of the Board Winthrop Bancroft, for the College. Dr. A. J. Hanna, acting first vice president of Rollins, presided and Rollins Librarian Paul Kruse accepted the keys to the building. Dr. William H. Taft III, son of the U. S. Senator and grandson of the late President of the United States spoke at the luncheon immediately following this event.

College Acquires More Lakefront Property

On January 13 Rollins College completed the purchase of additional lakefront property adjoining the campus, through funds given specifically for this purpose.

The desirable location, which is now in grove, has 250 feet of frontage on Chase Avenue immediately in back of the Annie Russell Theatre. The property extends from the Kappa Alpha fraternity house on the south to a point beyond the entrance to Fairbanks Avenue on the north and from the street down to Lake Virginia.

The College officials hope this will be the site of a Conservatory of Music building with an auditorium facing Chase Avenue.

The land was bought from Mr. and Mrs. John D. Hubbard, Dr. and Mrs. Christopher O. Honaas, and Mr. and Mrs. Arthur W. Lonval.

Student Fiesta Increases Scholarship Fund

by LINDA MCILVAIN '55

The Rollins Fiesta got off to a flying start January 25. At 2:30 that afternoon a police escort and a sword-brandishing Rollins rebel, who dodged between cars and charged upon awe-struck onlookers, ushered the parade through Winter Park and Orlando. Convertibles draped with Queens and Best Beaux lumbered through the streets. Kappa Alpha's float, a prize winning replica of a Mississippi River gambling boat, was equipped with a paddlewheel, a pair of dilapidated smoke stacks, gambling tables, and a well-supplied bar. The swaggering K. A.'s abducted Professor Nina Dean who was then incorporated into the K. A. float. It was an exciting and colorful spectacle to see the beautiful queens in Mexican skirts and peasant blouses, accompanied by dashing beaux attired in colorful outfits.

Friday evening a dance was held in the Center, the highlight of which was the announcing of Queen and Best Beaux. Amid the cheers of Students and Faculty, Ellie Smith, a Gamma Phi Beta, received the crown and a kiss from President McKean. Dave Berto, Delta Chi, was selected Best Beaux. Thus the first Fiesta Day closed.

At 10:00 Saturday morning the opening of the booths was marked by a general migration of students from the campus to the Sandspur Bowl. The sharp morning air was permeated by odors of savory french fries and

1951-53 Rollins Catalogue Now Available

The catalogue number of the Rollins Bulletin, the regular College announcement of its courses, personnel, educational aims and programs, has been published and is now available through the Public Relations Office to those interested in securing facts about Rollins and its curriculum.

The 139-page catalogue contains a full explanation of the Rollins Conference Plan of Education, describes College policies, lists academic requirements, and gives information about the surrounding Central Florida community.

A comparison of the current catalogue with the last previous number published in April, 1950, reveals that the College has established 56 new courses, including such important ones as Orientation for the Armed Services; A Free Society; and Everyday Finance for Women.

The College's new program of Courses for the Community, in which more than 20 classes are now being attended by residents of Central Florida, is described in the catalogue, as is the College's program of military resident courses being offered to service men at Patrick Air Force Base, Cocoa, and the Sanford Naval Air Station.

An additional instructional staff of more than 25 members is listed as assisting in the community course program or serving as consultants for the military course program. The comparison reveals that only four full-time members of the College's teaching faculty listed in the April, 1950, catalogue are no longer with Rollins College, while six full-time teaching faculty members have been added. Three professors listed in the 1950 catalogue have attained emeriti ranks.

Basketball Bounces Back

by BOB BUFFINGTON '54

Although its season record doesn't show it, Rollins' 1951-52 basketball edition turned out to be the best in the College's history.

Playing a tougher schedule than last year, the Tars recorded several noteworthy triumphs, topped by a 78-63 decision over State Champion Miami, and set two school scoring records, the highest season average (71.4 points per game), and the most points in one game, 104 against Green Cove Navy. A trio of 2-point losses and two 3-pointers dragged their record down, for they had an 8.4 average point spread on their opponents.

Further evidence of the improvement of Coach Joe Justice's cagers was the spectator interest. Rollins played its home games in the new Winter Park gym, and had outgrown it by the sixth game when an overflow crowd of 1,300 attended the Tampa contest and many others were turned away. Another standing-room-only turnout saw the second clash with arch-rival Stetson.

