Dear Fellow Alumnus:

I know that every one of us "old grads" would like to give Rollins something besides gratitude. But we take a look at our check book and say "How can I give anything for endowment? My little 'mite' would be lost in the shuffle." I know all of us are poor. Worse, we FEEL poor.

But you don't have to give a million dollars. I don't know anyone that HAS a million dollars now, do you?

Did you ever hear of "Living Endowment"? This is a plan which has been tried by the alumni of other colleges with great success. Under it, each alumnus pledges himself to make an annual contribution of the INTEREST on a certain amount. If you can spare as much as \$15 a year you are giving the INTEREST on \$500 worth of endowment; \$30 a year is the INTEREST on \$1,000.

Rollins needs a great deal more endowment. It ought to have two or three times as much as the million dollars it now has. Do you know that interest rates are now so low that Rollins actually gets LESS income from its present endowment than it did sixteen years ago from just a little over half as much endowment?

Under the Unit Cost Plan at Rollins, wealthy students gladly pay their way, and every dollar of endowment income and unrestricted gifts is used for scholarships and loans to help the very best and most deserving students in the College. Rollins is not a "rich man's College". Forty per cent of the students must have help or go home. Rollins must keep those students, no matter what happens. They really MAKE Rollins the outstanding College it is today.

I'm satisfied that if we alumni would really stop and think, hundreds of us could dig up fifteen or thirty dollars a year. Therefore I propose that the Alumni Association set as their goal for 1942 to underwrite \$500,000 worth of "Living Endowment". That means that at least 500 of us would have to subscribe for an average of \$30 a year. That would help a small army of youngsters who are having their financial struggles (even as many of us did) to finish their work at Rollins.

It has been suggested that "Rollins Alumni Living Endowment Bonds" be issued to each subscriber. If one pledged \$15 a year, he would get a \$500 "Bond", a \$30 a year payment would rate a \$1,000 bond; \$300 a year a \$10,000 bond. The Alumni Secretary would send you the "coupons" as a reminder when your "interest payment" falls due.

What do you think of this idea? Write to the Alumni Secretary, Katherine Lehman, and give her your suggestions. One thing I do know and that is that there are rough days ahead for all private institutions in these critical war years, increasing taxes, etc. I know the Rollins Alumni are solidly behind the College. Let's all take a "Living Endowment Bond" for 1942.

Sincerely,

Rex Beach

Dean Anderson Accepts Presidency of Whitman College

DR WINSLOW S. ANDERSON, dean of Rollins since 1928, has been called to Whitman College, Walla Walla, Washington to become its sixth president. Dean Anderson will complete the present school year at Rollins and will leave for the West following commencement.

Whitman College is the second oldest school in the Northwest, having been founded in 1859, and was originally Congregational, but like Rollins, which had a similar inception, it is now nonsectarian. It has an enrollment of around 700 and is located in the residential section of Walla-Walla, with a beautiful campus, large buildings and a generous endowment.

He will succeed Dr. W. A. Bratton who has reached the age of retirement. The college is fully accredited, with all accrediting groups, and while it has a very strong conservatory, this is only one of its many outstanding departments. The curriculum is divided into three parts—pure science, political science, letters and arts. "Principles of Good Government" is a required course for every student at Whitman.

Dean Anderson's association with Rollins has been one of wide achievement and his departure will leave a vacancy on many boards and committees of the Southeast having to do with civic and defense matters as well as educational.

He is a member of the State committee for the utilization of scientific resources, the State defense council and other organizations. Never one to take his duties lightly, Dr. Anderson has been active in all groups with which his name is associated.

He came to Rollins in 1921 shortly after his graduation from Bates College, Lewiston, Me. and taught chemistry. He was away for a few years, teaching in the University of Minnesota and North Carolina State College. He was recalled to Rollins in 1928 to the position of Dean and for a few years taught, also. As the College has grown, his full time has been occupied with the duties of his office.

He was the originator of the adult education plan of Rollins which has proved one of the outstanding features of the season, bringing to Winter Park many Winter visitors who appreciate the excellent lecture courses open to

Dean Winslow S. Anderson

the public without cost. He was also active, with Dr. Hamilton Holt, in establishing the conference plan at Rollins.

