MINUTES OF THE FACULTY FOR 1943-44

The sixth meeting of the Rollins College faculty for the year 1943-44 was called to order by President Holt at 4:20 p.m. Friday, February 11, in Dyer Memorial.

The following members were present: President Holt, Professor Allen, Professor H. Bailey, Dr. Brown, Miss Cameron, Professor Charmbury, Dean Cleveland, Professor Constable, Professor Dean, Dean Enyart, Dr. Fort, Professor Hanna, Dr. Hasbrouck, Professor Jones, Dr. Knipp, Professor Lamb, Miss MacLennan, Professor Marvill, Dr. Melcher, Dr. Mortimer, Professor Ortmayer, Professor Owens, Professor Packham, Professor Shor, Professor Siewert, Professor Smith, Dr. Snyder, Dean Stone, Miss Stueve, Miss Treat, Professor Wattles, Dr. Young.

On motion of Professor Wattles, seconded by Dean Enyart, it was voted that we return to the sixty minute schedule as soon as possible. Dean Stone announced that this could be started on Wednesday.

Dean Stone announced that the Dean's office would be glad to have for publicity purposes letters which members of the faculty may have received from the STAR trainees.

Dean Stone suggested that it would be advisable for advisers to start on the spring term schedules as soon as possible after Founders' Week.

Dr. Melcher presented the following motion from the Faculty Administrative Board:

"That it be reported at the next faculty meeting that the question of granting permissions for Saturday morning and end-of-the-term absences be seriously considered."

There was considerable discussion, Dean Cleveland speaking especially of the fact that many students have no Saturday morning classes and thus have too much time on their hands over the week-end.

On the motion of Professor Jones, it was voted that classes be held on the afternoon of Founders' Day.

Dean Stone announced that anyone wishing a doctor's gown for Convocation should see Miss McQuaters at once.

Miss Stueve announced that while it is too early to make predictions in regard to next year's admissions, the number of applications received this year is eighteen compared to six at the same time last year.

The meeting adjourned at 5:10 p.m.