Rollins boasted one of the nation's top small college stars in Frank Barker, 6'4" Senior center from Jacksonville. He averaged 23.1 points a game, which was fourth in the country, had a field goal percentage of 54.1%, second in the country, and produced the national small college high for the season when he potted 50 points in a single game against Green Cove Navy.

Barker also set 4 all-time State records: the most points in one game; the most field goals in one game, 20 against Florida Southern; the most free throws in one game, 17 against Stetson; and the consecutive free throws scored, 21 in games against Florida State, Stetson, Miami and Green Cove.

Barker's sharp shooting and rebounding won him the vote of co-captain of the annual 7-team all-State five, selected by Florida's coaches, players and sports writers. He tied as the leading vote-getter in making the first team for the second straight year.

Two other Tars made the all-State squad. Bob MacHardy was a second-team selection and Everett Williams was an honorable mention choice for the second year.

MacHardy, a Freshman from Westbrook, Maine, averaged 13.8 points a game and Williams, another Senior from Jacksonville, averaged 12.2. MacHardy, whom Justice tabs as one of the State's future stars, was a high school all-State winner in Maine.

Regulars during the season with Barker, MacHardy and Williams were Bob Rego from Somerville, Mass., Connie Mack Butler, Greensboro, N. C., Jim Bockock, Asheville, N. C., and Dick Seyler, Jacksonville. The squad was rounded out by Bill Cost and Jim Fay, Ft. Lauderdale, Bill Carey, Westbrook, Maine, Lamar Brantley, Jacksonville, and Bill Ross, Cleveland, Ohio. All but Seyler, Ross, and Fay, are Freshmen this year. And all return next season except Seyler, who graduates, and Fay, who will enter the Navy in June.

The season's results:

Rollins 69 Stetson 72
Rollins 71 Florida State 74
Rollins 69 Florida State 55
Rollins 68 Stetson 70
Rollins 61 Miami 98
Rollins 104 Green Cove NAS 55
Rollins 57 Jacksonville NAS 62
Rollins 79 Green Cove NAS 60
Rollins 89 Florida Southern 62

Rollins 71 Patrick AFB 39
Rollins 87 Florida Southern 47
Rollins 65 Jacksonville NAS 49
Rollins 78 Miami 63
Rollins 63 Patrick AFB 48
Rollins 65 Tampa 67
Rollins 59 Mercer 61
Rollins 60 Parriss Island Marines 69
Rollins 71 Tampa 83

Everett Williams, Tar No. 17, takes a rebound off the Tampa University backboard during the first quarter of that game. Tampa's Connie Aubrey and Don Harrod (No. 7) are in the foreground with Rollins' Bob MacHardy breaking downcourt between them.

STUDENT FIESTA

hot dogs. Above the drone of voices came the persuasive tones of the barker. There was no limit to the activities offered the Fiesta patrons by the ingenious games, refreshment stands, and notorious Thieve's Market.

At 10:00 in the Annie Russell Theatre Walt Disney's "Pinnocchio" was shown. Adults enjoyed the movie as much as the children who seemed genuinely worried when Pinnocchio and his family were swallowed by the whale.

In Holt Avenue at 3:00 o'clock twelve spirited square-dancers performed intricate and quick-moving steps making colorful kaleidoscopic patterns.

Not only was the 1952 Fiesta enjoyable but also profitable. Net profits total approximately \$2100. This figure represents a \$300 increase over last year's \$1800 scholarship net. The Rollins Women's Association and their Thieve's Market, the Rummage Sale sponsored by the Rollins Alumni Club of Central Florida, and Kappa Alpha Theta's Bingo showed the highest money intake. However, without the participation and co-operation of the entire Rollins Family, and the generous contributions of private enterprises and individuals, the Fiesta could not have been the tremendous success it was.

Around The Horseshoe

by LOUIS W. INGRAM JR. '54

When you're running helter-skelter into the future you may have little time to look back over the past, but I hope you will take time out with me to snatch a glimpse of Rollins, 1951-52. Do you remember how you used to stroll around The Horseshoe or take a book to the lakefront for an afternoon of reading and relaxation? Well, we are still doing the same things—only there's a new building on The Horseshoe, you know. We all turned out to dedicate the Mills Memorial Library which dominates that spot which has always been the heart of the Rollins campus. Listening to the service, I felt that here was to be the academic pulse of an energetic College of which we are all a part.