Dr. Anderson was active in organizing the Phi Beta Kappa alumni of Central Florida and was the first president of that group. He was one of the group organizing the University Club of Winter Park also. He founded the Rollins chapter of Theta Kappa Nu, which later merged with Lambda Chi Omega, of which he is a national director and of which he will be national treasurer after January 1.

Mrs. Anderson has been active in college and campus affairs. She is a member of Gamma Phi Beta Fraternity and was one of the founders of the Rollins Women's Association. They have one daughter, Shirley.

The Andersons have a host of friends among the alumni who will regret to hear of their leaving Rollins, but will rejoice in this new honor that has come to them.

MERRY CHRISTMAS

and we're looking for you

FOOTBALL

THE rollicking Rollins Tars climaxed a successful 1941 grid season by plastering powerful Howard College of Birmingham, Ala. with a 28-0 shellacking in a Homecoming battle that gave the Tars a seasonal record of 5 won, two lost, and one tied. Tar backs, Grady Ray, Quentin Bittle, and Earl Tyler ran brilliantly against a Howard eleven which had been beaten only 13-0 by Auburn and 28-6 by Tennessee.

Through the last four campaigns the Blue and Gold has played 35 football games, won 28, lost 5, and tied 2, one of the finest records to be compiled by any team in the South.

When the season began Jack McDowall and line coach Alex Waite had only five seniors and four juniors on the squad. The rest of the 25 man squad was composed of talented, but green sophomores. The dour McDowall declared at the Asheville, N. C. training camp that he would be surprised if the Tars won half their games. Rollins football followers are used to pessimistic statements emerging from Mr. McDowall, but this year figured he would have something upon which to base his gloomy outlook on the situation.

Then the Tars opened with Davidson of the Southern Conference, a team which hung the only loss of the season on the 1940 squad, 19-6. This year the Tars and the Wildcats battled on even terms for four thrilling quarters and wound up in a scoreless deadlock. Rollins gained first down in the final quarter on the four yard line, but lacked the punch to push the ball across. A few weeks later Davidson tied North Carolina-State, 6-6, which brought out the great work showed by the Tar sophomores.

Newberry College came next with a team that was undefeated in SIAA competition in 1940, although not capturing as many games in the conference as the champion Tars. Through the first quarter of the game played in Newberry, S. C. the teams engaged in a punting duel. Then senior center Buddy Bryson of the Tars intercepted a Newberry pass and raced 50 yards for a touchdown to break the ice. After that Newberry folded and the Tars piled up a 40-0 margin.

Coming back to the home base, the Tars drilled intensively for two weeks for all-important Miami game, but lost to the great Hurricane outfit, 21-0, before 20,000 fans in the Orange Bowl.

Just as the third quarter ended Miami tallied on a lateral and the exhausted Tars lacking reserves, gave up two more touchdowns on passes in the final quarter. Miami raced through its first six games undefeated, but lost to Florida, 14-0, and then Alabama, 21-7. Among the Hurricane victims, however, were Texas Tech and South Carolina.

Following Miami, came Mercer in the first homegame of the season. It was a breeze for the Tars as Grady Ray,

a 185 pound fullback from Haines City, pounded through for five touchdowns to account for 30 of Rollins 52 points. Mercer never threatened and made only one first down, that a pass in the third quarter.

Davis-Elkins came down from Elkins, W. Va. and was treated with a 25-0 lesson on football. Rollins reserves played much of this game or the count might have been considerably higher.

The Tars then journeyed to Tampa for their annual clash. The Spartans, with a gang of seniors who had never beaten Rollins, were primed and ready. The student body made a graveyard with individual markers of Tar players and a Tar Baby was burned after a parade through the downtown section, but it was all to no avail. Final score, Rollins 13, Tampa 6. Tampa scored in the last quarter to maintain a record of scoring on every oponent throughout the season.

The less said about the Presbyterian game the better. The Blue Stockings came down with a record of four wins and no defeats in SIAA competition, but an unexplained loss to Mercer lured the Tars into false confidence. The team just wasn't keyed and fumbled five times in the first half, besides having three passes intercepted. Presbyterian, running off a T formation proved to have a really capable team and took advantage of Tar miscues to score 14 points in the first half. Rollins finally clicked for one sustained march, but a 14-6 setback was the best they could achieve.

