*Mrs. Harry E. Tuttle, Jr. (Stella Weston '30), Dr. Charles S. Mendell, Susan Wesley,  
Dr. Alexander Waite and Mrs. Rodman Lehman (Katherine Lewis '27).*

### **DR. HOLT FURTHER ACCLAIMED — URGES ACTION FOR WORLD PEACE**

Hamilton Holt, A.B., Litt.D., L.H.D., LL.D., was the recipient of further academic honors in both Florida and New York within the past month. The University of Tampa conferred an honorary degree of Doctor of Science on him at their 15th annual commencement exercises on May 31. And Keuka College awarded him the honorary degree of Doctor of Humane Letters June 14 on their 40th anniversary, when he delivered their Commencement Address on "World Government and Preparedness."

These widely separated institutions of higher learning join a distinguished list of colleges, universities and governments that have paid high tribute to President Holt as a journalist, educator and advocate of peace through international justice.

Dr. Holt has exerted great influence on the trend of events in the past through "open letters" to Woodrow Wilson, Warren G. Harding, Herbert Hoover and Franklin D. Roosevelt. A letter directed by him to Theodore Roosevelt later formed the basis of Roosevelt's Nobel Peace address in Norway.

In a statesmanlike open sermon on May 2 before a capacity congregation in the Knowles Memorial Chapel at Rollins, Dr. Holt urged President Truman to declare to the world that our nation's preparedness program is only a temporary measure until surer means of maintaining peace can be established;

## 1948 COMMENCEMENT CELEBRATES 119 GRADUATES

by WYNDHAM HAYWARD

Commencement exercises on June 2, 1948, saw the largest class in the history of Rollins College receive degrees and graduation honors in Knowles Memorial Chapel before the usual capacity throng of relatives and friends. It was a memorable gathering, second only to the Baccalaureate service in serious significance for the young men and women who were departing from their 4 years of campus life.

Dean Theodore Stanley Darrah of Knowles Memorial Chapel gave his first Baccalaureate Sermon to a Rollins Class on Sunday, May 30, choosing as his subject "What Doth It Profit?" He urged his capped-and-gowned listeners to dedicate themselves to a cause, to dare something worthwhile in behalf of a better world and a better future.

Rollins Alumni held an informal evening Open House in the Alumni House May 10, which was well attended by Alumni and guests. The Seniors turned out in full force for the occasion. Dr. and Mrs. Rhea Marsh Smith, Mrs. Rodman Lehman, and Mrs. Rachel Harris Reed donated quantities of gar-

denias from their gardens for the occasion which were presented to the ladies. President Holt and the Deans of the College were special guests of honor.

The annual Senior-Faculty supper was an event of May 26 at the Rollins Center. A laughter-provoking sketch, "Rollins Through the Ages," was presented following a buffet supper. Dr. Rhea Marsh Smith was chairman of the committee in charge. Barbara Lewis and Paula Shapiro, co-directors of this year's Independent Women's Show, directed the cast of Seniors and Faculty. And Jim Ernster was master of ceremonies.

The Class of 1948 and Rollins Faculty attended the Baccalaureate Services in their caps and gowns, and also wore this colorful academic garb for the Class Day exercises on the Center steps June 1. This event drew a large audience of Alumni, Faculty, and students. Master of Ceremonies was Jack L. Redding, president of the graduating class, the class prophecy was given by Beverly Ott, the last will and testament of the class was read by Mary Malta Peters. Beverly L. Burkhart participated in the palm dedication ceremony. And Mary Clair Upthegrove delivered the class farewell. The palm was planted at the corner of the new Sullivan Building.

A tea in honor of the Seniors and to introduce their relatives to members of the Rollins Faculty and Staff followed the Class Day Exercises, held in the Center patio.

Almost to a man, or woman, the Senior Class turned out on June 2 (Commencement morning) for the ever-popular Alumni-Senior Sunrise Breakfast at the Old Family Tree across Lake Virginia, with Fleet Peeples officiating at the campfire as he has for a score of years and more. There was a good showing of local and visiting Alumni, considering the early hour. Dr. Bill Jennings and his speedboat streamlined the return to campus for the academic procession to Knowles Memorial Chapel and Commencement afterward.

