are cordially invited to attend the exercises of

FOUNDER'S WEEK

Wednesday, February 19th to Sunday, February 23d

1919

The Tentative Program is as Follows:

Wednesday, Feb. 19—Morning; annual meeting of the Board of Trustees; afternoon, open meeting of Delphic Society; evening, concert by Faculty of Conservatory of Music.

Thursday, Feb. 20—Day of Prayer; morning, annual address; afternoon, "College Sing"; evening, address before Christian Associations.

Friday, Feb. 21—Founder's Day; afternoon, Founder's Day addresses; evening, reception in honor of Senior Class preceded by Glee Club and Orchestra Concert.

Saturday, Feb. 22—(Washington's Birthday)—Alumni Day; morning, annual meeting of Alumni Association; afternoon, annual regatta; evening, Alumni Dinner.

Sunday, Feb. 23—evening, Vespers.

The Annual Meeting of the Alumni Association

HELD IN CARNEGIE HALL, FEBRUARY 23, 1918.

The twentieth annual meeting of the Alumni Association was called to order by the President, with the following present: Mr. Alfred J. Hanna, President; Miss Mabelle O'Neal, Vice-President; Miss Mary L. Conaway, Treasurer; Miss Anne Bellows, Mr. T. W. Lawton, Miss Susan T. Gladwin, Secretary, and the Senior Class (as guests): Miss Katharine Waldron, Miss Sara Yancey, Miss Sadie Pellerin, Miss Elizabeth Russell, Miss Sara Muriel, Miss Annie Stone, Mr. James I. Noxon, and Mr. Robert Hutchinson.

In response to the roll call a number of interesting letters and extracts from letters received during the year by the officers, were read by the Secretary.

The minutes of the adjourned session, held May 31, 1917, of the last annual meeting, were read and approved as were also the minutes of the special meeting of September 18, 1917.

The next item of business was "Greetings from the President of the College". Dr. French gave a short talk in which he spoke of the "hopeful outlook for the future of Rollins" which seemed to pervade the meetings of the week.

After President French, came Alumni Trustee T. W. Lawton. In a very happy talk he spoke of his new duties as trustee, representing the alumni of Rollins, with suggestions to the Association for bringing in new students. He closed with a request for instructions from the alumni as to what their wishes may be in regard to the policies of the college.

The Reports of the officers follow:

PRESIDENT'S REPORT

To the Members of the Alumni Association of Rollins College:

I have the honor to present as follows my report for the year beginning June 1, 1917 and ending February 23, 1918.

The enthusiasm manifested at the final session of the 1917 meeting has been a characteristic feature of the work throughout the past year. This was due chiefly to the undivided support which Dr. Ward brought to the college and the bright outlook which his personality and efforts inspired. As the work of the Association was studied, it became apparent that the lack of active interest, on the part of the alumni, was mainly due to two causes.

The first of these causes seemed to grow out of the fact that 69 per

cent of the alumni reside in other states than, Florida—in Alabama, Georgia, Maine, Massachusetts, Mississippi, Missouri, New York, North Carolina, Ohio, Pennsylvania, Oregon, South Carolina, Washington, Wyoming—and other countries—China, Cuba, and the Philippine Islands. Their natural interest and loyalty would consequently be divided and diminished. In addition to this geographical distribution may be mentioned the fact that there is not a community feeling among the Rollins graduates as is the case where college classes are larger and class spirit more prevalent. The result of this is that there is not a sufficiently strong bond of friendship to draw the members of classes together or to make it of interest to the alumnus to return to Winter Park. The outstanding exception to this rule is Dr. Thos. R. Baker's place in the hearts of all Rollins people.

In order to overcome the first obstacle, the publication of the "Alumni Record" was determined upon. It was thought that such a pamphlet issued annually and containing the correct names, addresses, and occupations of alumni and former students, a detailed account of the annual meeting of the Association, as well as personal and news notes, would appeal to many and make less prominent the barriers of distance. The value of such a compilation as an asset in building up a strong organization is obvious.

The second cause for the absence of alumni activity appeared in the lack of a definite object toward which the alumni should strive. As will be noted in the Secretary's Report, the mail ballot conducted in the selection of the Baker Chimes as the object for which the Alumni Association would give its entire support. It has long been the desire of a great many old students to see a fitting memorial erected to this admirable character, as evidenced by the fact that there has previously been donated for this purpose the sum of \$329, and, during the present year, by the student body, \$50 in the form of a Liberty Bond. As all moneys collected for this purpose are being converted into Liberty Bonds anyone interested in this worthy project—and it is hoped there will be many—will not only be contributing toward the memorial but also manifesting patriotism.

That the Alumni Association might adequately carry out its policies and purposes which are, (1) to promote a more fraternal spirit among the alumni and loyalty to the college by publishing the names of former students and other items of interest in the Record; and (2) to raise funds for the Baker Chimes—a special meeting of the Association was called to convene on September 18, 1917, the opening of Rollins's thirty-third year and the day on which Dr. Calvin H. French formally assumed the presidency, for the purpose of amending the constitution to meet its needs. This constitution, as amended, appears in another part of the Record.

ALUMNI RECORD

3

A matter of much importance which was also settled at the special meeting was the change in the time of the annual meeting of the Association. Since last year, much consideration has been given the suggestion made by Dr. Ward that owing to the warm days which usually come during Commencement, it would be more practicable to hold those exercises, whose separation would not detract from the dignity of Commencement, in the late winter or early spring. In conjunction with President French this suggestion was carried out by the officers of the Association. It resulted in what is known as "Founder's Week", held this past year February 20-24 and included the annual meeting of the Board of Trustees, the Day of Prayer for Colleges, Founder's Day, which occurred on Washington's Birthday, and Alumni Day, at which time the annual meeting of the Association was held and the dinner in honor of the Senior Class was given. It is thought that a "home-coming" to alma mater will be both more convenient and pleasant in February than in June. This change is made without minimizing in the least the final exercises of the year. Commencement Day with its graduation exercises in the morning will always be a time when alumni and former students will return to Winter Park.

A distinctive feature of the past year has been the nomination by the alumni and the subsequent election by the trustees of Superintendent Lawton as alumni trustee—the first for Rollins College and without precedent in Florida. This is a unique situation and a further proof that the college has as alumni, men and women of trustee calibre. As dean of Florida colleges, Rollins has taken another progressive step.

The personal work of the Association has been a source of much pleasure. Since June, last, an extensive correspondence has been carried on with the alumni in whose ranks are found doctors, lawyers, chaplains, sailors, soldiers, school teachers and officers, county demonstration agents, librarians, secretaries—all of which indicates that the training received at Rollins is broad and general.

It has been clearly seen that the work of the Association does not lie exclusively within the ranks of degree graduates. Under the auspices of the Alumni Association the Rollins Circle of Tampa has been re-organized, steps taken toward putting new life in those both in Jacksonville and New York and a new one formed in Boston. These clubs, composed of former trustees, faculty members, and former students, form a vital link in the college chain of interest and are the means of renewing and deepening many happy friendships.

Another project of considerable and growing interest is the Rollins Press. Last January the Press Committee, composed of the President of the college, the President of the alumni association, and the editor of the Sandspur, purchased, with the \$245 which had been placed at their

ANNUAL MEETING OF ALUMNI ASS'N

disposal by last year's seniors (who made that amount on the publication of the Tomokan, the year book), a small printing plant. Mr. Chas. H. Morse a trustee, provided housing accommodations and at the annual meeting of the trustees, the administration was authorized to add to the equipment so as to make the Rollins Press a reality. By September next, the plant will be in working order, ready to print the Sandspur, the town paper, the college bulletins, and, next March, the Alumni Record.

It has been some time since it was realized that to continue at one's accustomed task when others were shedding their blood for a common ideal was more than difficult. Although of less imminent moment, these home tasks are no less a part of "making the world safe for democracy" and keeping it safe. After the policy, herein stated, had been carefully considered at the September meeting, it was unanimously decided that only the essential work of the Association should receive attention during war time. Consequently the treasurer has asked for no contributions other than the annual dues, which are turned into Liberty Bonds for the Baker Chimes.

I conclude this report with the earnest hope that these essentials of the Alumni Association receive during the coming year your cordial and understanding and interested support.

ALFRED J. HANNA, '17

President, Alumni Association.

VICE-PRESIDENT'S REPORT

To the Alumni Association of Rollins College:

The regular duties of the Vice-President have received attention as usual.

During November of 1917 and January 1918 cards were mailed to former students of Rollins College for the purpose of correcting and completing the Record as compiled through the efforts of Dr. Baker. The name, address, year of attendance and present occupation of all such students were asked for. The corrections and additions, so far as it has been possible to make them, appear in another part of the Record.

MABELLE O'NEAL, '11

Vice-President, Alumni Association.

SECRETARY'S REPORT

To the Alumni Association of Rollins College:

The Minutes of the annual meeting of 1917 were sent to each member of the Association in which several objects were set forth as worthy of the Association's support and toward which it should bend its energy for accomplishment. These were: Infirmary, Thomas R. Baker Chimes, Press Building, and Greek Theatre. The referendum conducted during the summer was for the purpose of choosing one of these. Returns came from twenty-two members, sixteen of whom voted for Baker Chimes.

In May of last year the privilege was granted to the Alumni Ass'n by the Board of Trustees of the College to nominate an alumnus for the position of Alumni Trustee. At an informal meeting of the Executive Committee held with President French October 13, 1917, it was decided that the following conditions for nominations would be required: (1) The person nominated shall be at least ten years graduated, with degree, from the college. (2) The general interests of said person shall be in the state of Florida. The two members named by this committee as having these qualifications were Mrs. C. W. Greene, (Carrie Price, '99) a prominent club woman of Tampa and Mr. Thomas Willingham Lawton, '03 of Sanford, Superintendent of Public Instruction, Seminole County.

These names were submitted to the Association by mail ballot and the result of the vote was as follows: Thirty-one votes cast in all, twenty-two for Mr. Lawton, nine for Mrs. Greene. The name of Mr. Lawton was submitted to the Board of Trustees and he was elected February 20 at their annual meeting.

Several letters were received from members expressing regret at not being able to be present during the exercises of Founder's Week. Acknowledgments were received from the following honorary members: President A. A. Murphree of the University of Florida, Dr. E. C. Hills, Librarian of the Hispanic Society of America, New York, Rev. George Eaves, D.D., of Birmingham, Ala., Rev. Wm. B. Y. Wilkie, D.D. of Dunedin, and Rev. Henry A. Atkinson, Executive Secretary of the National Committee on the Churches and the Moral Aims of the War.

SUSAN T. GLADWIN, '99,
Secretary, Alumni Association.

TREASURER'S REPORT

To the Alumni:

A member of the class of 1902, when remitting her dues for the fiscal year sent in a check for \$8.50. This represented dues for fifteen previous years. The action of this alumna is to be commended and followed and it is hoped that alumni generally will make inquiries in regard to arrears and pay the same. The work of the Association is limited by the amount of its income. The small annual dues of \$1.00 should be promptly paid.

Up to last May, the Alumni Association, having no definite aim could not expect much financial aid from its members. But now since we are planning to build the Baker Chimes as soon as the war is over and all our funds go into that I know that those, who in the past have been prone to neglect this very important part of their duty to the association will promptly pay up all their obligations.

A fund for the Baker Chimes was started by the Alumni and former students in December, 1909 and at that time \$329.50 was sent in to the

ANNUAL MEETING OF ALUMNI ASS'N

college. The donors were:

Dr. T. R. Baker	\$85.00
F. P. Ensminger	2.00
A. L. Slater	15.00
F. T. Clayton	5.00
Susan T. Gladwin	5.00
Mrs. Grant P. Travis	10.00
W. F. Ronald	15.00
In Memorium (Dr. Barrows)	1.00
Lillian Bingham	3.00
Miss Sydney Evans	2.00
From an old student	5.00
Patty Howe Christiancy	5.00
E. C. Hills	5.00
Mrs. Grace L. Lutz	5.00
Samuel H. Edes	10.00
S. H. Ankeney	5.00
L. R. Powers	5.00
Isabel & Ida Simen	5.00
Bessie R. Clements	5.00
Rev. E. P. Herrick	10.00
Mrs. Orpha W. Twitchell	100.00
Prof. Theodore Peet	5.00
J. Harold Dale	5.00
E. R. Favor	15.00
Marguerite Doggett	1.50

\$329.50

The matter was dropped then and no more was done until our Alumni Meeting, May last when the association decided to work definitely for this end. During the first semester the college students bought a fifty dollar Liberty Bond which they have turned over for the Baker Chimes.

When the Third Liberty Loan was floated, we decided to put what money was in the treasury in a fifty dollar bond.

The Alumni have taken greater interest this year in paying their dues than in any previous year in spite of the great demand upon their purses, as you will see from the following:

RECEIPTS.

June 25, 1917. Balance received from Anne Bellows	\$12.52
Dues for year beginning June 1, 1917 and ending February 23, 1918 (including in some cases, back dues).

Respectfully yours,

MARY L. CONAWAY, Treasurer.

REPORT OF THE EXECUTIVE COMMITTEE.

To the Alumni Association:

The duties assigned to the Executive Committee by the new constitution have been carried out during the past year and it is hoped that the results will be gratifying.

The first task, to "have charge of all meetings and functions of, or those which require the representation of the alumni" hinged around Alumni Day of Founder's Week. Nothing new was done inasmuch as the day was filled with the functions which custom dictates. No special arrangements were necessary for the annual meeting held in Carnegie Hall in the morning. The dinner in honor of the Senior Class, which was given at the Seminole Hotel that evening, required more details; place cards had to be selected, amusement provided, and special guests

invited. In addition to the Senior Class, President Calvin H. French and Mrs. French, Mrs. Charles L. Smith and Dr. Thomas R. Baker were invited as guests. As has been the custom for many years a little booklet containing many blank pages was provided for each senior and these pages were filled out by the guests with "sage advice." All expenses were taken care of by assessing the alumni present.

The second task to "nominate for election at each annual meeting class historians," called for considerable reflection. These nominations were accepted at the annual meeting and are: Class of '90, Miss Clara L. Guild; Class of '93, W. Hamilton Johnson; Class of '95, Ernest Missildine; Class of '96, Fritz J. Frank; Class of '97, Rev. Fred P. Ensminger; Class of '98, Miss Mary S. Piper; Class of '99, Miss Susan T. Gladwin; Class of '00, Rev. J. Harold Dale; Class of '02, Mrs. W. B. Smith; Class of '03, Supt. T. W. Lawton; Class of '04, Mrs. L. C. Algee; Class of '05, Miss Julia Reed; Class of '06, William F. Ronald; Class of '07, Miss Grace Boone; Class of '08, Miss Margaret Burleigh; Class of '09, Prof. W. B. Hathaway; Class of '10, Miss Marguerite Doggett; Class of '11, Miss Mary L. Branham; Class of '13, Conrad Bucher; Class of '14, Mrs. G. Conrad Bucher; Class of '15, Miss Anne Bellows; Class of '16, Mrs. Elmer K. Harris; Class of '17, Miss Anna Funk; Class of '18, Miss Elizabeth Russell.

