The first matter of business brought up was a short explanation of the absence slips.

Miss Gladwin again asked concerning the Latin course of Winnie Waddell. Dr. French asked that the proper records be secured from Prof. Rencher.

The names of William Sherman, Louis Miskovsky, John McGaughey, and James Foley were given by Prof. Harrington as members of the special evening class which is now discontinued. Note of this was taken by Miss Gladwin who is to conduct the Latin I A class.

The question of Ethel Campbell's geometry was brought up by Miss Bellows and the matter was left to her discretion.

After a brief discussion of backward students, President French asked several faculty members to suggest some means of considering the college work at future meetings. Prof. Wilkins suggested special discussions of an assigned topic and it was agreed that further consideration would be given it.

The minutes of the present meeting were read and approved and the Chair adjourned the meeting at 4.30 p.m.
