

Agenda October 20, 2005

Page 1 of 1

Esteemed Colleagues,

We will have our second A&S Faculty meeting of the term next Thursday, October 20, at 12:30 in the Galloway Room. As always, brownies, cookies and soft drinks will be served (to accompany your brown-bag lunch).

There is only one substantive agenda item — though it is an important one — a proposal from the Professional Standards Committee to create an Institutional Review Board (IRB) for research involving human subjects. The "Principles and Recommendations" for the IRB can be found attached to this e-mail.

Please let me know if you have an announcement that needs to be made in the "Announcements" segment of the meeting.

Also, please take a look at the minutes from our September 22 meeting, to be found at the following site: http://www.rollins.edu/governance/as_faculty/ Corrections? Additions?

Look forward to seeing you next Thursday.

Thanks,

Tom Cook