EXECUTIVE COMMITTEE,

KATHLEEN HILL BUCHER, '14, Chairman.

MARY L. BRANHAM, '11.

ANNIE BELLOWES, '15.

Following the reports of officers, and there being no unfinished business, the officers for the ensuing year were elected and resulted: President, Mr. Alfred J. Hanna; Vice-President, Mrs. Ada Bumby Yothers; Secretary, Miss Susan T. Gladwin; Treasurer, Miss Mary L. Conaway; Executive Committee: Miss Anne Bellows, Chairman; Miss Mabelle O'Neal, and Mr. Arthur L. Slater.

Under the head of new business a general discussion was participated in concerning inter-collegiate athletics. Several expressed opinions as to how this should be carried on. The following motion, made by Mr. Lawton was carried unanimously: "Resolved, that Rollins College neither challenge nor accept challenges from any secondary schools for athletic contests."

Another item of new business was the vote that the Secretary send the Association's greetings and an expression of its appreciation of their service to the alumni who are in the Army and Navy.

THE ROLLINS CAMPUS THIRTY YEARS AGO. THE BUILDINGS FROM LEFT TO RIGHT ARE OLD KNOWLES HALL, (DESTROYED BY FIRE IN 1909), PINEHURST COTTAGE, AND THE DINING HALL.

ONE OF THE MODERN BUILDINGS, CHASE HALL, MEN'S
DORMITORY.

THE BEGINNING OF ROLLINS COLLEGE

By Lucy A. Cross.

(Miss Cross has been preparing this article, during the past year, especially for the Alumni Record. Inasmuch as she had more to do with the conception of a Christian college in Florida than any other person, no one is in a better position to write this historical sketch.)

Vocally, I cannot sing but the song of my soul during the latter months of 1883 was a college in Florida after the type of the Congregational colleges of the middle west, particularly Olivet, Iowa, Doane, Washburn, Carleton and the grand and beneficent mother of them—

my alma mater—dear old Oberlin. The seed sown grew rapidly, as I considered the youths of Florida and the sons and daughters of our tourists would need and demand from us, if they were to be leaders in the work of the state, school and church, the full college course, the special courses and the soundest moral and religious teaching by a full corps of learned and conscientious instructors.

Hope sprang in my heart and an idea in my mind, when the late Rev. S. F. Gale called the convention, that organized at Jacksonville on December 6, 1883, the Florida Congregational Association, that was to hold its first annual meeting at Winter Park in March 1884. I felt there would be a response, if I appealed to that noble body of ministers and laymen, also lay-women—themselves the efficient product of our best schools and colleges—and so prepared the following paper and intrusted the difficult task of bringing it, effectually, before the assembled delegates, when it was not on the program, to my pastor, the late Rev. C. M. Bingham—moderator. When there was a question as to allowing the time for it, he said with an emphasis that secured the desired privileges, "Brethren and Sisters, I do not dare to go home and face Miss Cross, if I do not read this paper." The paper read as follows:

My desire is to found a college thorough and complete in its courses of study and illustrate by practice the doctrine of "The education of the South at the South." I ask you, gentlemen, to discuss thoroughly the question, "Shall an effort be made to found a college in Florida?" * * * With a good college in this, our adopted state, our young people can be educated near home, being in school during the nine months, when they should be in a warm climate, and free to spend their summer vacation at the North if desirable; this is much better than for one used to a warm climate, to have to live during the nine months of a scholastic year at the North, and make his visit home in the summer. And students from the North who have delicate health might be able to pursue their studies in a mild climate, where they could have doors and windows open nearly every day, and take their recreations in the open air with very little stormy weather to prevent. * * *

In the Minutes of the General Congregational Association of Florida for 1884, which met at Winter Park, March 18, was the following report:

EDUCATION.

"Rev. C. M. Bingham read a communication from Miss L. A. Cross of Daytona on the subject of founding a college at Daytona. It was voted that a committee be appointed to present, at the next annual meeting of this Association a report on the public school system of Florida, and the higher education and that the paper of Miss Cross be referred to this com-

mittee. Rev. J. A. Ball, Rev. A. B. Dilley, and N. Barrows were appointed such committee."

The following note, preceded by a reference to the above report, is taken from the Minutes of the Congregational Association of Florida for 1885, which met at Orange City, January 27-30, "* * * No inconsiderable interest being now awakened on these subjects, the Business Committee of the Association secured the presentation of an effective paper, "The Mission of Congregationalism in Florida" by Rev. E. P. Hooker, D.D., parts of which are given as follows: "* * * Congregationalism has a mission of Christian Education, to promote the educational work it finds and to inaugurate and prosecute other and highed work of instruction. The growth of Florida in all highest prosperity depends upon improvement in education more than upon its orange groves or any other industry. Without this no other attraction will persuade Northern families, in very large numbers, to come here as permanent residents. The education of their children they will place before their own health or even life. * * * The outlook is grand and glorious. A few of us stand on these early heights of the new time. We love the State to which we have come; these genial skies, these clear, sparkling lakes, the souls of the people that dwell among these forests. We rejoice at the arrival of those who crowd the steamboats and the cars. We are a little before them and bid them welcome. We rejoice in the privilege of laying foundations for the future."

The Committee on Rev. Dr. Hoker's paper presented a partial report which was accepted; and after discussion by Rev. MMessrs. McDuffee, Gale, Winchester, Ball, Mr. F. W. Lyman, Professor Butterfield, of Boston, Rev. S. D. Smith and others, the same was adopted as follows:

The Committee appointed to consider the paper on the subject of "The Mission of Congregationalism in Florida" without commenting on the merits of the excellent and timely paper, would make the following report: In view of the need of the State of Florida for better schools and institutions for the higher education of the young men and women of the State; in consideration of the important influence such institutions have had in the past, in moulding the character of the young, in promoting the growth of our churches, and in establishing the kingdom of our Lord; and feeling that the same good results can confidently be expected to follow a like course of action at the present time, and fully believing that Congregationalism cannot really fulfill its mission, and be true to its educational history unless it also carry with the Gospel of Christ the means and facilities for intellectual enlightenment; your committee believes, with the writer of the paper, that the time has come to take the initiatory step toward the founding of an institution for the higher education in the State of Florida.

To accomplish this end it is further recommended that a committee

of three be appointed to receive propositions from the various sections of the State, in regard to the inducements that can be offered for the location of this college; and that this committee be requested to make a full report of such propositions at a special meeting of this Association, to be held at such time and place as the Moderator, Secretary and Scribe may provide, at which time the Association will select the most suitable location for the college, and elect a Board of Trustees, who shall take charge of any funds, lands, or other property of any kind that shall be donated to the College, and take such other steps as may be necessary to complete the organization and incorporation of this institution of learning.

S. D. SMITH,

J. C. HOUGHTON,

W. W. WINCHESTER, Committee.

Upon reconsideration it was voted that the committee recommended in the report shall consist of five members instead of three and the following were elected: Rev. E. P. Hooker, D. D., F. W. Lyman, Esq., of Winter Park, Rev. S. F. Gale, of Jacksonville, Rev. C. M. Bingham of Daytona, and R. C. Tremain, Esq., of Mount Dora.

SPECIAL SESSION OF ASSOCIATION.

The General Congregation Association of the State of Florida, assembled in Special Session at Mount Dora at two o'clock April 14, 1885, for the purpose of deciding upon a site for the proposed college, with the following attendance: Ministers: Rev. C. M. Bingham, Rev. S. F. Gale, Rev. B. T. Stafford, Rev. S. V. McDuffee, Rev. E. P. Hooker, D. D.; delegates, Miss L. A. Cross, G. W. Hastings, Deacon J. Follansbee, Deacon Abram Spofford; Rev. Wm. S. Blaisdell, F. W. Lyman, Esq., N. Barrows, M. D. By vote the following named ministers were invited to sit as honorary members, viz.: Rev. H. D. Kitchell, D. D., Eastern Association of Michigan, Rev. J. C. Houghton, Addison Co., Association of Vermont, Rev. W. W. Winchester, Bennington Association of Vermont, Rev. E. S. Huntress, Windham Association of Connecticut, Rev. B. T. Hall, Central Ohio Conference, Rev. A. J. Dutton, East Hampden Association of Massachusetts.

Deacon Abram Spofford, Col. Alexander, Col. J. C. McDonald, and others addressed the Association on behalf of Mount Dora after which a recess was taken in order that the offered college site might be viewed.

At the Tuesday meeting of the Association, by request of the chairman, Rev. C. M. Bingham of Daytona, presented its proposals in which he was assisted by Miss L. A. Cross who showed and explained maps of Daytona and offered a college site.

Rev. S. V. McDuffee, seconded by Dr. Barrows, presented the proposals of Orange City; and in like manner, Rev. W. W. Winchester presented the proposals of Mt. Dora, and Mr. F. W. Lyman those of Winter Park.

When the Association met the following night in Winter Park, the following members were enrolled in addition to those mentioned above: Rev. S. D. Smith, Rev. M. C. Welch, Prof. J. H. Ford, Deacon Isaiah H. Williams, H. S. Allyn, M. D., Mrs B. T. Stafford, S. H. Bassinger, M. D., and Rev. J. A. Tomlinson of Longwood.

Rev. John Kost, LL.D., and Rev. C. C. Salter were by vote, invited to sit with the Association as honor members. Later the Association was addressed by Dr. Kost.

Thursday the Association had an opportunity to visit one of the offered college sites in Orange City. Friday morning a formal ballot was taken on the site for the proposed college and it resulted as follows:

Blank 2, Orange City 9, Winter Park 13, and the Moderator declared that Winter Park had been selected as the place for the college. The vote was later made unanimous. On the afternoon of the same day the following trustees were chosen: F. B. Knowles, Worcester, Mass., Henry Foster, M. D., Clifton, N. Y.; A. W. Rollins, Chicago, Ill.; Franklin Fairbanks, St. Johnsbury, Vt.; W. C. Comstock, Chicago, Ill.; Rev. J. A. Hall, New Smyrna; Rev. C. M. Bingham, Daytona; Rev. S. F. Gale, Jacksonville; Rev. E. P. Hooker, D. D., Winter Park; Rev. H. D. Kitchell, D. D., E. Liverpool, Ohio; F. W. Lyman, Esq., Minneapolis, Minn.; Hon. A. J. Russell, Jacksonville; Rev. S. D. Smith, Orlando; Rev. B. T. Stafford, Norwalk; Rev. J. A. Tomlinson, Longwood; R. C. Tremain, Esq., Mount Dora; Rev. M. C. Welch, Pomona; N. Barrows, M. D., Orange City.

Among other resolutions, before adjournment, was one extending thanks to Mr. A. W. Rollins for his generous gift.

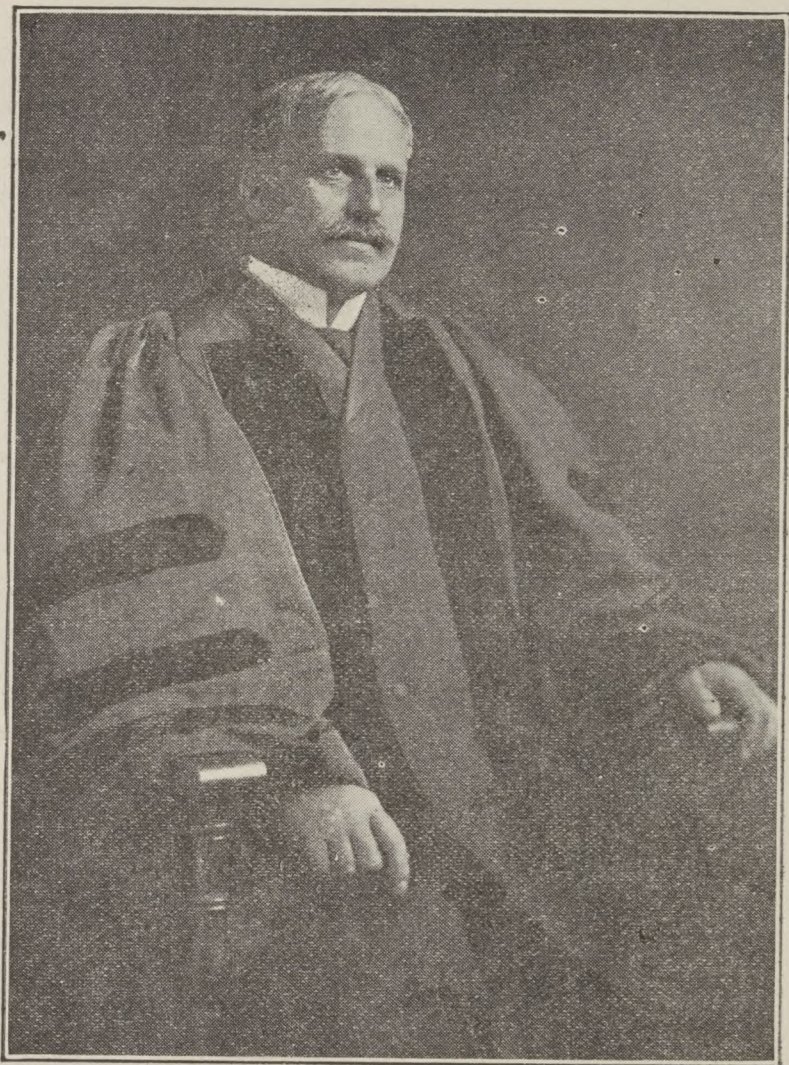

(Description of the trip by Miss Cross.)

Rev. C. M. Bingham and myself Daytona Monday morning, April 13, 1885; had a pleasant ride across to Volusia, and proceeded by railroad the next day to Eustis; there we were met by carriages which took us to Mount Dora, a distance of six miles. The drive over the hills was delightful, many of them were over a hundred feet high, and from the top of each there was a view of pretty lake and fine orange groves. We rode over the site they proposed to give for the college; it contained ten acres overlooking Lake Dora and sloping from a hundred and fifty feet above the lake down to its shores. The site they valued at \$10,000 and they had raised besides over \$25,000; of this \$5,000 was cash.

