President Holt welcomed the faculty and staff.

President Holt gave a tribute to Dr. Firestone and asked the faculty to stand in his honor. A memorial service will be held on Wednesday, October 4, 1944, in Knowles Memorial Chapel. The following resolution by Dr. Starr was passed unanimously:

"The Faculty and Staff of Rollins College, reassembled at the beginning of the academic year, wish to express their sorrow at the death of a revered colleague and friend. In his long career at Rollins Dr. Firestone wrote the testimony of his wise scholarship and his deep humanity within the hearts of all who knew him. He fed the mind and he strengthened the spirit. In witness of a pride that surpasses even grief the Faculty and Staff of Rollins College desire that this resolution be recorded in the minutes, and that a copy of it be sent to Mrs. Firestone."

President Holt introduced the new and returning members and read a list of those who have resigned.

Dean Stone announced that the summer school had been successful with a registration of 107 students.

Dean Stone announced that we have a contract with the Veterans Administration under which we expect a number of returning veterans to register at Rollins. Several have already registered.

Chase, Lyman and part of Gale Halls are being used for women students this year, and there are altogether about 170 old students returning.

Miss Stueve announced that there are 178 new students.

Dr. Clarke announced that the Blue Cross hospital plan is now available in this state. He also announced that the Railroad Express will transmit manuscripts.

Dr. Brown spoke of the post office boxes for the faculty and of the difficulty that Mr. Cartwright is having in obtaining help. He therefore suggested that we all be patient when there are unavoidable delays in making repairs and giving other assistance.

The meeting adjourned at 4:40 p.m.