Bouncing back from Presbyterian, the Tars took it out on Howard. Ralph Chisholm, a long, thin end from St. Cloud gobbled in two passes for scores, Quentin Bittle circled left tackle for nine and another score, and Earl Tyler grabbed a lateral and zig-zagged 29 yards for the fourth tally. All these boys are sophs.

Rollins scored 161 points to 41. Seniors graduating include Doyle Darnold, guard; Frank Grundler, back; Ollie Barker, tackle, Orlando; Buddy Bryson, center, Asheville, N. C. and Billy Middlebrooks, end, Winter Garden. Nineteen freshmen who beat Tampa, 46-0 and Miami, 28-0, return, as do 18 juniors and four seniors.

Dr Stone Named Dean

Dr. Wendell C. Stone

DR. WENDELL C. STONE, Professor of Philosophy in Rollins College since 1933, has been elected dean of the faculty upon the resignation of Dean Anderson who will become President of Whitman College.

Dr. Stone will assume his duties at the end of the present academic year. His appointment is announced by the Board of Trustees following their decision not to seek a dean to carry on all of the duties so ably discharged by Dean Anderson, but rather to distribute these duties to several executives. The scope of deanship hereafter will be confined to the general realm of faculty relationships, curriculum and improved methods of instruction.

The office, it is expected, would be a rotating one and would be filled from time to time by different members of the faculty. It is contemplated that Dr. Stone will serve as dean for the two-year term of 1942-44. He will continue to teach philosophy but will be relieved of a portion of the load he has hitherto carried.

Dr. Arthur D. Enyart, Dean of Men and Mrs. Marion Cleveland, Dean of Women, will supervise student relations, both academic and social. The public relations and other miscellaneous duties of Dean Anderson will be distributed to others of the faculty and staff most qualified.

Dr. Stone was born and reared in Ontario, Calif. and there received his elementary and high school education. His undergraduate work was done at Pomona College in California. Upon receiving his bachelor's degree he was granted a teaching fellowship at the University of California, where he spent two years in teaching and graduate study. At the end of these two years he was granted a fellowship at Yale University, where he received the degree of Doctor of Philosophy.

He was called to Rollins College from Miami University at Oxford, Ohio where he occupied the Chair of Professor of Philosophy. Dr. Stone is a member of the American

Philosophical Association, Pi Gamma Mu, the National Social Science Fraternity and of Phi Delta Theta.

Last June Rollins conferred upon Professor Stone the Rollins Decoration of Honor and in the citation President Holt said:

"Wendell Cornell Stone scholar, philosopher, beloved and ideal teacher of youth; for your high scholarship in your chosen field; for your outstanding leadership as a member of the faculty; but especially for your devoted service to Rollins College in its efforts to formulate a sound philosophy of higher education for modern youth in a modern time, I have the honor to confer on you the Rollins Decoration of Honor and admit you to all its rights and privileges."

ROLLINS CLUBS

BUFFALO: Betty Trevor Buffum extended her hospitality once again to Rollinsites of Buffalo Wednesday night, November 27, when George Waddell was visiting Buffalo.

Those who had been her guests for an outdoor supper party in June at the time of a visit from Dr. Holt and George Waddell knew better than to miss the evening. A small group of Buffalonians got together for a grand evening and at times forgot they were in Buffalo as they watched friends doing familiar things at Rollins in the movies that were shown them.

Crackers and cheese, coffee and cookies to say nothing of the congenial company and reminiscences were responsible for a rather late departure of Betty's guests.

It was decided in truly American fashion to elect officers for a Rollins Club of Buffalo. The directors are Chick Prentice, Chairman, Jean Crowley Prentice, Sandy Showalter and Betty Trevor Buffum, secretary and treasurer.

Alumni and students of Rollins visiting Buffalo may get the addresses or telephone numbers of any Rollins alumni from Betty Trevor Buffum (Mrs. Sampson) 664 Richmond Ave., Telephone LIncoln 8129.

CHICAGO: (Directory of Chicago Alumni available to out-of-town alumni and students of Rollins at the Hospitality Desk in the lobby of Palmer House.)