The ride from Mount Dora to Winter Park—a distance of twenty-five miles—was, as far as Apopka, through a hilly country full of small lakes; beyond Apopka it was quite level until we reached the vicinity of Winter Park where it is rolling. The evening session there was rendered very pleasant by an address given by Prof. Kost during which he proposed that the college we were locating should have assigned to its care the theological department of the State University as they were thinking of placing the polytechnic department in the charge of the State Industrial

School and the Military Department in the military school at Jacksonville. The next morning we were given a pleasant ride through the town and out to the proposed site of the college; this rises about fifty feet above Lake Virginia across which some pleasant looking residences and grounds were in sight, giving a pretty view, but we thought a finer site for the college would be the residence and orange grove presented by Mr. Rollins of Chicago to the college. This is a handsome piece of property valued at \$23,000 and overlooks another part of Lake Virginia. The whole amount raised by Winter Park was over \$114,000, \$50,000 of it in real estate given by Mr. Rollins, a Christian gentleman who had thought of building a college in Chicago, but being interested in the locating of the college at Winter Park, makes this large contribution to the fund and it was intimated that he would make in the future other gifts to it. The members of the Association took the South Florida railroad from Winter Park to Sanford and from there to Blue Springs by the steamer Chesapeake, whose captain, bidding against an agent on another line, finally said that he would take us for nothing—I need not say that his offer was accepted.

When we landed at Blue Springs and filed into the horse car, we counted our members and found there twenty-three of us. As the car passed the proposed site for the campus, it waited for us to visit it. We found it high pine land with an extended view over Orange City. The young ladies greeted us with waving handkerchiefs and led us into the midst of a joyous social where an excellent supper was served after which there was an exciting meeting, followed by the vote, Winter Park receiving a majority of the votes, it was made unanimous and then the competing towns gave expressions of god will and promises of assistance in the work to be done. * * *

DR. GEORGE MORGAN WARD.

Chairman of the Board of Trustees, who has been of invaluable service to Rollins College. His love for it and the fact that he has made Winter Park his home insures a continuance of his efforts in behalf of the college.

THE ROLL OF HONOR

Paul Harrison, died at West Point.
Malcolm Saunders, killed in action
with French troops.

ALUMNI RECORD

Rollins College, Winter Park, Florida.

Published under the direction of the officers of the Alumni Ass'n during March of each year.

Annual subscription, fifty cents, payable to the Treasurer, Miss Mary L. Conaway, Winter Park, Florida.

All correspondence relating to this publication should be directed to Alfred J. Hanna, President, Alumni Ass'n, Winter Park, Fla.

Officers of the Association for 1918-19.

Alfred J. Hanna, '17, President,
Ada Bumby Yothers, '05, Vice-President,

Susan T. Gladwin, '99, Secretary,
Mary L. Conaway, '17, Treasurer,
Executive Committee:

Anne Bellows, '15, Chairman,

Mabelle O'Neal, '11,

Arthur L. Slater, '09.

T. W. Lawton, '03,

Alumni Trustee, 1918-21.

THE ALUMNI RECORD.

The purpose of the Rollins Alumni Record is not to register the news of the College; the Sandspur, the college weekly newspaper, does that very admirably; not to serve as a picture book and a chronicler of the year's activities; the Tomokan, the college annual, covers that field; not to give a schedule of courses and general information about Rollins, the annual catalogue, supplemented by the other official bulletins fulfills that object; but to answer the one remaining need in the field of journalism for our college—a positive need, possible of unlimited help to the administration—the collection and preservation of correct names and addresses, occupations, and full records of all graduates and undergraduates matriculants, in addition to valuable historical data connected with Rollins. Besides this, it is as the name implies, the official publication of the Alumni Association and will serve as a medium for the expression of alumni sentiment about our alma mater and its welfare.

IN COMMEMORATION OF THE TWENTIETH ANNIVERSARY OF THE ALUMNI ASSOCIATION.

Such is the publication of the Alumni Record—the first magazine to be printed by the alumni of Rollins College. Since the Alumni Association was founded twenty years ago by the first graduate of the college, Miss Clara Louise Guild, it has done a much needed work. Its recent undertaking, the raising of funds for the Baker Chimes, is meeting with unprecedented success. As its purposes become better known

and its members increase, its worthy sphere will gradually be widened.

It is fitting that on the twentieth anniversary of this organization, an official alumni publication should be given life, and it is hoped that its efforts will be received with appreciation and that its presence will inspire further awakening of life.

THE ALUMNI AND THE WAR.

One-fourth of the men alumni of Rollins College are now serving the colors and others are soon to go. That is a very flattering quota and one of which everyone connected with the college in the past or present is justly proud. One of our alumni who is now in France expressed the following views just before sailing, and they are given here as indicative of the true Rollins spirit:

"One may look ahead to the great after-peace settlements, both national and international and find there much upon which to speculate, perhaps with disquietude, but for the present 'the War is the Thing.' In this time, second in importance only to that of 'Pax Romana' in which the Christ re-dated history, there cannot be, there must not be, in the minds and hearts of the type of citizens given the world by Rollins, any other interest or thought than to aid and support and strengthen by the ungrudging unstinting gift of all that we are and all we have to our Country that she may make triumphant the glorious cause she has espoused. There cannot be, I am convinced, any tolerable end to this horror until complete indubitable victory by force of arms and by force of arms alone over Germany shall be secured—so evidently secured that the Junkers themselves shall not be allowed to raise a voice in protest. That means, without doubt, the Utmost Measure of Devotion. In such devotion I feel certain none shall outstrip the sons and daughters of Rollins College.

"For more than thirty months before America could be brought to cast her lot with those who were even then her protectors, the spirit which Rollins did so much to inculcate within me, urged me, compelled me to plead incessantly from my pulpit and every possible place for preparedness, and for the vindication of justice in this world by our beloved Country joining in the struggle against the wild men of the North. April 6, 1917, was for me the most splendid of our history, the first during almost three years when I could hold up my head. * * * If I may sum up what I would say, it is this; shut your ears absolutely to all talk of peace which has not as its prelude absolute victory over Germany. Talk war, work for war, give for war. The soul of America is involved in the outcome of the war. The splendid youths in olive drab have a right to know that you are interested in nothing but that which shall conduce to their welfare and the success of the mission to which they have pledged their lives."

FOUNDER'S WEEK AND THE MUSICAL FESTIVAL.

The observance of Founder's Week this year proved so pleasant and helpful that it is proposed to make this the notable week of the college year, for both Winter Park and for Rollins College. Naturally during the period of the war it will be quiet and held in the spirit of "win the war." Founder's Week for 1919 occurs February 19-23 and the following days have been named: Wednesday, February 19, annual meeting of the Board of Trustees in the morning, Conservatory faculty concert in the evening; Thursday, February 20, Day of Prayer, two addresses one in the morning and one in the evening, under the auspices of the Christian Associations; Friday, February 21, Founder's Day, addresses in the afternoon, concert and Senior Reception in the evening; Saturday, February 22, (Washington's Birthday,) Alumni Day, annual meeting of the Alumni Association in the morning, annual regatta in the afternoon; Sunday, February 23, Vespers.

Coming as it does in the cooler season, the pleasantest time of year in Florida, when Winter Park is lovely and filled with people from different sections who are interested in educational work and also at a time when those more noted at home and abroad would be more likely to come South, it is possible to arrange programs that will be of national interest. It is especially hoped that the week will be the home-coming for alumni and students of Rollins College. Many years ago it was the custom of Winter Park to celebrate its founding and it is hoped that this celebration may be revived in combination with the college.

Founders' Week will be followed during the week of February 23, by concerts under the auspices of the Orlando Music Festival Association, thus making it possible for one from a distance to attend both functions on a single trip. There need be no explanation to the people of Florida or to many visitors from other states, in regard to the Orlando Music Festival. Since such artists as Leopold Godowsky, Madam Marie Rapold, and Mischa Elman have appeared in connection with the excellent choruses under the direction of Mr. Walter Drennen, Orlando, with its annual Music Festival has been considered the musical center of Florida.

Artists of equal fame and talent will appear next February and of unusual interest on the program for next year's Festival is the ever popular "Aida," to be given in concert form. With men of the type of Director Parkin of the Rhodes Scholarship Foundation to speak during Founder's Week and renowned artists scheduled for the Music Festival, the celebrations of Winter Park and Orlando, one following the other, will prove excellent drawing cards for the winter season.

BAKER CHIMES FUND.

By reference to the Treasurer's Report it will be seen that great strides are being made in the effort to raise funds for the college chimes to be named in honor of Dr. Thomas R. Baker. Already \$429.50 has been raised.

This is the opportunity not only of the alumni of the college but of all friends of the college, former teachers and former students. It will at the same time add materially to the college equipment and stand as an appreciation of the self-sacrificing service of a well-loved professor. The funds are converted into Liberty Bonds so that the money will serve the purpose of the Government at the same time. Contributions should be sent to Miss Mary Conaway, Treasurer, Alumni Association, Winter Park, Florida

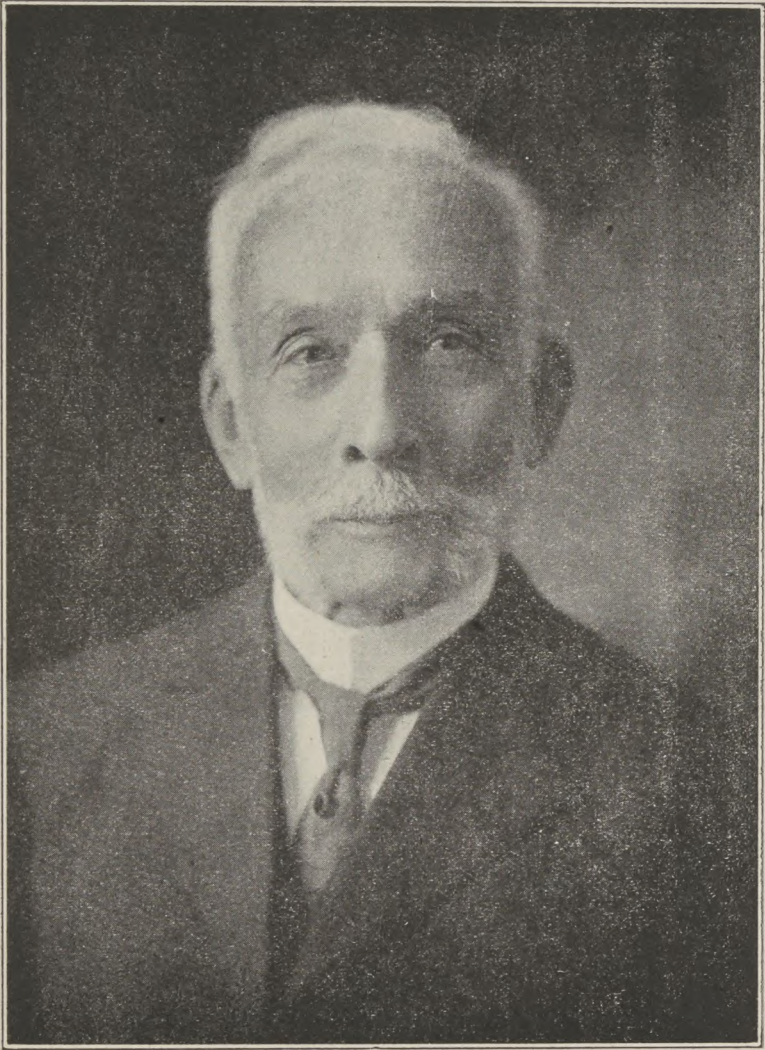

ROLLINS ATHLETICS.

The resolutions passed at the annual meeting of the Alumni Association requesting that the faculty allow no team to represent Rollins College unless composed entirely of men of collegiate rank, will, it is believed, express the views of those friends of the college who are most interested in its welfare. Too often—and with embarrassment—has the criticism been made that Rollins and other small colleges are able only to play secondary schools and then sometimes go down in defeat. Nothing can be gained from such a policy and it bespeaks nothing but cheapness.

Unless the college can put out a creditable college team, then let it stay out of inter-collegiate athletics. Naturally the war will diminish the prospects but there is no need for lack of athletics. With an efficient instructor the intra-mural system can be used with great success. In addition to this, Nature's great gift to the college—the lakes—affords an excellent and unique opportunity, especially among the colleges of Florida for athletics. Surely the varied system of aquatics which it is possible to have in Winter Park can be made both popular and productive of good results.

YOU CAN HELP WITH THE RECORDS.

As its name implies, the Alumni Record is intended to serve as a part—and a much needed part—of the records of Rollins College. It is that part of the college history in which the former students can render the most assistance. It is difficult to locate students who come from all parts of the United States and some from foreign lands and it is still more difficult to obtain from them a satisfactory response to inquiries as to their correct addresses and occupations. If you know of any omission in the list of names, send it in immediately so that the records may be made complete. It is hoped that by the time the next issue appears—next March—a considerable addition will be made to the list.

THOMAS R. BAKER, PH.D.

Professor Emeritus of Natural Science and Ex-Mayor of Winter Park for whom it is proposed to name the college chimes. Dr. Baker has been of invaluable aid in collecting the lists of former students contained in the Alumni Record.

THE UNDERGRADUATE YEAR IN REVIEW

Perhaps those who are away will be interested in a brief review of the undergraduate year just closing:

WAR WORK.

An auxiliary of the Orlando Chapter of the American Red Cross was established on the campus early in the year and a great deal of work has been accomplished through the leadership of the officers of the organization, Miss Margaret Smith, President; Miss Mary Conaway, Secretary; Miss Dorothy Richards, Treasurer. Miss Wilkins of the Faculty has devoted much time to the supervision of the surgical dressings and has rendered invaluable aid to the girls.

Generous sums were contributed by students and the faculty in the Y. M. and Y. W. campaigns last fall and only a few months ago in response to the appeal of Dr. Clarence Ussher a large sum of money was given for Armenian and Syrian Relief.

Funds to care for five Fatherless French Babies were raised and the money was converted into Liberty Bonds, thus serving two causes. Students and faculty have also assisted in the Liberty Loan campaigns.

CHRISTIAN ASSOCIATIONS.

Much of the work usually covered by the Christian Associations has been carried on through the war organizations. The weekly meetings on Tuesday evenings have been held quite regularly and

prominent speakers secured. The officers for the year are as follows: Y. W., Miss Ruth Greene, President; Miss Margaret Smith, Vice-President; Miss Marion Phillips, Secretary; Miss Elizabeth Russell, Treasurer. Y. M., Raymond Phillips, President; Leslie Hanawalt, Secretary; Wyman Stubbs, Treasurer.