The Commencement speaker was the Hon. H. Jerry Voorhis, former Congressman from California and father of Mrs. Alice Voorhis Hansen, a member of the graduating Class. Her husband, Don Hansen, well known Rollins athlete, was also a member of this graduating Class. Mr. Voorhis' message to the Class of 1948 was that the education they had received at Rollins was not their own private property but was the heritage of the learning of all mankind and given in trust to them for the benefit of all mankind.

Special honors awarded at Commencement besides the 119 degrees, included the Algernon Sydney Sullivan Medallion, for character and service. This most coveted award conferred on a Senior went to Mary Clair Upthegrove of Ann

The Rollins Alumni Record, June, 1948. Published Quarterly by Rollins College in June, September and December. Office of publication: Alumni House, Winter Park, Florida. Entered as second-class matter June 28, 1938, at the post office at Winter Park, Florida, under the Act of August 24, 1912.

#### FOR SERVICE, CHARACTER AND LEADERSHIP

*Mary Clair Upthegrove receives the Sullivan Medallion from Dr. Holt; Jean Bohrer Brown (Mrs. John L., Jr.), the Libra cup; and William H. Rinck, the OOOO trophy.*

Arbor, Mich. The Libra Cup went to Jean Bohrer Brown of Winter Park and West Plains, Mo., for outstanding leadership. She was also graduated with the highest distinction in literature (*magna cum laude*). William Rinck received the OOOO trophy, for campus leadership.

The five winners of General Reeve \$100 awards were: James\* Carlyle Seymour, Wilmington, N. C.; Sidney Jacqueline Thomason, Orlando; Barbara Herring Malis, Auburndale; Jean Bohrer Brown, West Plains, Mo.; and Paula B. Shapiro, Elkins Park, Pa. These awards are for highest scholarship.

Five Rollins Decorations of Honors were bestowed as follows: to Dr. Alexander Waite and Dr. Charles S. Mendell for service to Rollins and eminence in their fields as well as many other human qualities; also to Mrs. Rodman Lehman (Kay Lewis '27) and Mrs. Harry E. Tuttle, Jr. (Stella Weston '30), the former well known for her many years of devoted service as Alumni Secretary of the College and the latter a distinguished poetess and editor: and finally to the veteran negro maid of Cloverleaf Hall, Susan Wesley, who has served in that capacity for more than 25 years.

Dean of Women, Mrs. Stanley M. Cleveland, in her address presenting Susan Wesley for her award submitted the testimony that Susie has "taken care of nearly 1,500 freshman girls," in her quarter century of employment on the campus. Mrs. Cleveland paid special tribute to Susie's intrepid daring and faithful sense of responsibility, in reporting for duty during the 1944 hurricane, a "dangerous and exciting journey," in the Dean's words.

Last Spring will probably go down as one of the most successful ever experienced by Rollins athletic teams. Our women's golf team of Alice O'Neal, Rosann Shaffer, Clara Jane Mosack and Judy Baker on June 14 won the National Collegiate Championship at Columbus, Ohio, with a combined low score of 346 strokes. Alice then went on to become a semi-finalist in the match play, which was won by Grace Lenczyk of Stetson.

Our men's tennis team ranked as one of the best in the country, going through 13 matches without a defeat. Although there was no championship involved the fact that we set back Rice University, the Southwestern Conference champion, and Tulane, the Southeastern Conference champs, gives us a claim to the mythical Southern title.

Next year we'll lose Enrique Buse, who will return to Peru to be with his father, and Gus Peeples, who has turned professional. However, the return of Gardner Larned, the 1947 Inter-Collegiate Champion, Buddy Behrens, National Junior Champion, Ricardo Balbiers, the Brazilian and Chilean title holder, Norman Copeland, and Bill and Jim Windham will give us another top-notch team next year.

Buse, who was undefeated in two years of college competition, is entered in the National Collegiate Athletic Association tournament in Los Angeles this month, but at press time we had received no word of his progress.

The baseball team won the state championship without an argument, winning series from every college in Florida, to compile a record of 21 victories and 4 defeats.

Joe Justice's Tars also held decisions over Georgia and Alabama. Center Fielder Harvard Cox, who had his best year in college baseball, is the only loss by graduation.

