II. Dr. Levis announced that the College Life Committee is sending out a questionnaire on the "rush" program. Dr. Hugh McKean is interested in having a special faculty night at his museum. It will probably be in early April, and all are encouraged to attend.

III. Dr. Hicks announced that the Executive Committee of the Board of Trustees has unanimously recommended Dr. Thaddeus Seymour for the presidency of Rollins College. Mr. John Tiedtke, Chairman of the Board, has contacted 18 of the 22 trustees, who have concurred. As a result, the recommendation of the Executive Committee is tantamount to election. He also read a statement from Dr. Seymour in which he said he counted it a privilege to serve as the next president of Rollins College and he looked forward eagerly to sharing in its future. All the Seymours will be counting the days until they make their new home in Winter Park early in the summer. Dr. Hicks stated that personally he believed the College could not have done better in choosing Dr. Seymour as our next leader and that he was looking forward both professionally and personally towards working with him. He expressed his thanks to the members of the faculty who served on the Search Committee. In response to a query, Dr. Hicks said that Dr. Seymour would be visiting here briefly in April, would move here in early June, and would be on the job by the first of July.

V. Dr. Levis read the results of the faculty vote on the three candidates, He recommended very strongly that the results be kept confidential, since two of the candidates are looking for positions. Considerable discussion followed, with Drs. Edmondson, Miller, Blossey, and Peters describing in detail the presentations and discussion that took place at the meeting of the Executive Committee of the Board of Trustees last Saturday.

V. The meeting adjourned at 4:55 PM.