Tennis, anyone? If you'll just pick up your racket (tennis, that is) and follow me over to the courts, Coach Jim McDougall will tell you about the 3 new surfaces and practice board being built just south of the present ones toward Lake Virginia. The old Speech Shack had to be moved again. The Student Council is splitting the cost with the College. Let me introduce you to some of the outstanding players who will use these new courts. We have 2 of the Mexican Davis Cup team with us again this year. Alfredo Millet, recent winner of the Florida State Championship, and Calhoun Dickson, who hails from Tampa, are competing for the number one position on the Tar team. Dickson and Millet hold the State men's doubles title. Alberto Danel is our other Mexican student. These varsity players expect to top their previous records. A pre-season issue of AMERICAN LAWN TENNIS MAGAZINE ranked the Rollins team fifth in the nation and second in the south. Only their shortage of intercollegiate matches last year prevented their being ranked higher.

Former members will be glad to know that the X Clubbers won the intramural football cup this fall for the fourth consecutive season.

None of you who were on the campus at the time can forget 1931 when the Annie Russell Theatre was started. A special selection of plays has been scheduled to celebrate this 20th anniversary year. The season opened with "Liliom" starring George Lymburn and Tia Crawford. "The Walrus and The Carpenter" with another excellent all-student cast was the next bill. Then music and theatre students combined to produce "Ruddigore," a revival of the old Gilbert and Sullivan tradition. "Darkness At Noon," a powerful drama about Russian Communism, was presented during Founders' Week with Director Howard Bailey himself in the leading rôle and Jenelle Gregg x43 as guest feminine star. Final winter offering was a chiller, "Dracula," directed by Bill McGaw x53.

Across the street, the Fred Stone Theatre has been busy too. "The Shop At Sly Corner" rang up the curtain there, and was followed by "Letters to Lucerne." Founders' Week saw a student production of "Death Takes a Holiday," dedicated to the memory of Mrs. Howard Bailey and directed by your student correspondent.

The festivities of this anniversary year were saddened by the death of Mrs. Howard Bailey. I know I speak for all those who knew her in saying that it is a loss for which there is no measure.

The Central Florida Symphony includes some Rollins Conservatory graduates, not to mention our own Professor Alphonse Carlo as Concert

Master. Music reminds us of the Christmas Service in Knowles Memorial Chapel, which was filled for all 3 presentations to hear Professor Harvey Woodruff's top-notch choir.

The Frosh displayed originality by staging their annual show down on the Dinkey Line this year. George Cartwright provided the stage and the Seaboard Airline loaned a boxcar as background and dressing room. "The Dinky Serenade" was amusing and neatly done.

Earlier this fall the Associated Collegiate Press awarded THE ROLLINS SANDSPUR a First Class Honor Rating and the highest point score in our student newspaper's history, for the single-handed enterprise of Editor Betsy Fletcher and her staff in getting the facts about Rollins before the citizens of Orlando and Winter Park last spring.

Eleven Rollins Seniors were elected to Who's Who Among American Colleges and Universities. They are: Mary Bailey, Ed Cushing, Hester Davis, Derek Dunn-Rankin, Helen Demetrelis, Jean Wiselogel, Dick Elliott, Mary Ann Hobart, John Vereen, Diane Vigeant and Dave Redding.

Several bus loads of officers and men from the Rollins Branches at Patrick Air Force Base and the Sanford Naval Air Station enjoyed a day on campus November 3. For most of us it was the first time we had met these new members of the Rollins family and judging from their reception, they were made to feel at home right quickly. About a month later the College entertained 400 high school boys, members of the Florida Key Club convention in Orlando.

Events were moving right along when the Indie Women sponsored a Fashion Show at the Morse Gallery of Art, benefit of the Damon Runyon Cancer Fund. And over 200 student-donors responded to the Blood for Korea campaign on campus.

Late one night just before the holidays the Sigma Nus came to the aid of Beanery. It seems that Beans was on fire, but the swift work of the frat men put out the blaze and we are still eating there.