Next to tennis the crew brought more national recognition to Rollins than any other sports group. Coach Bradley's oarsmen defeated Boston University, Dartmouth, Amherst, American International College and Tampa University, and then finished second to Boston in the Dad Vail Regatta in Boston. It was the Tars best showing in the history of the regatta. Only other blot on the record was a loss to Washington and Lee, when Brad let the junior varsity represent the varsity in a race held in Virginia. Of the men in the boat for the final race, only Coxswain Weston Emery graduated.

The Golf team, sparked by Pete Dye, had a satisfactory season with an even break in 14 matches. High point of the year was an upset of Miami.

Shirley Fry brought further fame to Rollins when she went to the finals of the French International Tennis Tournament in Paris, beating among others, Doris Hart of Miami.

The Rollins radio workshop was reactivated this spring on station WHOO

by Prof. Whitaker with a series of weekly plays written, acted and produced by his speech class. Joyce Jungclas and Ben Aycrigg are the authors of plays presented over WDBO's "Let's Listen" program sponsored by the Orlando Junior League.

Rollins students made news at the Pi Kappa Delta forensic tournament, University of South Carolina, when Joe Friedman won first prize in oratory, competing with contestants from 16 Southeastern colleges, Nan Van Zile was awarded second place honors in women's extemporaneous speaking and Bill Schafer entered the finals in men's impromptu speaking.

Theatre footlights this term were focused on a double-cast production of Chekov's "Cherry Orchard", "The Circle" by Somerset Maugham, boasting a large and talented cast in the Fred Stone theatre, and Rudolph Besier's famous "Barretts of Wimpole Street," co-starring Madge Martin and Gerald Honaker. "That Kid Kidd", produced by the Independent Women in collaboration with students, faculty and townspeople, was a never-to-be forgotten musical extravaganza.

Rollins Studio Club was host to the first meeting of Florida Art Forum with Martin Dibner, author of the recently published "The Bachelor Seals", as moderator at panel discussions. Undergraduates and faculty advisors from

Florida State, Stetson, Florida Southern, Clearwater School of Art and the Universities of Florida, Tampa and Miami attended.

This year's senior art exhibit featured displays of fine arts major Paula Shapiro, and commercial-artists-to-be Mary L. Austin, Shirley Kirk, Carole Austen and Alice Voorhis Hansen.

Literary honors presented to student authors included Poetry Society awards for the best play: Martin Dibner, 1st, Bill Shelton, 2nd, and Pat Van Sickle, 3rd; short story, Bill Shelton, 1st, and Zoe Weston, 2nd; Flamingo awards, Mary Malta Peters, 1st, Joan Leonard, 2nd, and Winston Henderson, 3rd. Special Flamingo prizes for outstanding pieces of fiction, non-fiction and poetry to appear in the winter edition went to Bill Shelton, Stuart James and Mary Malta Peters.

In the social spotlight — the Gamma Phis and Delta Chis collaborated on "Dancing in the Dark" at Aloma Country Club, while the K.A.'s were hosts at a "Black and White" dance and the Chi O's hostesses at a spring formal in the Orlando Country Club. And then came the Independent Women's Campus Sing with the Phi Mus and Lambda Chis walking away with those coveted trophies. Climaxing the season, of course, was the annual Senior Dance at Dubs and just as wonderful as ever.

Under Pete Sholley's editorship, the Sandspur has returned to the seven column edition of years past. With Jim McMenemy as news editor, society editors Jean Lipscomb and Jim Ernster and drama editor Bev. Ott, the Spur has turned over a new leaf with predictions of an even brighter future ahead.

Despite Petrillo's ban, albums of sacred music were recorded this spring for the first time by Knowles Memorial Chapel Choir. Pressed by the Nelson Cornell Co. of New Jersey, the albums will contain four ten-inch vinylite unbreakable discs of choir favorites.

Orchids to Rollins Theta Chapter of Phi Beta, which was awarded the gavel, highest honor achieved by a collegiate chapter of the organization. Theta chapter didn't rest on its laurels, however. Its theatre arts members presented "Spider Island", a thriller-diller in Fred Stone, while a special two-piano recital was given by music majors of Phi Beta in May.

Princeton Glee Club visited the campus on their spring tour late in March — much to everyone's delight — especially the co-eds.

In a hotly contested race, Art Swacker edged out Jim McMenemy and Trammel Whittle for the presidency of Student Council, while Hugh Davis defeated Nancy Butts and Harry James for the office of vice-president. Bev Burkhart, only nominee for secretary-treasurer, had a sure-fire victory.