FRATERNITIES.

On account of the small numbers this year the fraternities combined in giving their annual social function. This took the form of a dinner dance at the Lucerne Hotel, Orlando, during Founder's Week. These organizations have lost heavily on account of the war and their service flags tell that many are "over there."

New men taken into Phi Alpha are: Messrs Brock Hill, Warren Ingram, Raymond Phillips, Harold Tilden, and Frederick Ward, all of the Freshman Class. Only a few weeks ago, owing to the fact that so few of the men are to return next year, thus making it impossible to successfully continue the Fraternity, Phi Alpha, after a splendid career of twelve years, withdrew from the College and placed its affairs in the hands of an Alumni Council, composed of former and present members. The Fraternity expressed its intention of continuing on the campus when there is enrolled in Rollins a minimum of fifty college men. It is understood that the fraternity's

funds have been converted into Liberty Bonds to serve as a nucleus for the erection of a fraternity house after the war.

New members of the Alpha Alpha Fraternity for this year are as follows: Messrs. Bert Cleave, J. T. McGaughey, Carey Roberts, Byron Stevenson, Wyman Stubbs, and J. Robert Tucker. Prospects for next year are good.

STUDENT GOVERNMENT.

Student Government, among both men and women, has been tried out this year with more success among the latter than the former. Time enough, however, has not elapsed for a safe prediction as to its future.

DELPHIC SOCIETY.

The officers for the first semester were: President, Miss Annie Stone; Vice-President, Miss Katherine Gates; Secretary, Miss Sara Muriel; Treasurer, Miss Katherine Waldron; Program Committee, Miss Winifred Hanchett, Miss Florence Stone, and Robert Hutchinson. Second Semester: President, Miss Winifred Hanchett; Vice-President, Miss Katherine Waldron; Secretary, Howell Sawyer and Miss Catherine Brunce; Treasurer, Miss Margaret Smith; Program Committee, Miss Norma McFadden, Miss Gerardine Muriel and Benj. Shaw.

Good programs have been given throughout the year and one of the best entertainments of the college year, a minstrel show, was staged in April.

CANOE CLUB.

Owing to two reasons the Canoe

Club which has been such a live organization for the past several years has not been reorganized this year. The first of these reasons was the press of other matters made urgent by the war, and the second was the absence of "Prof" Palmer, who previously supplied the required stimulus for action. The lack of organization, however, has not retarded considerable activity in water sports.

CLASSES.

All class activities have been very informal though none the less enjoyable. With James I. Noxon as President, the Class of '18 has held its usual number of picnics. Under the leadership of Miss Florence Stone, the Class of 1919 has taken a leading part in the college activities. Its "Junior Prom" which occurred during Founder's Week was an affair long to be remembered by both seniors and alumni. The Sophomores and Freshman Classes have had a peaceful year owing chiefly to the absence of the mail contingent from the former. The Class of 1921 won the annual debate from the Senior Acads in March.

ATHLETICS.

Because of the promptness with which Rollins men responded to the Country's call for volunteers, Rollins football and baseball squads were sadly depleted, and it was not possible to put out creditable teams. Instead, all attention was centered in basket ball and probably the best team yet put out represented the college. There was but one trip taken, how-

ever; the Tampa Imps, Ex-Collegians of the Y. M. C. A., defeated the Varsity by one point and the Southern College Team was defeated by our boys on this trip. Several home games were played but most of them were of local interest.

The team was made up as follows: Smith Fletcher, Leslie Hana-walt, George Arrants, Donald Vincent, and Fredric Ward.

SANDSPUR.

This old-time paper, familiar to every former and present Rollins student, has just closed a prosperous year. Miss Elizabeth Russell was the editor for the first part of the year and since January, J. Harold Hill has held this responsible position. Others on the staff have been: Misses Annie Stone, Lillian Sawyer, Florence Stone, Katherine Gates, Geraldine Muriel, Rose Powers, Lelia Russell, Eleanor Backus, Mary Conaway; Messrs. J. I. Noxon, Howell Sawyer, Fred-eric Ward, Wright Hillyard, Bert Cleave, Warren Ingram, Karl Tompkins, J. Irving Chaffee, Harold Tilden.

TOMOKAN.

Owing to war conditions the publication of the college year book, the Tomokan, was omitted for this year.

CONSERVATORY OF MUSIC.

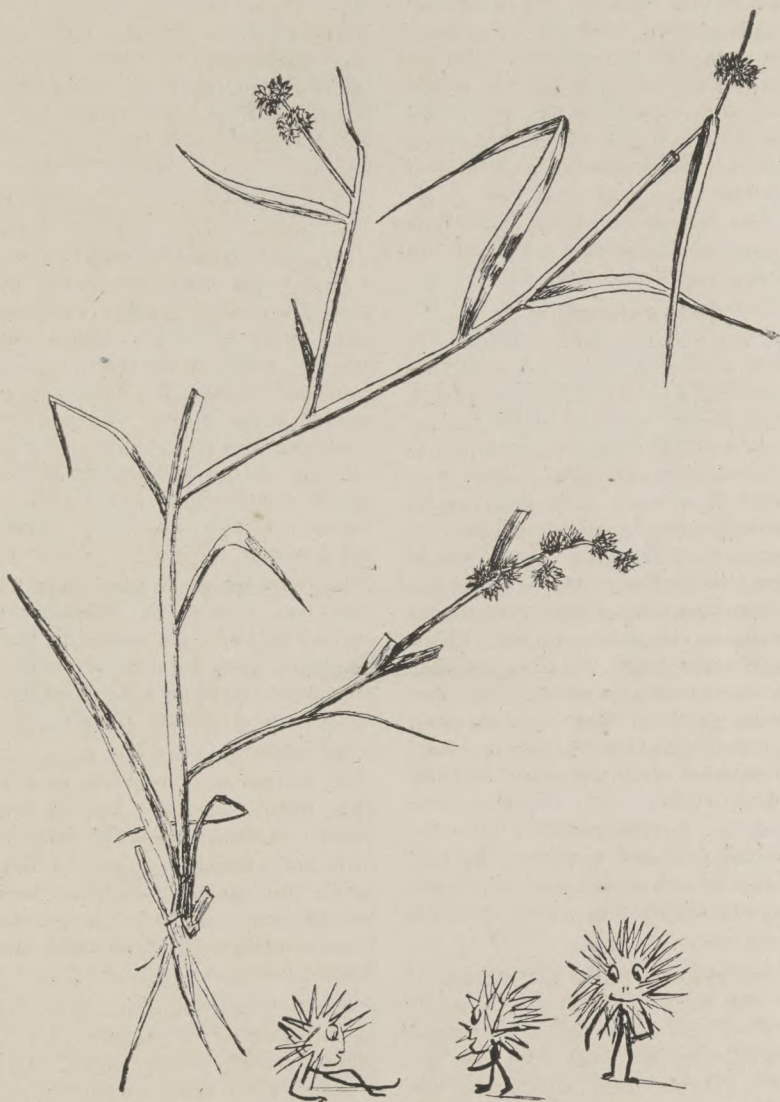

The work of the Rollins Conservatory has been broader in scope during the past year than ever before. Aside from the largest enrollment ever registered the Conservatory has taken a more active part in the life of community and campus than ever in

past years and has been especially active in patriotic work, having participated in five patriotic rallies for Y. M. C. A. and Liberty Loan Drive, doing a great deal to arouse patriotic feeling and enthusiasm.

The fine musical programs for the college vesper services given during the winter, at which the offerings were dedicated to the college Red Cross Auxiliary, have also been part of the Conservatory work. There have been, too, an unusual number of public appearances by the faculty, the most interesting of which was at the convention of the Florida Federation of Women's Clubs at Tampa in November, last, when Dr. Allen, head of the violin department and Miss Rous, head of the piano department, played a sonata for piano and violin composed by Miss Susan H. Dyer, Director of the Conservatory, at the evening concert at the Centro Astariano Club.

An innovation of the season has been a course of music appreciation lecture recitals, free to the public, given at Knowles Hall by different members of the Conservatory and College faculties. These proved very popular and drew large audiences from Orlando and Winter Park.

Another experiment has been the establishing of a department of public school music under Miss Helen L. Warner, who, by an agreement with the school board, has acted as Supervisor in the Winter Park School during the season, and has used the school as a dem-

A REPRODUCTION OF THE OLD SANDSPUR COVER USED WHEN
REX BEACH WAS EDITOR.

onstration class for her pedagogical students. Miss Warner has also conducted an After-School Violin Class at the public school building, a work well established in Northern and Western communities, but heretofore untried in Florida.

The college orchestra, under Miss Dyer's direction has made still another record for the state having given at its April concert, for the benefit of the Navy League, the first performance of a classical symphony ever presented by a student organization in Florida.

The Girls Glee Club, under Miss Waterman's direction, has also done fine work, and donated its earnings for the season to the support of a French orphan and to the college Red Cross.

The progress of the conservatory students in the various departments is shown by the fact that during the month of May, and first week in June, there will be given no less than six individual public recitals during the winter, the piano, voice and violin departments. At the monthly informal recital during the winter, the progress of the students of all stages of advancement has been marked.

In view of the above it is not necessary to explain that in spite of war conditions the value of the work of the Conservatory has been amply demonstrated and the outlook for the future is most promising.

The Conservatory will, at the coming commencement, confer two Teacher's Certificates in Voice and

and two Music Supervisor's Certificates on Miss Frieda V. Siewert of Winter Park and Miss Katherine M. Gates of Winter Haven, who have completed both courses. There will also be several certificates given in Public School Methods to candidates who have not completed the full Supervisor's course.

ART DEPARTMENT.

During the winter the Studio has been the centre of many activities and, like the other departments, the art one has had its share of war work and interests. As soon as college opened, Miss Brebner became engaged on some of the posters and placards advertising Red Cross meetings, lectures, etc., of which she did some sixty during the season.

In February a representative exhibit was sent to the Five-County Fair at Orlando, and several premiums were gained by Miss Brebner, Miss Rose Powers, Miss Elizabeth Yowell, Miss Cecilia Guzman and other students.

In March an exhibition of student work was given by the students and faculty in the Studio.

In April Miss Brebner was asked by Mrs. Marie S. de Frost, who had been appointed judge for the Florida section, to allow her students to compete in a government poster competition to advertise War Savings Stamps and to herself act on the jury of awards. For this purpose, Miss Brebner went to New Smyrna on May 8th, taking with her five clever posters, the work of Miss Rose Powers, Miss Cecilia Guzman and Miss Eliza-

beth Yowell. The more meritorious of the posters sent by schools in the state were chosen to represent Florida and were sent to New Orleans for further judging. The work of Rollins College was of all sent in, the best in colour, design and execution and was unanimously chosen to go on to New Orleans.

In time of war it becomes more and more important to practice the arts of peace. After hostilities have ceased, supremacy will be to that country who has the most highly educated people, the greatest artists and designers and who can most ably fill the crying need of replacing the art and the beauty which has been lost.

SCHOOL OF BUSINESS.

The School of Business with an enrollment of 130, the largest in its history, has been a great factor in the past college year. Owing to the Government's great need in the Civil Service Department, a large number of students have elected

courses in this department. Civil Service Examinations have been held on the campus and several successful applicants have been offered positions at \$1,000 per annum.

The students of this department presented, during Founder's Week, a large service flag to the college which hangs in front of Knowles Hall. They have also assisted in the various campaigns, especially that for subscriptions to the Sandspur. When the total enrollment of 130 was gained a "Commercial Jubilee" was held in the Gymnasium to celebrate the success of the department.

The management of the "Coop," the college store where students may obtain the "necessities of college life," has served as a practical training for students in this department. A night school for those persons unable to attend the day sessions has also been maintained with considerable success.

CONSTITUTION
OF THE
Alumni Association of Rollins College
WINTER PARK, FLORIDA.

Adopted May, 1898; Amended September, 1917.

ARTICLE I. NAME.

Section 1. This organization shall be known as the Alumni Association of Rollins College.

ARTICLE II. PURPOSE..

Section 1. It shall be the purpose of this Association to further the interests and promote the welfare of Rollins College in the following ways: A. By the establishment of closer relations between Rollins College and its graduates and non-graduate matriculants, tending to enlist their aid in its upbuilding, and the cultivation among them of a fraternal spirit in accordance with the ideals of the College and the principles which it serves. B. By the collection and preservation of correct names and addresses, occupations, and full records of all graduates and non-graduate matriculants by means of the files of the Association and through the official alumni publication, the "Alumni Record."

ARTICLE III. MEMBERS.

Section 1. The recipients of all degrees heretofore or hereafter granted by Rollins College for completion of its courses of study shall be eligible to active membership in this Association.

Section II. All persons on whom Rollins College has conferred honorary degrees shall be honorary members of this organization, without the right to vote.

ARTICLE IV. OFFICERS.

Section I. The officers of this Association shall be a President, a Vice-President, a Secretary, a Treasurer, and an Executive Committee, composed of three members, all of which shall be elected annually.

Section II. The President shall be the official head of the Association, shall preside at all meetings, and shall be responsible for the policy of, and the carrying out of the purposes of the Association.

Section III. The Vice-President shall assist the President in the discharge of his duties, and whenever the Presidency becomes vacant.

between meetings the Vice-President shall assume the duties of the office.

Section IV. The Secretary shall keep minutes of all meetings, carry on the correspondence usually connected with such a position, and have direct supervision over the files and records of the Association.

Section V. The Treasurer shall be the custodian of the property of the Association and have charge of all funds of the Association, none of which shall be expended except by order of the President.

Section VI. The Executive Committee shall have charge of all meetings and functions of, or those which require the presentation of, the alumni and shall nominate for election at each annual meeting, class historians to serve a period of five years, who shall present at each annual meeting information concerning their respective classes. These class historians shall also be the official correspondents for the "Alumni Record" and the undergraduate publications.

ARTICLE V. MEETINGS.

Section I. The annual meeting of this Association shall be held on Alumni Day of Founder's Week; special meetings may be called by order of the President or Executive Committee.

Section II. Five members present and voting shall constitute a quorum, to be ascertained by a calling of the roll, and the following shall be the order of business:

1. Roll Call and reading of minutes.
2. Greetings from the President of the College.
3. Report of the Alumni Trustee.
4. Report of the President.
5. Report of the Vice-President.
6. Report of the Secretary.
7. Report of the Treasurer.
8. Report of the Executive Committee.
9. Report of the Editor of the "Record."
10. Report of the Business Manager of the "Record."
11. Unfinished business.
12. Election of Officers.
13. New Business.
14. Adjournment.

ARTICLE VI. DUES.

