Approval of Minutes .....Craig McAllaster

There was a discussion about PRME (Principals of Responsible Management). Many of the requirements for this ranking have already been met. This program would help with our Global Studies and enhancing responsible principals.

It was voted by motion to move forward with this project.

There also was a discussion concerning academic integrity. Recent student issues were reviewed and clarification of both instances will be sent out from the committee in charge. The conclusion was made that guidelines need to be set up to avoid giving the students the opportunity to break the academic integrity rules.

Adjournment.....Craig McAllaster