A Panhellenic Workshop for sorority women was held in May for the first time in several years. National officers representing each group on campus led student discussions during the 2-day session.

Individual honors were awarded Eleanor Holdt, chosen one of the 50 outstanding college girls in the entire country by Mademoiselle magazine to attend the fifth annual College Forum in N. Y. City; and Joe Peoples, baritone, winner of the Orlando "Stars of Tomorrow" contest first prize of an audition by the American Broadcasting Co. of New York.

and to call for a constitutional convention to develop the UN charter from a league of sovereign nations into a world government strong enough to prevent war.

Speaking on May 11 at the University of Florida, in Gainesville, Dr. Holt predicted that a world federation would inevitably evolve but that action was needed to speed the process in this atomic era. He said that it was apparently the lot of the United States to bolster such action and that if Russia would not join such a union then she must be left out to join later as did several of the original colonies which did not ratify the U. S. Constitution.

# CLASS NOTES

### Gay Nineties

*Secretary:* Rev. Henry B. Mowbray, 442 Chase Ave., Winter Park, Fla.

We were delighted to have Dr. Herbert Hawley back on campus for a visit early in May. After spending the winter in Florida, Dr. and Mrs. Hawley were on their way to New Jersey to visit their daughter

before returning to their home in Blue Hill, Neb. Dr. Hawley brought us up-to-date on his brothers and sisters. All 5 of the Hawleys received their degrees from the Univ. of Michigan at Ann Arbor. Miss Mary Hawley is living in Bradenton, Fla. Dr. Joseph Hawley lives in Plant City, Fla. After receiving her medical degree from the

Univ. of Michigan, Miss Elizabeth Hawley went to Turkey as a missionary. She lived at Hadjin where she met and married the Rev. Henry Maurer. She died in Turkey on September 21, 1908. Her husband died in the spring of 1909 in the massacre of Adana. Dr. Charles Hawley died on March 4, 1941, in Palmetto, Fla.

Your secretary will board a train early in July for the West Coast. This summer he anticipates seeing many friends and former parishioners in California. His first stop will be in Los Angeles.

Luella Watson Kinder writes that she has 3 children and 3 grandchildren. Since her husband's death in 1942, Mrs. Kinder has been living in the "lovely W. C. T. U. Boarding Home for Women . . . only one of its kind in existence" in Los Angeles, Calif.

We extend our deepest sympathy to Fannie Henkel Smith (Mrs. William Baxter) on the loss of her husband last year. Mr. Smith taught at Piedmont College in Demorest, Ga., for 35 years. Mrs. Smith is now Registrar of Piedmont College. Her daughter, Virginia, teaches in Bessie Tift College at Forsyth, Ga., and her son, William, is an auditor in Atlanta, Ga.

#### Class of 1904

*Secretary:* Helen Steinmetz, Box T, Apopka, Fla.

Hello everybody! That is especially meant for those of you who were at Rollins when I was and to you who would have graduated from either the Academy or College in 1904. Due to the death of Mary Hardaway Algee, I've been asked to take over in her place. I haven't often broken into print, but it seems one never knows what is on the way for one. A list was given me and I sent cards to them but I know there are a lot of you who should have been on the list and were not. You see, records of those years were lost when the first Knowles Hall burned and we are trying to replace them, so won't you to whom I did not write send in some notes and let us know the years you attended either the College or Academy, the year of your graduation and some news of you and your family? Certainly will appreciate it if you will.

Even though many of our readers will put us in the "older generation" class, inquiries have certainly made it clear we are still able to get around quite considerably. My first reply came from Alice Longley Fertig (Mrs. E. R.) saying she was sailing on the 5th of May on the Mauretania. After a stop-over in Paris, she will go on to Zurich, Switzerland, to visit her older son, Walter, who is studying at the University there. Her younger son is a C.P.A. and teaching at Ohio State Univ.

Recently I stopped in to see Shirley Craig Essington (Mrs. Walter C.) and saw not only Shirley, but also Mrs. Leroy Giles (Nell Broward '08). They told me that Mary Randolph Robinson '08 is now in Brookline, Mass., visiting. Shirley is just back from a motor trip to California. While there she visited friends at Palm Springs and spent a month in Hollywood. Of course she saw many beauty spots en route and returned via Noblesville, Ind., where she spent a week before turning homeward. Now she is busy getting ready to open her summer home "Shirwood" on

lovely Walloon Lake in northern Michigan. Mary Fletcher McCarty McElroy (Mrs. Merle) will motor up with her and visit for a month. Nell Giles says she and Leroy will spend most of the summer at their home "The Trees" in Pine Castle, Fla., perhaps taking a short trip to the mountains in the fall.