Section I. The members of this organization shall pay dues of such amount as they may elect, said amount to be not less than one dollar, which amount shall include a subscription to the "Alumni Record."

ARTICLE VII. OFFICIAL PUBLICATION.

Section I. The official publication of this organization shall be known as the "Rollins Alumni Record." It shall be issued at least

once annually and shall contain full reports of meetings of the Association, a list of correct names and addresses and important records of the alumni, faculty, and former students, plans for future undertakings, and serve as a medium for the expression of alumni sentiment about Rollins College and its welfare.

Section II. The "Alumni Record" shall be under the control of an editor and a business manager, who shall be assisted by the Secretary and Treasurer, respectively, in the discharge of duties, and who shall be elected annually. The Editor shall collect and edit all material and, with the advice of the President and the Association, carry out the policy of the Association through editorials, and otherwise. The Business Manager shall have charge of the funds connected with the publication.

ARTICLE VIII. ALUMNI TRUSTEE.

Section I. Subject to the regulations of the Trustees of Rollins College, the Secretary shall conduct by mail a ballot for the nomination of an alumni trustee of Rollins College every three years, beginning with the year of 1917.

ARTICLE IX. ROLLINS CIRCLES.

Section I. Rollins Circles of the various cities wherein former students of Rollins College reside shall be admitted to membership in this Association under payment of a fee of three dollars, such membership entitling the Circle to one representative with voting power at each meeting.

ARTICLE X. AMENDMENT.

Section I. The articles and provisions of this Constitution may be repealed, added to, or amended, at any meeting duly called, by two-thirds vote of those present.

EIGHTEEN OF OUR MEN AND WOMEN

By Thomas R. Baker, Ph. D.

On November 4, 1885, fifty-two young men and women gathered in the then little, and little known, town of Winter Park in response to the call of a great educational movement—a movement offering opportunities, hitherto impossible to them, for the wider influence, and higher living that it would afford. They were the pioneer students of Rollins College. No higher call, no more earnest response ever came to Florida.

These and the numerous others, once students here, have developed into men and women, and are busied in trying to do creditable service in the work of the world. They are widely scattered over our country—in many states, both North and South. Several of them are in Winter Park and they are among our best citizens. But we have only one here who was present at the opening exercises of the first day of the first year in the life of the College. This one is Miss Clara L. Guild, and her name is first on the original college students roll. She was also the first recipient of the college A. B. degree.

In preparing the original list of the names, addresses and occupations of the Rollins College students, the opportunity came to me of pleasantly renewing my acquaintance with them, of knowing their whereabouts, and something of the work that they are doing. Their occupations are almost as varied as their names, but in these occupations the learned professions are conspicuously represented.

Following are the names of the few among the thousands, who, through fortune, or ability, or energy, or a combination of these means of advancement, have risen to higher levels than their fellows:

RAYMOND M. ALDEN.

Raymond M. Alden, Professor of English in Leland Stanford, Jr., University is unquestionably the most distinguished of the many teachers among the Rollins attendants. He is not only learned in his profession, but is a prolific writer of excellent books. His fame is nation wide.

LOUIS W. AUSTIN.

Louis W. Austin, an expert physicist connected with the U. S. Bureau of Standards, head of the Government wireless telegraph laboratory, etc., is doing more scientifically valuable work than any other Rollins student. He is a son of the late highly esteemed Professor Austin, for many years a member of the college faculty.

REX E. BEACH.

Rex E. Beach, one of our lively boys of ('91-'92), has made a name for himself as a writer of vigorous fiction, of household familiarity, and

as a fiction-writer, occupies a class by himself among our college men and women. He and his wife spend part of the year in their attractive home in Millionaire's Row, Pasadena, California.

MORGAN L. BRETT.

Lieutenant Colonel Morgan L. Brett, of the Ordnance Department of the U. S. Army, is an old army officer compared with our more than one hundred men who have recently entered the service. Entering upon active service directly after completing his course at West Point, he has risen steadily in rank and his promotion to higher places is assured.

His recent mission to France, associated with several distinguished army officers, was a high compliment to his military standing. He was Assistant Business Manager of the Sandspur in 1900.

EUGENE C. CALDWELL.

Eugene C. Caldwell ('93-'94), Professor of Hebrew in Union Theological Seminary, Richmond, Va., is noted as our most distinguished Hebrew scholar and teacher, and for his wide acquaintance with the literature of the Hebrew language.

STEWART CRAWFORD.

Quite a large number of our former students are doing newspaper and magazine work of one kind and another, but the most distinguished one associated with this kind of work is Mr. Stewart Crawford, ('89-'90), who is political writer for the New York Tribune.

DANIEL S. DAVIS.

The Reverend Daniel S. Davis, of Pilot Rock, Oregon, is the best representative among our college men and women of what our institution can do for students who are in earnest in helping themselves. Mr. Davis worked his way through, starting at the very bottom of the course, and going to the very top, graduating with credit to himself and his alma mater in 1904. He cheerfully accepted any work toward paying his expenses that his hands and mind found to do—starting a college garden, assisting "William," waiting on tables, filling pulpits, proctoring college halls, etc., and everything that he undertook to do, he did well.

FRED P. ENSMINGER.

Of the large number of our college men who are ministers of the Gospel, the one who has become most prominent in good works, as well as good words, for both his alma mater and for the life work to which he is earnestly devoted, is Rev. Fred P. Ensminger. His work in establishing and conducting with great success for many years the West Tampa Congregational Mission, is a monument to his energy and ability.

ADOLPHE HEMPEL.

Our most eminent entomologist and vegetable pathologist is Professor Adolphe Hempel ('90-'91), who has been for several years director

of these branches of work in the Agricultural Institute at Campinas, State of St. Paul, Brazil.

MARY STUART HOOKER.

Miss Mary Stuart Hooker, "May Hooker" ('89-'90), is one of the few of our students, who, not having taken our business courses, have become successful business directors and managers. Through her ability, faithfulness, and energy in her work, she has attained marked distinction as a visiting private secretary, and no place is dearer to her than her alma mater, and the memories that cluster around it.

W. CLAY INMAN.

Many singers who have been students of Rollins College have become widely known for their proficiency in one feature of song service or another. W. Clay Inman, in concert work, as baritone soloist, is undoubtedly at the head of the list of those engaged in some form of this fascinating service.

FREDERICK L. LEWTON.

Most prominent in museum work is Frederick L. Lewton ('89-'90), Curator of the Division of Textiles in the U. S. National Museum. Mr. Lewton has great aptitude for museum work, and filled several positions in museums of lesser note with great acceptance, and fitted himself thereby for the greater work of which he is now in charge.

RICHARD P. MARKS.

Richard P. Marks ('89-'90), known in the early days of Rollins as "little Dick Marks," and the observed of many observers in his daily galloping rides on his spirited pony to Rollins College, has grown into a man of prominence. He is one of the leading lawyers of Jacksonville, and has filled with honor several positions of responsibility and trust, especially that of district attorney, associated with his profession at work.

JACOB MEEKER.

Hon. Jacob Meeker ('92-'93), of Atica, Indiana, is the only one of our former boys who has reached the position of member of Congress. He represents the Tenth Indiana District. He is a prominent lawyer and lecturer.

ELIZABETH MORSE.

Doctor Elizabeth Morse is the only woman physician among our number, and she has the distinction of serving as a missionary to Africa.

ROBERT P. OLDHAM.

Of the many lawyers who have been students at Rollins, Robert P. Oldham undoubtedly stands at the head of the list as a successful and brilliant advocate. He is our special representative of his profession in the Great Northwest.

HELEN KATHRYN O'NEAL.

Helen Kathryn O'Neal Palmer is without question chief among the many men and women of Rollins who have attained distinction as musicians, and she far outranks the best of these musical associates. And in her faithfulness, perseverance and energy is a worthy example of the attainment of high culture by vigorous self-development.

WAYNE STILLWELL.

Hon. Wayne Stillwell ('04-'05), is the only one of our former young men who has attained to a mayoralty. He is Mayor of Millersburg, O., and is a leading lawyer of that place.

While these Rollins students of whom I have briefly written have reached higher places than the others in their respective fields of labor, hundreds of others—teachers, lawyers, doctors, farmers, and those of other occupations—are well worthy of special mention here, and in their loyalty to the institution, and for the good words that they are always ready to say about it, we owe them a great debt of gratitude.

Moreover, I feel that I cannot let this opportunity pass without personally thanking all—and they are a large number—who so kindly helped me two years ago in locating the widely scattered people who belong to our college. Through them, pleasant memories innumerable have been added, in this experience, to those delightful ones associated with the classroom.

HONORARY ALUMNI

(Under this heading are listed all recipients of honorary degrees from Rollins.)

CLASS OF 1903.

NORRIS, REV. JOSEPH INGLES (D. D.); eminent clergyman of Pine Bluff, Ark.

PEARSONS, DANIEL KIMBALL (LL. D.); philanthropist; deceased.

WARD, GEORGE MORGAN (LL.D.); President of Rollins College, 1895-1903; President of Wells College, 1903-1912; Acting President Rollins College, 1916-17; Chairman Board of Trustees, Rollins College, 1917.—Address, Winter Park, Fla.

CLASS OF 1905.

KIRBYE, REV. J. EDWARD (D.D.); President Atlanta Theological Seminary, 1900-05; Drury College, 1906-07; author; pastor, Plymouth Church, Des Moines, Ia., 1911.—Address, Des Moines, Ia.

MARSH, REV. BYRON FITTS (D. D.); eminent clergyman and formerly trustee of Rollins College.—Address, Eustis, Fla.

MORSE, REV. OLIVER CROMWELL (D.D.); Vice-President of Rollins College, 1896-1903.—Address, Greenlawn, N. Y.

CLASS OF 1906.

HILLS, ELIJAH CLARENCE (Litt.D.); Dean of Rollins College, 1896-1901; lecturer at Harvard University, 1911-12; author; librarian of Hispanic Society of America, 1916.—Address, care Hispanic Society, 156th Street, West of Broadway, New York City.

CLASS OF 1907.

HAY, REV. THOMAS PARK (D.D.); eminent clergyman.

CLASS OF 1908.

HANSCOM, REV. GEORGE LORING (D.D.); eminent clergyman; trustee of Rollins College 1910; pastor, Pilgrim Congregational Church, Worcester, Mass., 1915.—Address, Main and Gardner Streets; Worcester, Mass.

LORD, MISS FRANCES ELLEN (Litt.D.); professor of Latin in Rollins College.—Address, Hancock Point, Maine.

CLASS OF 1909.

FISHBURNE, REV. MOSHEIM ROSS (D.D.); eminent clergyman; deceased.

MURPHREE, ALBERT ALEXANDER (LL.D.); President University of Florida, 1909.—Address, Gainesville, Fla.

PEET, THEODORE (M.A.); formerly Professor of Modern Languages in Rollins College.—Address 10 Lebanon Street, Winchester, Mass.

SLEDD, REV. ANDREW (LL.D.); President, University of Florida, 1904-09, Southern University, Greensboro, Ala., 1910-14; professor, N. T. Greek, Emory University, Atlanta, Ga., 1914.—Address, care Emory U., Atlanta, Ga.

WILKIE, REV. WM. B. Y. (D. D.); eminent clergyman, trustee of Rollins College 1913.—Address, Dunedin, Fla.

CLASS OF 1910.

ALDEN, RAYMOND MacDONALD (Litt.D.); Rollins Academy Class 1890; professor of English, Leland Stanford Junior University 1914; author.—Address, 427 Embarcadero Road, Palo Alto, Calif.

CLAYTON, FRANCIS TREADWAY (M.A.); Dean of Rollins College 1909-11; headmaster of Procter Academy, 1912.—Address, Andover, N. H.

EAVES, REV. GEORGE (D.D.); eminent clergyman.—Address Birmingham, Ala.

HANSCOM, WALTER VOSE (M.A.); eminent physician; deceased.

TIMS, REV. JOHN C. (D. D.); eminent clergyman; trustee of Rollins College 1910; pastor, First Presbyterian Church, Tampa, 1906.—Address, Tampa, Fla.

CLASS OF 1911.

HOYT, REV. JAMES PHILLIPS (D.D.); eminent clergyman and

author; pastor emeritus, Congregational Church, St. Petersburg, Fla.—Address, St. Petersburg, Fla.

CLASS OF 1913.

ATKINSON, REV. HENRY AVERY (D.D.); eminent clergyman and author; Executive Secretary of the National Committee on the Churches and the Moral Aims of the War, 1917.—Address, 70 Fifth Avenue, New York City.

CLASS OF 1914.

PRATT, REV. NATHANIEL M. (D.D.); eminent clergyman; Vice-President of Rollins College, 1914-15.—Address, 106 Morningside Drive, New York City.

THE ALUMNI

The following records of classes in the majority of instances have been written by the historian designated; in some cases, however, communication with distant alumni has been difficult and as a result the information was compiled by the editors. In this issue of the Record, a review of the activities of each class since graduation has been made (though incomplete where no response has been received) inasmuch as it is the first publication of the kind for alumni. Next year the Alumni Record will be published in March, following the annual meeting of the Association to be held during Founder's Week, and sketches under class headings will then contain only notes of the past year. Members of each class should send to their class historian for this purpose, before February 15, 1919, any notes of personal interest about themselves, such as marriages, births, or special work accomplished, which will add to the permanent history of Rollins College.

CLASS OF 1890.

June, 1890, Rollins College graduated its first class—Miss Clara Louise Guild and Miss Ida May Missildine.

The anniversary services began on Sunday with Baccalaureate Sermon by President Edwin P. Hooker. His text was, "As ye go preach" the topic of the sermon was the mission of the scholar.

Tuesday evening Governor Fleming delivered a most pleasing address full of a pure elevated, and generous sentiment.

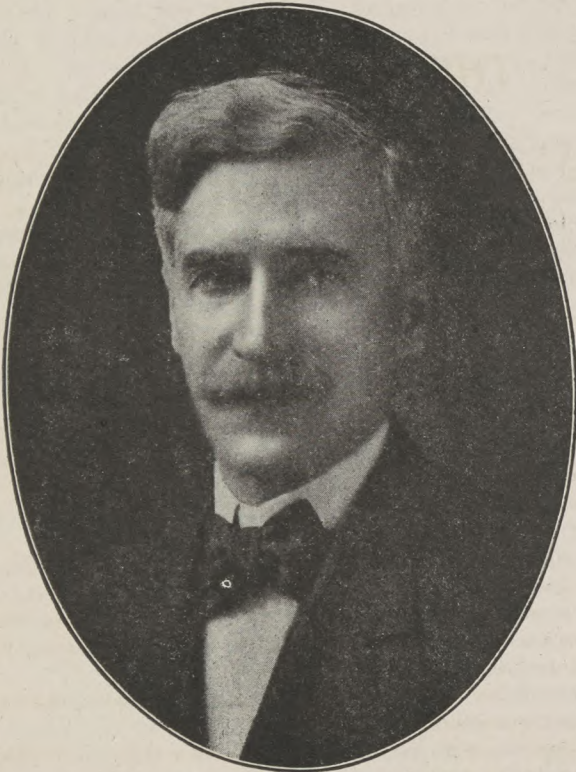

The Commencement Concert on Wednesday evening was given by Miglionico's Orchestra of Jacksonville.

