Once again, I am delighted to introduce the Faculty Authors Program. This program began in 2008, and honors those members of our scholarly community who have published peer-reviewed books and articles, or who have completed creative works, this year. Since 2008, we have celebrated more than 125 faculty members and more than 630 works.

Today, we recognize 191 published works by 82 faculty members in Arts and Sciences, the College of Professional Studies, and the Crummer Graduate School of Business. Our faculty colleagues are an extraordinary group. Rollins, of course, prizes great teaching, but the best teachers are also active scholars and creators who incorporate their academic and creative work in their teaching. Thus, those who publish and create add to disciplinary knowledge, strengthen the academy and the community, and uphold Rollins’ tradition of excellence.

Please join me in offering congratulations to the faculty whose works we are celebrating!

With best wishes,

Carol M. Bresnahan, Ph.D.
Provost and Vice President for Academic Affairs