The Morse Gallery of Art, as has been the custom for a number of years past, exhibited a single masterpiece of Madonna and Child at Christmas time. Soft music set the atmosphere for seeing a beautiful small Venetian canvas by Cima Giovanni Battista and a delicately carved oak Virgin and Child of the French Gothic period, arranged in a setting of velvet, by candlelight.

We closed the term by crowding into the Rollins Center to hear Dean Enyart read Dicken's "Christmas Carol." One doesn't say much after hearing the Senior Dean read that—just thinks. Afterwards the Students serenaded popular new Mayor Oliver K. Eaton at the Winter Park Country Club, where President and Mrs. McKean and the whole town had turned out to honor him.

The Alpha Phis have moved off campus this term to 208 Interlachen, ancestral home of Rollins' presidents; and the Indie Men stampeded into vacated Lakeside.

With the basketball season over, the Rollins baseball team is drawing the crowds. Coach Joe Justice had 32 candidates report for practice.

Tar oarsmen rowed the first international race in Rollins history on Lake Maitland early in March and won handily over a game Guatemala University crew. Brad's varsity passed its first scheduled test with Boston U. to regain the traditional Confederate flag and Yankee carpet bag, which Boston had held since 1949.

In Memoriam

William Carleton, who attended Rollins College 1910-11, died November 25, 1951. Will was a member of the former Phi Alpha Fraternity at Rollins. He was married and made his home in Hudson Falls, New York. His wife survives him.

The entire College and community were grieved by the premature death November 26, 1951, of Mrs. Howard Bailey, wife of the director of the Annie Russell Theatre at Rollins. Helen Bailey began her theatrical career at the age of 16 and appeared on the stage with some of the nation's best known stars, including William Faversham, Guy Bates Post, Helen Golden and others. She came to Winter Park with her husband in 1938 and became a favorite with audiences here too. Of her many versatile performances at Rollins, she will long be remembered for her stellar roles with Fred Stone in "Lightning," and "Mark Twain," with Leo G. Carroll in "Angel Street," and in the premiere of Dr. Edwin Granberry's play, "The Falcon," with John O'Hare. For five summers she took a leading part in Paul Green's symphonic drama, "The Lost Colony," at Roanoke Island, N. C. In recent years she has appeared with professional stock companies in Erie, Pa., Cape May, N. J., East Hampton, Long Island, N. Y., and Barnesville, Pa. Besides her husband, she is survived by their daughter, Lynn, now a Sophomore at Rollins College, and her own parents, Mr. and Mrs. William Geory.

On December 5, 1951, D. Ashley Hooker passed away at his home in San Clemente, California. A son of the first president of Rollins College, the late Dr. E. P. Hooker, he received his earlier education in the former Rollins Academy 1892-96 and attended Rollins College 1896-98. He received his B.A. degree at Middlebury College in 1906 and the B.L.S degree from N. Y. State Library School in 1912. He was a member of Delta Upsilon and a Phi Beta Kappa. He began his career as a librarian in 1912 and continued in that profession until 1939. Upon retirement, he and his wife moved to California and made their home at 311 Monterey Avenue in San Clemente. He is also survived by his sisters, Elizabeth and Mary Hooker, and a niece, Mrs. Wilbur D. Hart (Ruth Fairchild Hooker), all of whom attended Rollins.

Robert J. Caldwell, upon whom Rollins College conferred the LL.D. degree in 1927, died in Winter Park on December 21, 1951. A retired industrialist, Mr. Caldwell was special industrial commissioner to Europe for the United States Government in 1919 and in 1920 held similar posts in Great Britain, Czechoslovakia, and Belgium. He was awarded the honorary diploma of Masarykova Akademie Prace, in 1923, at Prague. Author of several books and numerous articles, Dr. Caldwell delivered many addresses at colleges and universities throughout this country. His survivors include: a son, Tracy Fairfax Caldwell of Eugene, Oregon; a daughter, Mrs. William Von Hubler of Laguna Beach, California; two grandchildren, one nephew, and two nieces.

Miss Amy C. Davey, former member of the Rollins College staff, passed away at the Winter Park Nursing Home on December 27, 1951. Miss Davey had been a winter resident of Florida for the past 25 years.