The great day of the week was Thursday, when the public graduating exercises occurred. The degrees were conferred in dignified Latin by the President. At the conclusion of this ceremony the graduates introduced a pleasing episode that was a surprise to nearly everyone. They

stepped upon the platform, bearing in their hands a very large and handsome United States flag which they presented to the college in a few words by Miss Guild. (This incident the late Gen. O. O. Howard after referred to as Miss Missildine was from South Carolina and Miss Guild from Massachusetts.)

President Hooker accepted the gift and his reply was full of patriotic ardor. At its close the band played "America".

At three o'clock that afternoon a large company enjoyed the first alumni dinner. After-dinner speeches followed with Supt. Gale as toastmaster. A few of the toasts were:

REV. CALVIN H. FRENCH, D. D., LL. D.

Who assumed the presidency of the college in the summer of 1917. His plans call for making Rollins a leader among the Christian Colleges of the country.

"Our President. We congratulate him upon the first Commencement of Rollins College, the record which the day closes and the new era of which it is the harbinger."

"Florida. Beneath the smiles of sub-tropical skies Rollins College holds up her flaming torch to make the whole peninsula a land of 'sweetness and light.'"

The President's reception was held Thursday evening at Knowles Hall where Dr. and Mrs. Hooker welcomed a large number of college professors, students, citizens and many people from out of town. Dainty refreshments, Miglionico's music, and singing by the music pupils all assisted the festivities.

This class of 1890 has endeavored to follow out the council of Dr. Hooker and their instructors (who were some of the ablest men of our institutions) and live up to their motto, "Be Strong and Give Aid."

Although perhaps the years have not always lead them along the paths they chose when they left the college, high hopes, and resolutions high ideals, never come amiss.

Miss Missildine has spent many of the intervening years in teaching music in several schools of the South.

Miss Guild has taught twenty-one years, thirteen years as principal of Sanford High School. On 1898 Rollins College conferred the degree of M. A. upon Miss Guild.

CLASS OF 1893.

W. Hamilton Johnson, Historian (18-23).

The graduation exercises of the Class of 1893, the second for Rollins College, were no less auspicious than those of its predecessor.

HOOKER, STUART V. R. (M. D.). Mr. Hooker, the oldest son of President Hooker, studied medicine in Boston several years after his graduation. For some years he had work in the Boston General Hospital. He is now a successful physician in Seattle, Wash., with offices in the Empire Building.

JOHNSON, W. HAMILTON (C. E.). In addition to his academic work at Rollins, Mr. Johnson completed an engineering course in Vanderbilt University and received the C. E. degree. His time since graduation has been spent in the pursuit of his profession in Florida and Mississippi. He is now located in Jackson, Miss.

The Class of 1893 will be remembered as the donor to the college of a black surface globe for mathematical use. It was used by Dr. Hooker and others but was destroyed in the disastrous Knowles Hall fire. The globe was the product of Mr. Johnson's hand and brain.

CLASS OF 1894.

HOOKER, MISS EMILY GRISWOLD. Miss Hooker stands out in the memory of those who know her richly endowed with mental gifts and

great beauty of character. She is the second daughter of the late Rev. E. P. Hooker, D. D., the first President of Rollins College. After leaving Rollins she took post-graduate work and received a degree at Vassar. She at present lives in Massachusetts, the former home of the Hooker family.

CLASS OF 1895.

Ernest E. Missildine, Historian (15-20).

The graduation gift of the Class of 1895 was a Telegraphic Relay which was of great use to the college.

MISSILDINE, ERNEST E., Tryon, N. C. Mr. Missildine, the only member of this Class, is a brother of Miss Ida Missildine, one of the first graduates of Rollins College.

This Rollins graduate has the distinction of serving as the chief executive of Tryon, N. C., his home town, a community which is well-known for its colony of literary people and artists. Mr. Missildine is a pharmacist. He still retains great interest in the college and was one of the supporters of the Tomokan last year.

CLASS OF 1896.

Fritz J. Frank, Historian (16-21).

The Class of 1896 was the first class to be graduated under the first administration of Dr. Geo. M. Ward.

FRANK, FRITZ J., Pleasantville, N. Y. Mr. Frank entered Rollins in 1892 and was one of the organizers of the Sandspur and of the literary society which was the forerunner of the present Delphic Society.

For a number of years Mr. Frank has been associated with a large publishing house in New York City, and lives in the pretty suburban town of Pleasantville.

CLASS OF 1897.

Rev. Fred P. Ensminger, Historian (17-22).

Both members of the Class of '97 are now in the Far West, one in Wyoming and the other in Colorado.

FORD, RUTH CURLET (Mrs. R. F. Atkinson), Jireh, Wyoming. Miss Ford was the oldest daughter of Acting President Ford. She was a student at Rollins from 1889 to the time of her graduation and later became Mrs. R. F. Atkinson, President of Jireh College. Mrs. Atkinson is dean of women there.

ENSMINGER, REV. FRED P. (B. D.). Mr. Ensminger completed his theological studies at Andover, and later became professor of Mathematics in Rollins. He occupied that position until 1904 when he resigned to take up mission work in West Tampa. He there founded what is known as the Latin-American Institute, in partial support of which the girls of Rollins have since sent a handsome sum annually. On account of poor health, Mr. Ensminger was forced to make the West his home. He is now pastor of the Congregational Church of Lyons, Colo.

CLASS OF 1898.

Mary S. Piper, Historian (18-25) .

The Class of '98 was the largest to be graduated upto that time. After graduation, its members kept up a class Round Robin until the circle was sadly broken by Mrs. Fetzer's deatah. The year of graduation was a memorable one, for twenty years ago it was also a war spring. The sinking of the Maine and the declaration of war caused the greatest excitement at the college where there were loyal Cuban students and because Winter Park was so near the camps and Cuban shores. Feeling ran very high and the patriotic fervor was heightened by the shivers of apprehension over the wild rumore of Florida's invasion and other terrors which of course never came to pass. Nearly every evening a group of girls from Cloverleaf and a group of men from Pinehurst seemed to find themselves on the shores of Lake Virginia, and those present at the time may still hear the echoes of the patriotic songs, the college yells and war time cheers with which the students helped their country.

LONGWELL, SUSAN, 373 Stanton Ave., Springfield, O. Perhaps the best known member of this class is Miss Longwell who in 1901 received her Master's degree and was for twelve years Professor of English in Rollins. She is now retired on the Carnegie Foundation.

HENKEL, ANNA MARIA (Mrs. Geo. Fetzer). Miss Henkel was the daughter of the first consulting physician of the college. She was on excellent student though delicate. After graduation she went to Virginia, her old home, to be with family and friends. There she married Mr. George Fetzer. Several years later she returnd to Florida for her health and died. She left a son, George Miller Fetzer, who now lives in Moorfield, Va.

WILLIAMS, MYRA, Rockledge, Fla. Miss Williams has been a devoted daughter to her father and mother. Her home on the East Coast is situated in the midst of the large groves of that section. Her interests are varied there because she is interested in all work that has to do with the uplift of the community. The years 1902-04 were spent in Cuba teaching and studying.

PIPER, Mary S., 373 Stanton Ave., Springfield, O. Miss Piper was a student in the Springfield Seminary for seven years, being graduated from its collegiate department in 1895. She then attended Wittenberg College and entered Rollins in 1897. The two years following she was instructor in English and Mathematics at Rollins. Later she taught a short time in a private school at Greensboro, Ga. Since then she has been in Springfield "keeping the home fires burning" and holding in happy memory her fellow students, the earnest and scholarly professors, and her beautiful alma mater.

CLASS OF 1899.

Susan T. Gladwin, Historian (14-19).

The last class of the Nineteenth Century has had a most interesting career.

PRICE, CARRIE ASHMEAD (Mrs. C. W. Greene). Bayshore Boulevard, Tampa, Fla. Miss Price continued her studies in Chicago, after leaving Rollins and completed a nurse's course in one of the largest hospitals there. She is now Mrs. Charles W. Greene, of Tampa, one of the best known club women of the city. She is President of the Tampa Music Club and Rollins Circle.

THAYER, SUSAN NICHOLS (Mrs. Grant P. Travis), Penn Yan, N. Y. Mrs. Travis writes that the most important event in her life since leaving Rollins was her marriage fourteen years ago. She is a busy housewife actively engaged in Red Cross work and the care of a daughter of seven and all the duties incident to the life on a fruit and grain farm which is located in the beautiful lake region of Central New York.

GLADWIN, SUSAN TYLER, Winter Park, Fla. After graduation Miss Gladwin taught one year in Florida schools. In 1901 she was appointed as teacher of English in the Philippines where she remained three years. One summer vacation was spent in Japan with some time at Shanghai and Hong Kong. After returning to the United States she taught twelve years in the public schools of Florida. Since 1915 she has been an instructor in her alma mater. (The assistance of Miss Gladwin in our museum work, especially in the care of the shells, has been much appreciated. She has assembled, classified, and labeled the collections that were scattered through the cases and has arranged them very attractively in a single case, which is a credit to her knowledge of conchology as well as a very interesting feature of the museum. T. R. B.)

CLASS OF 1900.

Rev. J. Harold Dale, Historian (15-20).

The members of the first class of the Twentieth Century now represent the leading professions.

MAYSON, ARTHUR RAY. Mr. Maxson was the son of one of the oldest residents of Winter Park and a nephew of Mrs. C. L. Smith. After graduation from Rollins he taught three years at Cook Academy, Montour Falls, N. Y. In 1903 he was appointed graduate scholar in Mathematics at Columbia University and in 1905 received the B. S. and M. A. degrees. His treatise of "Star Polyhedra" written in 1905, is the most exhaustive work on the subject in any language. In 1905 he was appointed instructor in Mathematics in Columbia. In 1906 he was elected to membership in the American Mathematical Society and in 1908 married Miss Garman of Bath, N. Y. In recognition of his research work and scientific attain-

ments, in June, 1909, Columbia University was to confer upon him the Ph. D. degree. Before that date Professor Maxson died suddenly.

BAKER, NORMAN LOCKYER (M. E.), 1206 Hamiltan Ave., St. Louis, Mo. Mr. Baker, the son of a well beloved professor emeritus, after leaving Rollins entered the Engineering School of Cornell University and was later graduated with the M. E. degree. He married Miss Haldock, a former Rollins student and they have one little girl, Florence Way. Mr. Baker is now works engineer for the United Foundries Company.

LYMAN, LOUIS ATWATER, 1754 Market St., Jacksonville, Fla. Mr. Lyman was one of the students from the East Coast. In 1901 he was appointed from Rollins as teacher in the Philippines, and while there spent most of his time in Manila doing secretarial work as well as teaching. After returning home he went into business in Jacksonville.

DALE, REV. JOHN HAROLD, Billerica, Mass. Mr. Dale whose parents have long been residents of Winter Park, took a theological course at Andover Theological Seminary and since 1903 has been the pastor of the First Congregational Church of Billerica. His wife, who was a Savannah, Ga., girl, passed away last fall.

CLASS OF 1902.

Fannie Henkel Smith, Historian (17-22).

As was Gaul of old, the Class of 1902 is divided into three parts: Fannie Henkel Smith, Wood Stewart, and their intense loyalty to Rollins College.

HENKEL, FANNIE (Mrs. H. Baxter Smith), Homer, Ga. After receiving her A. B. degree from Rollins, Miss Henkel taught four years in Piedmont College, two in the graded department, then two in the Science Department. In June, 1907, she married W. Baxter Smith, Professor of Mathematics and at that time Registrar of the College.

In 1913, Mr. and Mrs. Smith moved with their two children, Virginia Baxter and William Henkel, to a farm in Banks County, where all are well, happy and contented, raising cotton, corn and Percheron colts.

STEWART, REV. WOOD, "Somewhere In France." As did a number of Rollins graduates, Mr. Stewart continued his work at Andover. Study of Church History there, in which he specialized, convinced him of the claims of the Episcopal Church and at the end of the first year he was confirmed. At the beginning of the second he became a candidate for Holy Orders but remained at Andover till the end of his second year. Then he went to the Episcopal Theological School affiliated with Harvard University and received his bachelor's degree in 1905. After a connection of two years with churches in New York his health became impaired and Mr. Stewart went to Seattle, where he began a mission which has become the Church and Parish of the Epiphany, one of the influential churches in the Diocese of Olympia.

At the outbreak of the war Mr. Stewart was appointed chaplain of the Washington Coast Artillery Corps.

CLASS OF 1903.

T. W. Lawton, Historian (18-23).

LAWTON, THOMAS WILLINGHAM, Sanford, Fla. Since leaving Rollins 1903, Mr. Lawton has been engaged in several occupations. One year was spent in Andover, Mass., in the Theological School; four years in teaching high schools in Florida; seven years in mercantile business. The past two years he has been serving as superintendent of public instruction for Seminole County and says, "I prefer this to any work I have yet engaged in."

CLASS OF 1904.

Mary Hardaway Algee, Historian (14-19).

Unfortunately very little information about the Class of 1904 has come into the hands of the Class Historian.

HARDAWAY, MARY AILEEN (Mrs. L. C. Algee), 58 Stokes Ave., Atlanta, Ga. Miss Hardaway went into business shortly after her graduation from Rollins and later became the wife of Lucien C. Algee. She is now located in Atlanta and has a little son who is just starting to school. She is active in Red Cross and is a member of the Woman's Board of Oglethorpe University.

HILSON, LEWIS (M. D.), Webb, Ala. Mr. Hilson since completing his medical course has been practicing in Alabama. His home town, Webb, was almost destroyed last year in the disastrous storm that swept that section of Alabama.

DAVIS, REV. DANIEL SHERROD, Pilot Rock, Oregon. Mr. Davis studied at Andover a short time and then transferred to a Presbyterian Theological Seminary and completed his work. Since then he has been preaching and is now pastor of the Presbyterian Church of Pilot Rock.

CLASS OF 1905.

Julia B. Reed, Historian (15-20).