From far off Tombstone, Ariz., came a prompt reply from Morgan Lewis Brett. Morgan, after leaving Rollins, graduated from the U.S.M.A. at West Point. He served in both World Wars and in 1945 retired as Colonel. In the winter he is to be found at Tombstone but come summer he moves over to Fallen Leaf, Calif. Who could find a more beautiful spot than the end of Lake Tahoe?

We who live in or near Winter Park often run into Girard Denning. He has been Postmaster of Winter Park from 1912 to 1921 and was again appointed in 1934 and still holds the post. Recently he was elected to the City Recreation Board. He thinks the Postmasters Convention in New York will be his summer vacation.

Julia Steinmetz Ryder (Mrs. F. M.) stopped by Dummit Grove on Merritts island and found Margaret Drennen very busy overseeing her groves there. You know Marg owns one of the oldest orange groves in the State and lives in a house built by an Italian Count who brought all the materials from Italy in the early days of Florida. She says she will be there most of the summer.

On June 19th Ada Bumby Yothers (Mrs. W. W.), Jo Sadler Simpson (Mrs. David, Sr.) are driving with your secretary to the Convention of Kappa Kappa Gamma Fraternity at Sun Valley, Idaho. We hope to get a glimpse of the Pacific before we turn northward to Idaho.

Her second son, Bruce, visited his grandparents here this spring and will enter the Milwaukee School of Engineering in June. Her youngest son, Geoffrey, attends Lawrenceville School in New Jersey.

Vivian Barbour Howison (Mrs. Wm. H.) is spending the summer at Centerville on Cape God. She will return to Winter Park in November.

Isabel Foley Whelan (Mrs. Robert) of Provincetown, Mass., is enjoying a visit this summer from her mother, Mrs. R. P. Foley, of Winter Park.

Sara Muriel was in Winter Park the week-end of May 1, attending the A.A.U.W. State convention. Sara is a past president of the Jacksonville Branch of the American Association of University Women and is now president of the Duval County Council of Teachers of English and vice-president of the Jacksonville Story League. She enjoyed visiting the Rollins campus again, seeing friends of former years, and wished to be remembered to her Classmates.

Pretty Joan Tavel, daughter of Ethel Reese Tavel (Mrs. Eugene), was crowned May Queen of the 8th Grade at Memorial Jr. High School in Orlando this year. Ethel takes an active part in civic and church affairs. This past year she served as first vice-president of the Orange County Council of the Parent and Teachers Association.

with the Tampa Symphony before the last World War. We have been active in the civic life of Tampa through the Garden Clubs and Music Clubs."

Robert Mitchell of Orlando was elected first Vice President of the Seminole Indian Assn. of Florida at the annual meeting held at Rollins May 21. The following excerpts from Peter Berger's letter should make us not only think seriously but do something: "Perhaps some improvement will come when the Marshall Plan begins to operate, but the political situation is so weird that war seems more likely than any change to the better. . . . There is a constant underfeeling of nervousness in us, and we begin to ask ourselves whether efforts are still worthwhile. People expect and dread that first thing western Germany will be overrun by the Soviets. . . . it is a tragic choice: either the Soviets or WAR to keep them off. Those who may survive bombing, looting, deportation, etc. next time will have little to hope for, what

Todd and his mother, Mrs. Martha Schanck Persons.

ever the outcome. I feel sad when I look at my 2 little children and my wife. All this may sound too pessimistic (and I pray it is), but we have seen too much of the horrors of war to take it lightly."

My oldest boy, Bobby, besides being cross-bearer in the Episcopal Church, is turning out to be a pretty fair athlete and I hope he can go to Rollins. He plays halfback on the high school football team, is leading his class baseball team in home runs, and won the 220-yard dash in the last track meet. I think Sammy is going to be the smartest of all, however, even if he is only in the first grade. I am quite lucky to have such fine children. . . My little girl, Jenniebelle, had her picture taken with Sen. Claude Pepper when he was here recently and is quite proud of it."