Tuesday evening, November 18, found Rollins Alumni from near and far in a private room down in Harding's Presidential Grill. Hank and Wilma Lauterback down from Delavan, Wisconsin, reported that the pump business needed no priming. Before the evening was over Wilma appeared again laughing into the color film of Herman Siewert's camera from the horseshoe. Ditty Hannahs and Annie Whyte Wilder came in from Kenosha, Wisconsin, which Annie insists is not out in the sticks at all. Bill Reid came in from West Chicago. He is connected with St. Charles School for Boys out in St. Charles, and Chairman Bob Burhans also of West Chicago stole a little time off from his office in Montgomery Wards to join us for the movies of the campus. The others were from Chicago and its more immediately suburban towns.

Not only reminiscences and inquiries about mutual friends, however. Plans were made for representative alumni from all Chicago areas to meet with Bill Reid and Dave Schräge to carry through the Club's objective, to make an organized effort to interest worthwhile prospective students in Rollins. The first action will be taking over a booth at the New Trier-Evanston High Schools College Day in order to present the facts of Rollins to the interested seniors and parents.

Tommy Thompson explained the Quarterback Club activities and George Waddell, Alumni Field Secretary, brought news from the campus along with some movies of campus life taken by Herman Siewert and John Lonsdale. Jim Gowdy said the Club could meet at the Arena, Chicago's Ice Rink, for a free skating party sometime in the future. Here's a Club that is really starting things.

If you're a Chicagoan you don't want to miss out, watch for the next meeting!

MIAMI: On the evening of October 17 preceding the annual Rollins-Miami football classic which drew 18,000 to Burdine Stadium, the Miami Club entertained at dinner at the Seven Seas Restaurant. Present were some 83 alumni, faculty and students, with Prexy as guest of honor.

Dick Starr, president of the Club, opened the gala meeting with a few short words, a whistle and a stop watch, the last two to be used in timing all speeches. The Alma Mater was sung and Prexy was introduced. Knowing how anxious everyone was to get to the game Dr. Holt made a very short speech and yet gave a very clear and understanding view of the new buildings, attendance and latest developments on the campus.

George Waddell was introduced and presented, in brief, the activities of other Alumni Clubs of Rollins throughout the country with praise for our growing interest.

Hats off to the Board! Members of the newly elected Board of the Miami Club met the following morning at the unheard of hour of eight! That is true devotion. The following were present and discussed with George Waddell plans for the Club activities for the coming year: Dick Starr, Chairman; Joyce Powers, Vice-Chairman and Secretary; Virginia Mitchell, Treasurer; Arline Kaye Howden, social secretary; Bob Wilson, chairman in charge of Student Solicitation; J. K. Dorn, chairman in charge of gifts; Fred Vanderpool and Lloyd Towle members of gift committee.

An interesting thing the Club is doing is keeping a scrapbook of clippings concerning their activities together with minutes and names of those attending the meetings.

MILWAUKEE: Although Milwaukee alumni got together for supper with Dr. Holt last June their first organization meeting was held Wednesday, November 19, in the home of Katherine Putnam Bowers at eight o'clock. A disagreeable rainy evening and the competition of a Chicago Rollins Club meeting the night before conspired against a large gathering. Estelle Pipkorn Drought, Harriet VanDame Watrous, Mary Nohl, Fred Kasten, our hostess Kay Putnam Bowers, our host and George Waddell here from the campus made up the charter membership. The five local alumni made Fred Kasten and Katherine Bowers co-chairmen of a Committee composed of themselves to extend the activities and develop the interest of Milwaukee Rollinsites. Idabelle Edwards Thompson who arranged for the earlier meeting honoring Dr. Holt, was elected secretary of the Club.

Films taken by Herman Siewert and Johnny Lonsdale, '38, were shown by Fred Kasten and revealed a new and beautiful Rollins to nearly everyone who saw them. The word brought by our Alumni Field Secretary was of even further development, the story of a growing Rollins.

Those alumni charter members of the Milwaukee

Board, decided to exert their efforts toward an increased number of students from Milwaukee. They expect to have a meeting in March to which prospective students and their parents may come and meet with the Director of Admissions.