BUMBY, ADA ANNIE (Mrs. Wm. W. Yothers), Orlando, Fla. Miss Bumby has spent most of the time since her graduation in her native town Orlando. Last fall he was married to Mr. Wm. W. Yothers, who represents the U. S. Department of Entomology in this section. Mrs. Yothers is prominent in club work in Orlando.

REED, JULIA BROWN, McRae, Ga. Miss Reed was for ten years Director of the Department of Expression in Rollins and is now holding a similar position in the South Georgia College at McRae. People of Florida know her to be one of the most successful teachers ever to come

here and she is naturally a great credit to the Association of which she was formerly Vice-President.

NOBLE, SAMUEL CHARLES, 104 East Forsyth St., Jacksonville, Fla. Mr. Noble is a son of one of the first trustees of Rollins, the Rev. Mason Noble, who passed away only a short time ago. With this added connection his relations with the college have been very intimate. He is at present a prominent attorney and U. S. Commissioner in Jacksonville.

CLASS OF 1906.

William F. Ronald, Historian (16-21).

Compared with the numbers of other classes, the Class of '06 was a large one.

ENSMINGER, CARRIE LOUISE (Mrs. Henry Nickel), Sanford, Fla. After graduation, Miss Ensminger spent her first winter in Washington as the guest of Mrs. Dana Durand. Then for seven years she taught in the Sanford schools, and during several years of this period was Superintendent of the Primary Department of the Congregational Sunday School; also for one year, Chairman of the Junior Civic Department of the Woman's Club.

In 1915 she married Mr. Henry Nickel and now makes her home on a celery farm within the limits of the Celery City. Dr. Ward has engaged a room in Cloverleaf for her little daughter, who, a year and a half old, is yet too young to leave home, but who will doubtless make good use of her Cloverleaf reservation in due time.

LAINHART, GRACE LOUISE, 1034 South 20th St., Birmingham, Ala. As Director of the Art Department of Rollins, Miss Lainhart did a wonderful work. She designed the "Studio," the little building which has always been a pretty sight to Rollins people. More than that she did a great deal of the manual labor that completed it. After leaving Rollins Miss Lainhart conducted a studio with great success on the East Coast and recently opened her present studio in Birmingham where she is now pleasantly located.

FRAZER, REV. GUY HENRY, Red Hook, N. Y. Mr. Frazer following his graduation began a three years' course at the Episcopal Theological School of Cambridge, Mass., where in June, 1909, he received the degree of B. D., and won the Salmon Wheaton Prize for reading selections from the Bible and Book of Common Prayer. During the same month he was made a Deacon by Bishop Knight of Cuba at Christ Church, Savannah, Ga.

From 1909 to 1912 he was a missionary in Cuba; then Vicar of Christ Church, Cordele, Ga. later Rector of St. John's Church, Yonkers. It was while connected with this church that he married, July 7, 1915, Miss Inez Atwood Rogers at Chatham, Mass., a Wellesley College girl. Since 1916 Rev. Mr. Fraser has been Rector of Christ Church, Red Hook, N. Y. This church has one hundred sixty communicants, ten of whom are in the ser-

vice; among them was Victor Chapman of the LaFayette Esquadriile, who was killed in action. Mr. and Mrs. Frazer have a daughter, Janet Rogers, born August 24, 1917.

STIGGINS, SAMUEL JONES, 608 S. 48th St., Birmingham, Ala. Mr. Stiggins was for a while Superintendent of Grounds and Buildings for Rollins but for the past several years has been a successful lawyer of Birmingham. He was married in 1912 to Miss Agnes Hill, graduate of the Expression Department of Rollins, and they have three children.

RONALD, WILLIAM, Daytona, Fla. Mr. Ronald was employed for some time after his graduation in a hardware store in Cocoa, Florida, then for a short time engaged in the real estate business at Daytona, Beach. In 1908-'09 he was secretary to the President and Faculty at Rollins; after leaving Winter Park he was employed in the Merchants' Bank of Daytona. Most of his time has been spent in Daytona, near which place since 1914 he has been developing a small orange grove and farm; in cutting a tree in connection with farm work in the spring of 1916 he was almost killed and is not yet entirely over the effects of the injury, though practically well at the present time.

CLASS OF 1907.

Grace Boone, Historian (17-22).

The Class of 1907 is one of the best known of all classes so far graduated. This is due partly to the fact that the lives of both members have ever been intimately connected with Winter Park and vicinity.

BOONE, EDITH GRACE, Acadia Ladies' Seminary, Wolfville, Nova Scotia. Miss Boone has been identified with the public school system of Orange County, is a graduate of the Leland Powers School of Expression in Boston and also of the Posse School of Physical Education. She is now instructor in Physical Education and Expression in the Acadia Ladies' Seminary.

BLACKMAN, BERKELEY, home address, Lake Monroe, Fla. Mr. Blackman is a graduate of Rollins Academy as well as Rollins College. From 1907 to 1909 he studied in Queens College, Oxford, England, after which he was appointed Professor of Natural Science in Rollins as Dr. Baker's successor. In 1915 he resigned to become associated with his father, Dr. W. F. Blackman, President of Rollins for thirteen years, in the management of the Wekiwa Ranch. In the fall of 1917, Mr. Blackman enlisted in the Aviation Corps and after training in Texas and Ohio received his commission and is now instructor in one of the large aviation schools in Texas.

Mrs. Blackman, who was a former teacher of piano in Rollins, and Berkeley, Jr., are now in Sleepy Eye, Minn.

CLASS OF 1908.

Margaret L. Burleigh, Historian (18-23).

The experiences of the Class of '08 are varied.

CONKLIN, JESSIE ALMA, West Palm Beach, Fla. Miss Conklin, who has made her home on the East Coast since graduation, has spent most of her time in teaching.

LAMSON, IDA SERENA (Miss Gustav A. Volby), Lewistown, Montana. Miss Lamson studied music in Oberlin three years following 1908 and the following summer went to Paris, France, with Miss Kate Peck, formerly instructor in Piano in Rollins. After studying under two well-known assistants of the famous Jean de Reszke, Miss Lamson returned to America and taught for two years in Grand Forks, N. D. It was there that she met Mr. Gustav A. Volby and they were married in Winnipeg, Manitoba at the home of Mr. and Mrs. Hamilton (nee Bessie Clements, a former Rollins girl). Two other Rollins people, Mrs. C. L. Smith, aunt of the bride, and Miss Susan T. Gladwin, were also present.

Mr. and Mrs. Volby have two children, Thomas and Evaline.

BURLEIGH, MARGARET LORD, Starke, Fla. Miss Burleigh is the daughter of one of the present trustees, Mr. E. S. Burleigh of Tavares. After graduation she continued her vocal work under Prof. Pope for some time, and spent one year in the North with relatives. In the spring of 1917 she decided to do an additional bit for her country by taking up the work of Home Demonstration Agent. Shortly after completing special preparation for this work she was given Bradford County with Starke as her headquarters.

FORT, LEON BERGEN, Orlando, Fla. Mr. Fort, has been engaged in business since his graduation and is now at the head of one of the large automobile agencies in the state with headquarters at Orlando and Daytona. His home is in Orlando where he is prominent in civic progress.

BUTTRAM, JAMES HENRY, Bonifay, Fla. Mr. Buttram spent from 1908 to 1910 teaching and studying law and was admitted to practice at the latter date. His headquarters are at the county site of his home county and he has built up an enviable practice.

On September 11, 1912, Mr. Buttram was married to Miss Hammond. Last July their home was blessed with a smiling little girl, "a future Rollins student," says Mr. Buttram, "if the Gods are willing. She is now large enough to say 'Daddy.'"

CLASS OF 1909.

William B. Hathaway, Historian (14-19).

The Class of 1909 has this distinction, that the interests of its members are entirely in Florida.

SLATER, Arthur Leslie, St. Augustine, Fla. Mr. Slater has done considerable post-graduate work since receiving his bachelor's degree.

In 1911 he received his master's degree from Rollins and later, having completed a law course, his LL.B. the Atlanta Law School. In 1914-15 Mr. Slater took advanced work in Harvard University and was later an instructor in a large school in St. Louis. On account of the sudden passing of his father last year, Mr. Slater was called to his home in St. Augustine to take charge of his father's business and he is now recognized as one of the prominent real estate and insurance men of the state.

HATHAMAY, William Byron, 800 East Church St., Gainesville, Fla. Mr. Hathaway first entered Rollins in 1898. After three years of hard study he was forced on account of poor health to spend some time in Maine. In answer to the call of the Government for teachers for the Philippines issued through the colleges, Mr. Hathaway responded and was placed at Alcala de Pangasinan. After some time spent in the Far East, Mr. Hathaway returned to the United States to continue his academic work in the Pacific Theological Seminary and the University of California. He was graduated in 1906 from the Theological Seminary.

In 1909 Mrs. Hathaway had completed the requirements for the bachelor's degree in Rollins College. In the same year he was married to Mrs. Edith Watson. Two little girls were born in August, 1910, Pearl and Edith. Pearl died in 1912. Another little girl, Beulah, came December 17, 1916.

Since the fall of 1913, Mr. Hathaway has been instructor in English, Latin and Spanish in the Teacher's College of the University of Florida, and is a candidate for the master's degree from that institution this coming June. He is a member of the Florida Chapter of Phi Kappa Phi Fraternity.

CLASS OF 1910.

The Class of 1910 was one of the largest graduated from Rollins College.

DUNCAN, Florence Anne, 37 Auburn St., Haverhill, Mass. Miss Duncan, the Florence Nightingale of the alumni, took the three years course at the Massachusetts General Hospital in Boston 1910-13 and is now located in Haverhill.

CLARK, Mary Agnes (Mrs. B. G. Smith), Oviedo, Fla. Miss Clark taught a few years before her marriage and now lives in her home town of Oviedo. As are all Rollins alumnae she is active in Red Cross work.

MOORE, Florence Louise (Mrs. James E. Windham), Orlando, Fla. Miss Moore taught in Daytona upon leaving Rollins. Since her marriage to Mr. James E. Windham, a former Rollins student, she has lived in Orlando.

WOOD, Winifred Morse, Tangerine, Fla. Miss Wood has, every

summer since graduation, taken various courses at the Chautauqua Summer School. During the winter months she is at home in Tangerine and never loses an opportunity to send a student to Rollins.

BOGGETT, Marguerite Verity, 74 Halsey St., Brooklyn, N. Y. Miss Doggett took a course at the Simmons Summer Library School, Boston, immediately after finishing at Rollins and has been with the Queens Borough Public Library system since then. She is now taking a course in New York City in addition to her work as first assistant.

BLACKMAN, Worthington, permanent address, Lake Monroe, Fla. Mr. Blackman is a graduate of the academy as well as the college. He also completed the law course at the University of Florida and since the Mexican trouble has been an officer in the United States Army.

CLASS OF 1911.

The Class of 1911 boasts of three members—no inconsiderable boast when we remember the class which can claim but one. Miss McQuarters, Miss O'Neal, and Miss Branham found each other in the sixth grade of the Orlando Public Schools and rivalry in denominated numbers and American History only paved the way for closer friendship and greater ambition in the High School.

Through Miss O'Neal's close relationship with Rollins the inseparable three cast in their lots with an Alma Mater that has no rival in their hearts. There such teachers as Miss Susan Longwell, Dr. Baker, Miss Donnan and Dean Clayton opened up a great new world for them and left the deepest impressions on the characters in their hands. The class was prodigiously flattered when the title "Three Graces" was adopted by the faculty and students in referring to them. A most gracious and kindly overlooking of the absence of both grace and beauty left the impression that number and inseparability were sufficient for the use of the title.

Since leaving the college the class has endeavored to deserve the title "Useful Citizens," hoping in the near future to be classed as citizens rather than "criminals, feeble-minded or insane." Miss McQuarters and Miss Branham have taught in the schools of Orlando five years and Miss O'Neal, after several years studied library methods at Chautauqua, N. Y., and has been for the past three years the College Librarian. Miss McQuarters is a teacher in the Orlando High School and has charge of part of the History and English work. Miss Branham is at present serving where her ability and training are most needed—at home and in the various civic activities of the women of Orlando.

Miss O'Neal and Miss Branham have both enjoyed post-graduate work at the Columbia University and Miss McQuarters at the University of California and the University of Florida, during summer sessions. While the scholastic ambitions of the Class of 1911 are far from satisfied

the consuming ambition of the members is to spend a summer together traveling.

May all the classes of Rollins have as deep and loyal love for their Alma-Mater as the Class of 1911.

CLASS OF 1913.

The Class of 1913 has three members in foreign countries and others in far distant states of the American Union.

DANIELS, Mabel Eliza, care A. B. C. F. M., Canton, China. Continuing the interest in missionary work that she displayed as President of the Rollins Y. W. C. A., Miss Daniels studied in the Theological Seminary of Oberlin and in 1915 was granted the master's degree. She taught in Ohio until the fall of 1917 when she was appointed missionary teacher in a girls school in Canton, China. Despite the great distance between Florida and Canton Miss Daniels receives the Sandspur regularly and says that she gets most of her war news from its pages. Rollins College is very proud to have Miss Daniels as its representative in the foreign field.

LITTLE, Emma Jane (Mrs. Eugene A. Tallant), Contoocook, N. H. Miss Little was married shortly after graduation to Mr. Eugene A. Tallant, who is one of the prosperous farmers of New Hampshire. Mrs. Tallant is always interested in all things that pertain to Rollins.

WETHERHILL, Dyke Delno, "Somewhere on the Atlantic." Mr. Wetherhill has been making a very successful business career for himself since graduation, but last summer, in answer to his country's call for volunteers, enlisted in the Navy and is now an ensign on a submarine chaser, on which boat there is also stationed another former Rollins student, Ensign D. Henry Fordham.

PIKE, Dean Sherman.—Permanent address, Clinton Corners, N. Y. Mr. Pike has always shown an unusually loyal spirit toward the college. In the summer of 1916 he, with other alumni and former students living in New York, organized the Rollins Circle of that city and Mr. Pike was made the President. In July, last, he was married to Miss Mabel Allen, a popular graduate of the Academy. Not long afterwards he enlisted in the Signal Corps and after training in Spartanburg, S. C. will be sent to France.

McCARDELL, Chester Franklin, care United Fruit Co., Banes, Cuba. Mr. McCardell after a year's business training in his home town, St. Petersburg, accepted a position with the United Fruit Company and is now stationed in Cuba. In 1916 he was married to Miss Adrienne Wallace, formerly instructor in violin in the department of Music.

NICKERSON, Henry Arthur, Boothbay Harbor, Maine. Mr. Nickerson last summer completed the law course in the University of South Carolina and is now preparing for the Maine bar.

