May 27, 1927.

The Faculty met in the President's office at 2:30 P. M., President Holt presiding.

Unanimous approval was given the special permission for two students to leave college the day before closing.

It was asked if a student could be permitted to drop out of class before college closed if he had completed all assigned work, including papers, without having to make up the time lost. The Dean replied that he could - that he should be rewarded for having done the required work so well and so faithfully.

A resolution of sympathy was extended to Beatrice Jones in the loss of her father. It was voted to award her degree if the Dean found her work to be adequately complete.

Mr. Weinberg brought up the matter of radio hours. He wished to know if the faculty cared to fill out the three hours per week assigned them. President Holt urged that the faculty get behind the radio program. He said that Rollins was one of only three colleges in the South having a station.

The matter of modifying the schedule under the Two Hour Plan was held over until the next meeting.

Adjourned.

Lida Woods

Secretary of the Faculty.