NEW YORK: On September 20 of this year the Board of Directors of the New York Club inaugurated a party in honor of the new alumni and also for new students going to the college and old ones returning, to enable all of them to become acquainted for the first time or to renew old acquaintances. Dr. Holt, Professor and Mrs. A. J. Hanna, Mr. E. T. Brown, Dr. William Melcher, Mr. and Mrs. George Holt as well as Dr. W. E. Fort and Count de Noue, new members of the Rollins faculty and Dr. and Mrs. Clifford Maser were present. Dr. and Mrs. Albert Shaw, several parents of present students and approximately 85 alumni were present. The tea table was centered with a bowl of yellow mums and blue delphinium and was presided over by Virginia Clough and Jean Parker. It is hoped to make this an annual party.

The annual Fall party at the Shaw's is a looked forward to event of the New York Club. It was held on October 5 and due to the heat the usual baseball game was dispensed with, but much visiting took place until food time when a huge fire was built and wienies were cooked and everyone ate too much. Annual election for members of the Board resulted as follows: Robert Stephens, chairman, Sarah Yancey Belknap, recording secretary, Frances Montgomery, corresponding secretary, Charles Magruder, treasurer, Nancy Cushman, Jean Turner, Rudolph Toch, Virginia Clough, Marita Stueve, Mat Ely, Dudley Darling and Clementine Hall.

On the evening of November 30 about sixty members of the Club went to the Shaw barn for dancing. Caller and fiddler were from the Country Dance Society, who calls over C.B.S. Everything from the Polka, Virginia Reel, regular and square dances were enjoyed with lots of fun, hilarity and lack of wind. While "resting" songs were sung, nursery rhyme competitions took place, conundrums were played and everyone drank cider and ate doughnuts. Two top price seats for the latest musical comedy were raffled off and won by Charles Varney. A great time was had by all.

In addition to club meetings the New York Club reports that its Employment Advisory Committee has been functioning actively for six months. The cases of ten alumni, most of them in the Class of '41, have been handled by this committee and either directly or indirectly helped to get into jobs around the city which interested them.

ORANGE COUNTY: On the afternoon of September 27 following the first faculty meeting of the new academic year the Board of Directors of the Rollins Club of Orange County entertained the faculty in Mayflower Hall. A cold punch was served by Mrs. Lillian Wilmot Fishback and Mrs. Edna Giles Fuller. This first social gathering of the entire faculty was quite successful. This little gesture of hospitality on the part of the home-folks alumni club was only a beginning. Soon the Board was planning for a big homecoming when all returning alumni as well as their own members would be attending the football game and a big dance immediately following. Bill Jennings was named chairman of the dance committee

and alumni and students combined to make the dance an outstanding success.

The game between Rollins and Howard was all that could have been asked for. Immediately following the game the "crowd" went to the Orlando Country Club where Eddie King held sway. It was a grand success and special thanks go to Bill Jennings, Red Winderweedle, Frances Perrottet, Jack Buckwalter, Mary Evans Coffman, Becky Coleman Holt, Helen Steinmetz and Ray Greene for their efforts.

Rollins Dedicates Game to Service Men

ROLLINS dedicated the first home Football game of the season to the Rollins men now serving in the armed forces of Uncle Sam. The game was played at the Greater Orlando Stadium on the night of October 27. Service men from the Orlando Air Base were special guests of the College for the game.

During the half President Hamilton Holt with Colonel Voss of the Air Base, a Color Guard and the two team captains and the Rollins Band went to the center of the field where a brief dedicatory service was held.

In dedicating the game President Holt said: "Tonight, at the first intercollegiate game to be played at our new stadium of which we are all so proud, we dedicate this game between Mercer and Rollins to those men of Mercer and those men of Rollins who are serving in the armed forces of our country.

"We are proud of these Mercer and Rollins men who wear their country's uniform. One of our finest boys, Max Harrington, only this week gave his life in the prosecution of his duty to his country. Some of our boys only 12 months ago wore the blue and gold colors of Rollins here on this very field.

"But today their's is greater glory than could ever be achieved on the football field. Ruskin has said war is the greatest of all games because the stake is death. When men face death, provided it is to achieve, maintain and perpetuate liberty, justice and right, war brings out the best in man's physical, mental and moral nature.

"Fortunately the youth of America have never been called upon for wars of conquest, exploitation and enslavement. Rather our armed youth stand as guardians of our liberties and as guarantors that the day will one day come when as Victor Hugo prophesied, 'The only battlefield will be the market opening to commerce and the mind opening to new ideas.'