William Henry Fox, world authority on art and honorary Trustee of Rollins College, died at his home in Philadelphia at the age of 93 on January 18, 1951. He served as an active member of the Rollins Board from 1935 to 1947. Director emeritus of the Brooklyn Institute of Arts

and Sciences, of which he was a director for nearly twenty-two years prior to his retirement in 1934. Mr. Fox was instrumental in developing a system of examining old paintings by X-Ray. For his distinguished promotion of international relations through the fine arts, he was knighted by the kings of Italy, Sweden, Belgium, and Denmark. He was also made a Chevalier of the French Legion of Honor and received the Order of Merit from Austria. In 1931 Rollins College conferred the honorary degree of Doctor of Science upon him. Dr. Fox presented the College with a painting by the celebrated artist, Thomas Sully, shortly before passing away. Preceded in death by his wife in 1950, he had no immediate survivors.

Mrs. Frances Drudy Law passed away on February 4, 1952. A member of the Class of 1896, she attended the former Rollins Academy 1892-93. Mrs. Law made her home in Emporia, Florida, and is survived by a daughter, Mrs. Harley J. Turner, there as well as a son, Roger Drudy Law, of Bellmore, Long Island, New York.

Paul E. Stillman, Trustee of Rollins College, died February 15, 1952, in Glendale, California. Mr. Stillman, 83, was a nephew of Alonzo and Susan Rollins, whose benefaction of \$50,000 made possible the establishment of the College in Winter Park and for whom the College was named. Paul Stillman succeeded his aunt on the Rollins Board of Trustees, upon her death in 1931, and had served continuously since then. A former Speaker of the Iowa State House of Representatives, Mr. Stillman was in the newspaper business there for 30 years. Moving to California in 1923, he became prominent there too in the newspaper and printing business. He continued his interest in civic affairs, serving as a member of the board of the Bank of America in Glendale, chamber of commerce director, and Rotary Club president. In 1949, Rollins College conferred an honorary LL.D. degree upon him.

Tasker Howard Jr. died February 21, 1952, in the Long Island College Hospital in Brooklyn following a long illness. A member of the Class of 1935, he attended Rollins College 1931-33, graduated from Black Mountain College in 1937, and earned the M.A. degree from Columbia University in 1939. He was an examiner for the National Labor Relations Board for the next 7 years, serving in New York, Washington, Baltimore, and Puerto Rico. Tasker then returned to Black Mountain College, 1947-48, as professor of Economics. His wife, parents, and a sister survive him.

Mrs. Ruby Warren Newby, former member of the Faculty and director of the Rollins College Art Department 1924-32, succumbed February 22, 1952. Mrs. Newby came to Central Florida from Kansas City in 1920. She founded the Orlando Art Association in 1924, was instrumental in organizing the Florida Federation of Art Clubs while president of the local group, and later held executive offices in both organizations. Prior to World War II she developed a technique in the old Chinese art of painting with the color pigment of flowers and her work was exhibited widely throughout the United States. In recent years she had made her home in Arizona, where she had formerly lived. Through her "261 Gallery" in Tucson, she presented many new artists, encouraged others, taught Art and Art Appreciation. This little gallery is to be maintained by friends as a memorial to her and her success in awakening local interest in local artists. And the last show this season will be her floral paintings. Mrs. Newby leaves two daughters, Mrs. Louis J. Brewer (Martha May Newby '36) and Mrs. Thomas Mireur; a son, Jack D. Newby III; and a number of grandchildren.

Secretary: **Dr. Henry B. (Hank) Mowbray**, 442 Chase Ave., Winter Park, Fla.

Mr. and Mrs. **Willard A. Eliot**, of Denver, Colo., announced with joy the birth of their first great-grandchild this fall. Little Sarah Louise Moore was born October 12, 1951, in Ft. Worth, Tex. Willard is " hale and hearty and enjoying life." This January 24 was his own 80th birthday and many good wishes were sent his way.

Dr. Fred Lewton was selected to do the research to compile the history of the Rollins library for the formal dedication of the splendid new Mills Memorial Library on campus. He and Mrs. Lewton are ardent gardeners at their attractive home here and she was chairman of the annual Community Sing sponsored by the Winter Park Garden Club on December 21 this winter.