BUCHER, George Conrad, Apartado 6, Hotel Continental, Guan-

tanamo, Buba. On account of his knowledge of the Spanish language Mr. Bucher has taken advantage of the business opportunities in Spanish-speaking countries during most of the time since his graduation. He was for a time in Porto Rico and is now with a large lumber firm in Cuba. Mr. Bucher was married last fall to a Rollins alumna, Miss Kathleen Hill, of the Class of 1914. This is the first union of two Rollins graduates.

CLASS OF 1914.

The Class of 1914 is running the preceding class a close second in having representatives in foreign lands.

AVERY, Ciella Millicent (Mrs. John W. Shannon), 202 Divisoria, Manila, Philippine Islands. Miss Avery taught one year at Rollins after graduation, after which she entered the Civil Service in Washington. She was married at the Cathedral Church in Washington on June 14, 1917 to Mr. John W. Shannon, also a former Rollins student and now treasurer of the Episcopal Board in the Philippines. The following taken from a letter written during Mrs. Shannon's honeymoon will be of interest to her many friends: "Left at three-thirty for New York and stayed there two weeks; took in the sights and had the time of my life; spent a day and night with Katherine Smith at Asbury Park; crossed the continent through Chicago, St. Paul, and up through the Canadian Rockies to Vancouver and here I am sitting on the ship. We go to Yokahama, Japan, visit Tokio, go across the Island by rail to Kobe, meet the ship there, go to Shanghai and Hongkong, thence to Manila for five years, after which we return to the United States for six months vacation and I'll see you then or 'bust.'"

AYRES, Pauline, 811 Swetland Bldg., Cleveland, Ohio. Miss Ayres since graduation has been engaged in business. She is now secretary in Cleveland, Ohio, and is in close touch with all the former students of Rollins residing in that city.

BETTS, Florence Merrill, Glenford, Ohio. Miss Betts was a second Rollins graduate to do post graduate work in Oberlin and take the master's degree. She is now teaching English and History in the High School of Glenford.

HILL, Kathleen Louise (Mrs. G. Conrad Bucher), Apartado 6, Hotel Continental, Guantanamo, Cuba. Miss Hill taught for two years in her home town, Maitland, and being so near the college, has kept in intimate touch with its life. She is now Mrs. G. Conrad Bucher and while living in Cuba is having some very interesting experiences. Several articles recently printed in the Sandspur have told her friends here of the interesting life and environment of the Cubans, as seen by Mrs. Bucher.

KLINGLER, Harry Samuel, 219 Brady St., Butler, Pa. After completing his academic work at Rollins, Mr. Klingler was graduated from

the law school of Stetson University and is now practising in Pennsylvania.

CLASS OF 1915.

The Class of 1915 is one of the classes of the college to be represented on the Alumni Service Flag which hangs in the chapel.

BELLOWS, Miss Anne, Winter Park, Fla. Miss Bellows has, since graduation been a member of the faculty of Rollins having charge of the academy English and assisting in the department of Mathematics.

MARVIN, Donald Mitchell. Since 1915 Mr. Marvin has studied in the University of Pennsylvania. His interests have been directed along psychologic lines. After a year at the University he received his master's degree and all of the work for the Ph.D. degree has been completed by him. Before completing his residence requirement for this degree he enlisted in the Army and is now in the Medical Officers Training Camp, Fort Oglethorpe, Ga. The Psychological branch of the Medical Department has very important work to do and Rollins is proud that one of her men is capable of helping to do it.

CLASS OF 1916.

Geraldine Clark Harris, Historian (16-21.)

CLARK, Geraldine (Mrs. Elmer K. Harris), 7502 Carnegie, Ave., Cleveland, Ohio. Miss Clark was the first graduate of Rollins to receive from the State Department of Public Instruction a State Teacher's Certificate under the law that went into effect about the time of her graduation.

She taught in the High School of her home town, Inverness, one year and was then married to a graduate of the Academy, Mr. Elmer K. Harris.

CLASS OF 1917.

Upon its graduation last year, under Dr. Ward's second administration, the Class of 1917 made two notable gifts to the college. The first was a handsome sun dial as a class gift, which custom was reviewed that year, having been started by the Class of '90. The second was a gift of \$245 toward a printing plant, this amount being the profits on the college annual, the Tomokan, which the members of the Class of '17, with the other seniors of 1917 made. This money was expended last January for the equipment of the Rollins Press.

The Class of 1917, although not yet a year out of college, is gradually finding its place in the world and its members are playing their parts in useful ways.

CONAWAY, Mary Louise, Fairmount, W. Va. Miss Conaway has been for the past year instructor in History in the Academy of Rollins while also taking advanced training in commercial branches.

FUNK, Anna Florence, Bowling Green, Fla. Miss Funk is living

farther south than any other graduate of the college. She is located at Bowling Green and has, for the past year, taught at that place.

McQUATERS, Edwin Arthur, permanent address, Orlando, Fla. Mr. McQuarters enlisted last July in the Medical Corps and after having trained in several of the Georgia camps is now at Ft. McPherson, near Atlanta.

THOREN, Paul Lloyd. Mr. Thoren has been, since his entrance in the Service last summer, at Camp Grant, not far from Chicago. He expects to be in France at an early date.

HANNA, Alfred Jackson, Tampa, Fla. Mr. Hanna was appointed Registrar of Rollins last summer and has acted in that capacity during the year just closing.

CLASS OF 1918.

Elizabeth Russell, Historian (18-23.)

The Class of 1918—the largest yet to be graduated—has the distinction of having passed through four different administrations: Dr. Blackman's that of Dean Enyart and Treasurer O'Neal, Dr. Ward's Acting-Presidency, and President French's first year.

There are eight members in this class: Sara Evans Muriel, 1415-Ionia St., Jacksonville; Sadie Sawyer Pellerin, 754 Park St., Jacksonville, who was a student at Rollins for six years, graduating from the Academy in 1914; Elizabeth Russell, Ft. Pierce; Annie Catherine Stone, Winter Park, also a graduate of the Academy; Katherine Gorton Waldron, 2303-Highland Ave., Tampa; Sara Williams Yancey, Orlando; Robert Clark Hutchinson, New Bedford, Mass.; James Isaac Noxton, Auburndale.

The interest manifested by the members of the class in all that is for the good of Rollins augurs well for their success in the future in whatever field they may find themselves. Miss Waldron will be married in June 18, next, to Mr. John Leonard Boynton, of Boynton, Fla. Mr. Noxton and Mr. Hutchinson will enter the Service to do their "bit" in the Great Struggle. Other members of the Class have not made definite plans but it is safe to prophecy that all will find their places in the world where they will carry on the ideals of service which they have gained at Rollins

COMMENCEMENT SCENES, 1917.

Rollins Circle of Tampa, Jax., N. Y., Boston

The Rollins Circle of Tampa is the oldest organization of its kind connected with Rollins College and was formed over ten years ago, with Mr. Walter Bettis, President. The last annual meeting, held at the DeSoto Hotel, during the holidays, was an enthusiastic one and well attended. Later in January 1918, when the Varsity Basket Ball Team played the Ex-Collegians of the Tampa Y. M. C. A., and the Southern College Team this organization gave a dinner in its honor at the Tampa Bay Hotel and was fortunate in having Dr. Ward as the after-dinner speaker.

OFFICERS.

President, Mrs. C. W. Greene, Bayshore Boulevard; Vice-President, Leon D. Lewis, St. Petersburg; Secretary-Treasurer, Miss Margaret S. Rogers, 843 Laurel St., West Tampa.

MEMBERS.

Dr. A. R. Beyer, Citizens Bank Bldg.; Mrs. E. Gaylord, R. F. D. No. 2; Miss Maud Hill; Rev. George B. Waldron, 2303 Highland Ave.; Mr. and Mrs. E. R. Dickenson, Gould Block; Dr. and Mrs. George M Ward; Miss Helen Hanna; Mrs. M. S. Pinch, Francis Ave.; Alfred Hanna.

ROLLINS CIRCLE OF JACKSONVILLE.

This organization was for several years the largest of the several Rollins Circles. Its first officers were: President, Gerard R. Franz; Secretary, Mrs. F. L. Rogers; Treasurer, George W. Gibbs, Jr.; Members of Executive Committee, Mrs. Richard P. Marks and Louis A. Lyman.

During the past summer several meetings were held through the efforts of Misses Sara Muriel and Sadie Pellerin, both of the Class of '18. Pending the election of officers, Mrs. Frank L. Rogers, Fairfield, was appointed chairman.

An informal reception was given by the Circle in honor of President French last September, at which time a number of "old" students were present to welcome the incoming president. This function was given in the lecture rooms of the First Congregational Church.

ROLLINS CIRCLE OF NEW YORK.

This club was formed July 13, 1916, at an enthusiastic dinner held at the Imperial Hotel, Broadway. New York has always been a meeting place for former students and faculty of the college and it was hoped to make these gatherings more congenial by means of the organization. Owing to the fact that the president of the organization, Mr. Dean S. Pike, has been for some time in the Army as have also a number of its members, there have been few activities of late.

OFFICERS.

President, Dean S. Pike, now in Service; Vice-President, Miss Cornelia Shaw, 299 Orange Road, Montclair, N. J.; Secretary-Treasurer, E. H. Pearson, 106 Morningside Drive.

MEMBERS.

Philip P. Edwards, now in Service; Luis G. Estefani, 5 Neptune St., Havana, Cuba; W. Clay Inman, 225 W. 69th St.; Mr. and Mrs. John M. LaMontogne, 3 West 104th St.; W. A. H. Loveland; Herbert A. Martin, now in Service; Ralph S. Twitchell, now in Service; Erroll Bryant, now in Service; Herbert and John Duncan, Slocum, L. I.; Devol Gates, care Heinz Food Products Co.; Miss Alice McCready, New Castle, Pa.; Hubert Price, Bretton Hall, 86th St. and Broadway; George D. Romeike, 115 W. 71st St.; Carl Twitchell, Owatona, Minn.; D. D. Wetherill, now in Service; James Wilson, 8, West 10th St.

ROLLINS CIRCLE OF BOSTON.

"Hub Chapter."

This organization was formed July, 1917, at the Beacon Street home of Miss May Hooker, whose father, the Rev. Edward P. Hooker, D.D., was the first president of Rollins College. This Circle has the distinction of giving the first welcome to President French. Shortly after his election to the presidency of the college in August, a dinner was given in honor of Dr. George M. Ward, Chairman of the Board of Trustees, and President-elect Calvin H. French, at the Oakley County Club.

OFFICERS.

President, Miss May S. Hooker, 527 Beacon St., Back Bay 705; Vice-President, Miss Margery Waide, 23 Abbott Road, Wellesley 264-J; Secretary-Treasurer, Mr. F. A. B. MacKeil, now in Service.

HONORARY MEMBERS.

Dr. George M. Ward, Mrs. George M. Ward, President Calvin H. French, Mrs. Calvin H. French, Prof. William H. Herrick.

MEMBERS.

Mrs. C. L. Smith, Winter Park, Fla.; Miss Ruth E. Hills, Hollis, N. H.; Miss Anna B. Waterman, 21 Jason St., Arlington; Alfred J. Hanna, Tampa, Fla.; George L. Benedict, care Donner & Co., Boston; Miss Fedellia Fisk, 26 Circuit St., Roxbury; Mrs. Geo. H. Fernald, Jr., 14 Admore Terrace, West Newton; Miss Elinor P. Emery, 73 Garden St., Allston; Misses Geraldine, Vivian, Antoinette Barbour, Chelmsford; Miss Amy F. Dalrymple, Trinity Court; Rev. J. Harold Dale, Bellerica; Rev. C. M. Gates, Wellesley Hills; Dr. A. W. King, Hyde Park; Miss E. Desire King, Center St., Hyde Park; George Morgan King, now in Service; Ellis Stubbs, now in Service; Miss Florence Duncan, 37 Auburn St., Haverhill; James I. Noxon, Auburndale, Fla.

LIST OF NAMES OF FORMER STUDENTS

Owing to the destructive fire of 1909, in which Knowles Hall was entirely lost and with it the college records, there is not on file at the present time a complete and correct list of all students who have attended Rollins College. Since that time a number of alumni and former students have assisted the college officers in collecting and correcting other lists and in 1916 a partially complete list, compiled under the direction of Dr. Thomas R. Baker, who gave to it great time, labor and thought, was published as an Alumni Supplement to the Sandspur. As names, addresses and occupations were sent in they were added to the card catalogue which is located in the college office. During the past year the administration has added considerably to this catalogue by the help of many loyal former students and friends. The following list, which has been copied from the card catalogue of the college, though incomplete in many

instances, is as correct as it has been possible at present to make it. It is hoped that those who know of errors or omissions or who can supply missing addresses will do so by using the enclosed form and thus help the college to locate its former students.

At the request of a number of people who have attended the college for a short time only, and in consideration of the propriety of the action, it has been decided to omit the names of persons who have attended the college for less than a full semester or who attending one semester only have failed to obtain credit. Such people are not entitled to be called students of the college and naturally do not care to be so classed.

(The letter "T" means that person was a teacher in Rollins College; the letters "Tr" signify trustee; all names without such notation are names of former students.)

Chicago Medical Festival

—The—

Orlando Music Festival Association

Begs to announce the

Third Season

of the

Orlando Musical Festival

During the Week of February 23, 1919.

Following Founder's Week at Rollins College

Such artists as Leopold Godowsky, Mischa Elman,
Madame Marie Rappold, Henry Scott, Reed Mil-
ler, Jean Cooper, Marie Narrelle have ap-
peared with this organization.

Rollins College

is known in the world by her Alumni as a vine is
known by its fruit. They are branches, their
work in the world is the fruit.

Therefore, Let Every Alumnus

Play well his part in the world;
Keep unbroken his connection with his alma mater;
Help to make her a stronger and more fruitful vine.

HER NEEDS:

- \$100 Ten such gifts for special departments in the library.
- \$100 To pay for a new bath room in Lakeside.
- \$500 For a program clock and electric bell system.
- \$500 For repairs on Chase Hall.
- \$500 For campus improvements during the summer.
- \$1,000 For a new roof on Sparrell Cottage.
- \$1,000 For cleaning, painting, plumbing and other summer repairs.
- \$1,000 Four such gifts to pay four salaries.
- \$1,500 Six such gifts to pay six salaries.
- \$40,000 Six such sums to endow six professorships.
- \$100,000 To endow the president's chair.
- \$3,000,000 To make Rollins one of the twenty-five leading American colleges.

What Part Will You Have in the Building of a Greater Rollins?