"And so proudly we salute the sons of Mercer and the sons of Rollins, whether on the land, on the sea, or in the air. They serve America."

At the conclusion of Dr. Holt's tribute the Rollins Band played the Star Spangled Banner, President Holt's party left the field and the football teams again took their places for the second half.

CLASS NOTES

CLASS OF 1908

Secretary: Leon B. Fort, 309 Cherokee Drive, Orlando, Fla.

The Rollins Class of 1908 will please come to order. Roll call will be dispensed with and we will get right down to business.

Now, *James Henry Buttram* of Palmetto, Florida, what have you been doing for the past thirty-three years since you left Rollins?

James Henry looks over his glasses, grins and modestly states that after leaving Rollins he attended the University at Gainesville and started to practice law June 1909. The next year being leapyear and Buttram being a timid soul, he got married. The Buttrams have three children, James Henry, Jr., who is in defense work at the Jacksonville Air Base, and Louise 20, and Catherine 18, one in the Florida State College and is James Henry, Sr. proud of his family.

Hester Christen Davis of Butte, Montana, will you step up and give a report of yourself?

Hester being a little shy said she was only in the Academy at Rollins, but after being assured that she still belongs in the 1908 period we finally dragged from her that she had been a teacher for five years, and is now a housewife, a mother and a caretaker and tag along of a very busy lawyer of Butte, Montana who is also President of Rotary International. Mr. and Mrs. Davis are now on a tour through Mexico, Central America and Northern Countries of South America. They have three children, Peggy who is Physical Education Instructor in Helena High School, Tom, Jr. who is an instructor in the U. S. Army aviation, and Shirley a junior in Butte High School.

Eunice Baldwin McIntosh of Santa Anna, Calif., come forward. Now "Sunshine" what all has you been doin' these last thirty-three years, Honey? Speak up.

After close questioning we found out that our former little "Sunshine" is now a four time grandmother, not noticeably gray, has all her own teeth, and an inward Heavenborn joyousness which has surmounted the exigencies of rearing eight stalwart sons and daughters, and has sent her forth as "Mother Mac" into the lives of many hundreds of other young folk.

Eunice says if any of her classmates are California bound a card to her at R. No. 4, Box 491, will arrange a meeting and she will be glad to see them.

Space will not permit telling all the McIntosh family are doing but we are proud to have such a member in our class.

Fred Vanderpool of Miami, Fla., come here and make a statement of your deeds and mind well you tell all (that you dare tell.)

You know how Fred is, no one likes to brag on themselves but he left Rollins and went to Atlanta and stayed there until 1911 in the newspaper business and later in the Insurance business. He then returned to Jacksonville and spent some time travelling Florida as a special agent. He fell in love with Miami and went into business there with J. K. Dorn, a Rollins alumnus, and then later started out for himself. In 1940 he consolidated with the

Green-Keyes, organization under the name of Green-Keyes-Vanderpool Agency, Inc.

Fred says his ultimate ambition is to retire to the old home on Lake Maitland and enjoy a well earned rest near Rollins.

Good old reliable *Margaret Burleigh Vaughn*, come out from behind that cloak of modesty and tell us if you are still as genial and thoughtful as you were in the good old Rollins days? With reluctance Margaret came through with the information that from 1908 to 1917 she was at home in Tavares. Then as there was need for Home Demonstration Agents she took a course in Tallahassee and then worked in Bradford County one year and in Lee County 2½ years. In 1924 she married Dr. Arthur P. Vaughn a Presbyterian minister and went to Ft. Myers two years, Avon Park, ten years. In 1936 to Punta Gorda and the next year to Everglades where they remained until a year ago when they came to Ft. Myers to be with Dr. Vaughn's invalid sister. No hobbies, no children, still sing a little in Church.

William Sherman Hatch is present and reports that most of the years were insnared in a tangle of business activities which carried him to the four corners of our country and into the Orient, but brought him neither fame nor great fortune but much of happiness and friendships, with a brief interlude when he served overseas in the first World War. Two sons have justified his living, the older a graduate of Stanford University and now a lieutenant in the Army Air Corps and the younger boy a graduate of Mercersburg Academy and presently a student at Stanford. He is looking forward to a gladsome reunion of cherished memories when the *Record* reaches him and brings into his home many dear friends of those earlier Rollins days.

