MINUTES OF THE FACULTY, 1971-72

A special meeting of the Faculty was held on Monday, February 14, 1972, at 4:00 p.m., in Crummer Auditorium. The purpose of the meeting was to provide Dr. Bowers and President Critchfield with an opportunity to present several announcements. Dr. Bowers presided.

The Minutes of the Faculty meeting of February 4 were approved as distributed.

Dr. Bowers announced that he would report to the Trustees in their February meeting and that his report would be distributed later to all Faculty.

President Critchfield announced that retroactive salary increases would at last be paid to Faculty beginning February 15. He also announced that Dr. Roger Hines and Governor Reuben Askew would be the speakers, respectively, at the regular undergraduate and the CFSCS-graduate programs commencements. He also reported that Dr. Stephen Turnbull will become, effective Summer 1972, the full-time director of the Rollins Health Service; Dr. Turnbull will also be appointed Associate Professor of Biology, and he hopes to be able to offer limited service to faculty families.

The President also announced that the Admissions Department was 60 applications ahead of last year's pace. He reported that some progress was made this year toward a satisfactory winter term, but he was alarmed at the apparent variance of the amounts of work required in the classes.

An expansion of the library--the addition of five thousand square feet to MML--was announced.

The progress of the Self-study has been good.

The provost search continues; Dr. Ling and his wife have been invited back to campus; other candidates are still being considered.

The budget for next year--to be presented to the Trustees for approval--will be \$7,000,000. Development efforts to date have resulted in unrestricted funds of \$500,000, and in restricted funds of \$800,000. The President asked the Faculty to continue to help with fund-raising efforts, but to check first with the development office.

Page 2

Dr. Virginia Stevens requested that Faculty direct to her any students with deficient reading or study skills so that they may receive the advantages of her developmental reading program.

Mr. DeNicola announced that the student evaluations of Faculty--taken during the Fall Term--were available for perusal in the Dean's office.

The Faculty adjourned at 5:00 p.m.

Edward H. Cohen
Secretary of the Faculty
