In unfinished business, the members discussed the plan for Rolly Trolley. A Freshman Senator said that the feedback he received was mostly positive and that unless they have a ride, most freshmen would use Rolly Trolley. A Junior Senator said that upperclassmen are probably not as interested. The President mentioned that if there is support for Rolly Trolley, someone needs to write legislation. The IFC Senator said that it is a great idea if advertised. He asked what the demand was from last year. The President responded that last year SGA broke even. The IFC Senator asked if SGA did a lot of advertising last year. The Events Chair responded that they did, but it was mostly word of mouth. The SAAC Senator asked if there is another way to pay for it besides cash. The President responded that it is definitely possible to accept cash or credit. The Academic Affairs Chair asked if SGA could get smaller busses. The Events Chair responded that we could get a 12 person bus, 8 person van, or 50 person bus. A Senior Senator asked what the price differences were for the busses. The President responded that it is much more expensive to do more smaller busses than fewer big busses. A Junior Senator asked if SGA could just charge \$5 instead of \$10 for a one-way ride. The Chief Justice responded that a student can only pay all or nothing. The OSS Senator asked what the frequency of the busses is. The Events Chair responded that the busses will go on Tuesday at 2 pm and 5 pm, and Sunday at 12 pm, 6 pm, midnight. The Events Chair noted that the total cost will be \$1,004. The President noted that we already cut the cost for first day by \$400. A Senior Senator asked if there are other options for return times on Sunday. The Events Chair responded that there are. A Sophomore Senator suggested the middle of the afternoon or late evening on Sunday because the current times are too spread out and not optimal. The ResLife Senator asked when we have to give the bus company the final schedule. The Events Chair responded as soon as possible. The ResLife Senator asked if we could send out a survey. The Transfer Student recommended a 2 pm to 7 pm time slot. The President noted that SGA could pay for three times PLUS a shuttle on Sunday. A Junior Senator asked if SGA could raise the price. The Events Chair responded that people already have a problem paying \$10. The President said that it shouldn't be too hard to get people, we just need everyone to promote it more. He asked if there was a motion to defer the decision to the Events Committee. A member made a motion to defer the business to the events committee. The motion passed.

In new business, a Sophomore Senator proposed the Exploring Rollins Traditions Ad-Hoc Committee. She stated that the committee would explore the archives/meet with advisors to find new traditions. A member motioned to vote on the committee. The Senate adopted the motion and the committee was created. The Sophomore Senator asked members to contact her if they are interested. The President Pro Tempore mentioned that a library survey is out till Oct 29th and to please complete the survey and tell your constituents.

In open forum, a Freshman Senator mentioned that the Dining Services Committee needs more students involved. The IFC Senator asked what time the committee meets. The Freshman Senator responded that the committee meets every other Thursday at 12:15 pm. The ResLife Senator asked the Freshman Senator why Dining

Services took down the nutrition facts in the Campus Center. The Freshman Senator responded that they are bringing in a nutritionist for analysis and getting new facts. A Sophomore Senator mentioned that there are people with food allergies who want to be involved but have other commitments and want to know can they still be involved. The Freshman Senator responded that they bring any comments they have to him.

Also in open forum, the President noted that all members must sign up for Halloween Howl. He also mentioned that the Traditions Committee is the same format as Dining Services, in that it is Ad-Hoc, so it is temporary and can be revisited in the future to decide if it is necessary to keep it.

The meeting adjourned at 7:22 pm.