Town and gown turned out to honor the distinguished attorney and recently elected mayor of Winter Park, **Oliver K. Eaton**, at the local Country Club on the evening of December 10. **C. Fred Ward**, who served as mayor 1924-30, and **H. A. Ward**, who served in 1920, were among the unusual number of former mayors honored at this informal reception. Acting President and Mrs. **Hugh F. McKean** of the College were in the receiving

line and Rollins Students sang Christmas carols on the lawn.

Col. George Morgan King of Hyde Park, Mass., has kept his record again this year for being the first each calendar year to contribute to the Rollins Alumni Loyalty Fund.

ED. NOTE: **Dr. Hank Mowbray**, our genial host for the Gay Nineties Tea on Alumni Day during Founders Week each year, was complimented on January 4 (his 80th birthday) by 80 of his friends at the home of one of his neighbors, Mrs. Phil Edwards, at one of her popular weekly picnics. CLASS OF 1901

Joe and Ethel (Smith) Bumby are enjoying their spacious new home and garden at 1605 Orangewood Ave. in the Lancaster Park section of Orlando. They had called their big old house on E. Church home for 30 years but she undertook the move late in November while he was away on a hunting trip and says their teen-age grandchildren, Betty and Joe, were a great help to her. They now live only a few doors away from their son's home. Earlier this fall, there was a good picture of Ethel in the Orlando paper with her bridge club. She is a charter member and has served as president since it was or-

ganized in 1921. They were celebrating this anniversary with a luncheon at the Rosalind Club. **Mary Branham '11** has been club secretary for the past 2 years and her sister, Mrs. Ben Abberger (**Beth Branham '15**), is among the 8 charter members.

CLASS OF 1904

Secretary: **Helen Steinmetz, 195 Courtland Ave., Winter Park, Fla.**

Your secretary has just returned from Mexico. With just 5 days notice I took off for a 2-week tour of Mexico, driving a friend to Miami, and from there we flew to Mexico City in just 6 hours. A chauffeur-guide met us at the airport with a new Buick at our disposal. From Mexico City we visited Taxco, Acapulco (where a dip in the Pacific was 1 of the highlights), Chilpanigo and Igualawere. After seeing Chapultepec Park and a bullfight, we went on a 3-day jaunt to Fortin stopping at Cholula and Puebla and saw Indian villages, coffee and banana plantations en route. A trip to the Pyramid of Penafiel brought the realization of the age of the country, for there 7 pyramids have been built one over the other through the ages and above

them now stands a monastery several hundred years old. Another day took us to the pyramids of the Sun and, nearby, the Moon. All this with the many things to be seen in Mexico City kept us so busy that it was hard to believe 2 weeks could go so swiftly or that so much could be crowded into that short time.

CLASS OF 1905

Secretary: **Mrs. W. W. Yothers (Ada Bumby), 457 Boone St., Orlando, Fla.**

Ira Johnston's picture appeared in several newspapers this fall with other Trustees and the officials of the Orlando Junior College conferring on their proposed building plans.

Winter Park Postmaster **Girard Denning** reports that postal receipts have tripled there since 1941.

Early in January **Leland and Barbara (Flye x09A) Chubb** gave a family party at their home at 156 E. Welbourne Ave. in Winter Park. They served a buffet supper and there were 19 present to enjoy the occasion.

CLASS OF 1907

Secretary: **Berkeley Blackman, 1536 River Hills Circle, Jacksonville 7, Fla.**

On January 7 **Donald A. Cheney**, Orlando's first juvenile court judge, announced his candidacy to again serve in that office, subject to the Democratic primary elections this spring.

Patty Howes Christiancy (Mrs. Cornelius) made her reservation early in October from Rangely, Maine, for the Alumni Luncheon on Saturday, February 23. Her return address is Box K, Allandale, Fla., so she is probably spending this winter in Florida.

CLASS OF 1910

Secretary: **Marguerite Doggett, 119-20 Turnpike, Kew Gardens 15, L. I., N. Y.**

For their many friends we extend deepest sympathy to **Ray and Harry Trovillion** on the passing of their mother January 16. Mrs. Trovillion, who died at the age of 91, had made her home in Winter Park since 1908.

CLASS OF 1911

Secretary: **Mary L. Branham, 126 Lucerne Circle, Orlando, Fla.**