Marguerite Drennen, of Dummit Grove, Titusville, Fla., is not present in class today, but she is the same good looking red head, full of life and really doing things on this big grove. Marguerite has been everywhere and seen everything and after breaking thousands of hearts has we hope settled down here to develop this lovely old estate.

Mary Robinson is also absent from class but no doubt she is very busy. Mary is a very well known and successful interior decorator in Orlando, Fla. and the same gracious girl you remember at Rollins.

Rube Blackburn of Tampa was in the other day and was all puffed up about being a proud grandpa. He gave us good reports of *Walter Bettis* and *Emma Hudson Bettis*, also *Barney Rhodes* and *Dick Morales*. We hope you will all come up to the dedication in February.

(Ed. note) Your secretary has been in Orlando since Rollins days; very active; married Virginia Badger; no children; with Dave Rogers, '09, ran the San Juan Garage for many years; was a member of the Orlando Utilities Commission; has served as General Manager of the Orlando Utilities. In addition to his present duties with the Orlando Utilities he is also a large grove owner.

ROLLINS COLLEGE

THE ALUMNI ASSOCIATION THIS PAST YEAR HAS BEEN MAKING EVERY EFFORT TO LET EACH MEMBER KNOW THAT IT IS AN ALIVE AND VITAL FORCE — THE ONE REAL TIE BETWEEN THE ROLLINS OF YESTERDAY, AS KNOWN AND LOVED BY ITS MEMBERS, AND THE ROLLINS OF TODAY. THE ASSOCIATION HAS ATTEMPTED TO DO ITS PART THROUGH THE ALUMNI RECORD AS WELL AS OTHER MEANS TO KEEP EACH OF ITS MEMBERS AWARE OF WHAT HAS BEEN TRANSPIRING AT THE COLLEGE AND WHAT HAS BEEN HAPPENING TO HIS OR HER OWN CLASSMATES. UNFORTUNATELY SOME OF THE MEMBERS HAVE NOT MADE THIS TASK ANY EASIER. ALL OF US ENJOY READING THE NEWS WITH RESPECT TO OUR CONTEMPORARIES IN THE CLASS NOTE SECTION OF THE RECORD, AND ONLY BY SECURING THE COOPERATION OF EACH MEMBER OF THE ASSOCIATION WITH HIS OR HER OWN CLASS SECRETARY CAN A TRUE PICTURE BE PRESENTED OF THE PRESENT LIFE AND ACTIVITIES OF OUR OLD FRIENDS. PLEASE, THEREFORE, PUT ASIDE FOR A FEW MINUTES WHATEVER YOU ARE ENGAGED IN WHEN YOU RECEIVE, AS YOU WILL, A POSTAL CARD FROM YOUR OWN CLASS SECRETARY AND WRITE IN DETAIL WHAT YOU HAVE BEEN DOING. IF YOU COOPERATE IN THIS WAY THE RECORD WILL BECOME MUCH MORE READABLE AND INTERESTING TO ALL ITS READERS.

FOUNDERS WEEK THIS COMING YEAR IS OF SPECIAL IMPORTANCE TO ALL ALUMNI. AS THE NEW ALUMNI HOUSE QUARTERS IN THE STUDENT UNION BUILDING FOR WHICH WE HAVE ALL WORKED SO HARD WILL BE FORMALLY OPENED AND DEDICATED DURING THAT WEEK. WE HAVE ALL LONG LOOKED FORWARD TO THIS EVENT, AND IF EACH OF US MAKES A CONSCIENTIOUS EFFORT TO BE PRESENT FOR THE DEDICATION WE WILL HAVE THE LARGEST AND BEST TURN OUT FOR THE BIGGEST EVENT IN THE HISTORY OF THE ASSOCIATION. SO IF ITS YOUR FIRST, FIFTH, TENTH, TWENTY-FIFTH OR ANY OTHER CLASS REUNION PLAN TO ATTEND THE DEDICATION FOUNDERS WEEK AND HELP MAKE IT A REAL SUCCESS.

TOM JOHNSON.
